Public Comment Period

Ms. Burns stated that there were no members of the public present at this time.

THIRD ORDER OF BUSINESS

**Approval of the Minutes of the August 5, 2020
Board of Supervisors Meeting**

Ms. Burns asked for any comments, questions, or corrections on the August 5th, 2020 meeting minutes. The Board had no changes to the minutes.

On MOTION by Ms. Schwenk, seconded by Mr. Marone, with all in favor, the Minutes of the August 5th, 2020 Board of Supervisors Meeting, were approved.

FOURTH ORDER OF BUSINESS

Consideration of Assignment of Amenity Center Contract

Ms. Burns asked Mr. Marone if the signed contract had been received. Mr. Marone stated that it was received yesterday. Ms. Burns asked District Counsel if the assignment could continue. Ms. Rigoni stated she would rather it be included in the agenda. Ms. Burns asked if Mr. Marone would forward it and she could share it on the screen. Ms. Rigoni reviewed the executed copy with signatures.

On MOTION by Ms. Schwenk, seconded by Mr. Cassidy, with all in favor, the Assignment of Amenity Center Contract, was approved.

FIFTH ORDER OF BUSINESS

Consideration of Landscaping Quote to Add Additional Areas to Existing Contract

Ms. Burns stated this was for additional areas to be added to the existing contract with Cardinal Landscaping. The proposal was in the package. It is an additional \$500 per month. That total amount is \$6,495. Ms. Burns noted it is to add the Cook Parcel in the West. Ms. Burns shared a map for the Board to review.

On MOTION by Ms. Schwenk, seconded by Mr. Rhinehart, with all in favor, the Landscaping Quote to Add Additional Areas to Existing Contract with Cardinal Landscaping, was approved as amended, with a change made to the service map to remove section that was part of the back of the lot.

SIXTH ORDER OF BUSINESS

Ratification of Common Area Conveyance Documents

Ms. Rigoni stated that the Board previously approved conveyance of the common areas in Ridgewood and Ridgewood West. These are the executed versions of the conveyance documents.

She noted they were looking to get ratification of the executed documents. She noted that Hillsborough County is taking a few extra days to get it recorded and returned, so the version included in the agenda is just an executed version not a recorded version.

On MOTION by Ms. Schwenk, seconded by Mr. Marone, with all in favor, the Common Area Conveyance Documents, were ratified.

SEVENTH ORDER OF BUSINESS

**Consideration of Engagement Letter from
Grau & Associates to Provide Audit Services
for Fiscal Year 2020 – ADDED**

On MOTION by Ms. Schwenk, seconded by Mr. Rhinehart, with all in favor, Engagement Letter from Grau & Associates to Provide Audit Services for Fiscal Year 2020, was approved as amended by Counsel.

EIGHTH ORDER OF BUSINESS

Staff Reports

A. Attorney

Ms. Rigoni had nothing further to report

B. Engineer

Ms. Wertz had nothing further to report

C. Field Manager's Report

Mr. Smith reviewed the field report and discussed ongoing services and regular visits to the site. Mr. Smith noted additional mowing had been completed; the back of the houses and the pond. He noted they will continue taking care of this going forward. Quotes were received to add on some of the new areas. He informed the Board that someone dumped debris and it has been cleaned up. The lake had a treatment of the torpedo grass and other shoreline grasses.

Ms. Schwenk asked if the area behind the houses is an easement or a strip of common area. Mr. Smith stated that he was not sure, but that they were asked to mow it because it is directly behind the lots. There is about a 6 foot section and then the pond bank. He assumes it is part of the pond bank.

Ms. Burns pulled up a map to share on the screen for Mr. Smith and the Board. Mr. Andrade asked about the western most perimeter of the property that is overgrown. Mr. Andrade wanted to know whose land it was. Mr. Smith stated that according to the map on the screen it looks like lot owners. Mr. Smith clarified that the land he was discussing was on the East side of the map.

Discussion ensued between the Board and Mr. Smith about ownership of the area being mowed. Ms. Wertz noted that the area that was mowed is owned by lot owners to the property line. There is a drainage easement over it for the well, but the lots owners should be maintaining it.

Mr. Smith noted that the area would be removed from the mowing schedule since it is not CDD property.

Mr. Andrade addressed Ms. Wertz and noted that there seems to be a common area tract in the Lennar piece that is not being maintained. He has concerns that it has never been maintained by them. Ms. Wertz stated that they need to be maintaining it and inside of the property line is going to be all lot owners except for the pump station tract which is Hillsborough County.

Mr. Andrade asked about contacting Lennar to get it mowed. Ms. Burns asked Mr. Smith if he had a contract for Lennar there. Mr. Smith stated that he doesn't there, but he could probably look into finding one. Mr. Smith also had the same questions about the north side and the fence.

District Manager's Report

i. Approval of Check Register

Ms. Burns stated this was included in the package. This is approval for the check register July 28th to August 24th and the total is \$23,882.84.

On MOTION by Mr. Rhinehart, seconded by Mr. Cassidy, with all in favor, the Check Register for \$23,882.84, was approved.

ii. Balance Sheet and Income Statement

Ms. Burns stated financials are in the package for review but there is no action needed. Ms. Burns asked for any questions, the Board had none.

iii. Ratification of Summary of Series 2019 Funding Request #4

Ms. Burns asked for a motion to ratify the Series 2019 funding request #4.

On MOTION by Mr. Rhinehart, seconded by Mr. Cassidy, with all in favor, the Summary of Series 2019 Requisitions #4, was ratified.

iv. Ratification of Summary 2019 Requisitions #128 through #134

Ms. Burns noted these have already been approved by the Engineer and the Chair, they just need to be ratified by the board.

On MOTION by Ms. Schwenk, seconded by Mr. Rhinehart, with all in favor, the Summary of Series 2019 Requisitions #128 through #134, were ratified.

On MOTION by Mr. Marone, seconded by Mr. Cassidy, with all in favor, Mr. Andrade’s nomination to the Board of Supervisors, was approved.

Ms. Burned stated that Milton would not be able to be sworn in remotely. She noted an oath will be executed and notarized and returned. He will be sworn in prior to the next meeting.

TENTH ORDER OF BUSINESS

Supervisors Requests and Audience Comments

Ms. Rigoni asked Ms. Schwenk about the status of the Cole Parcel. Ms. Schwenk had no update and noted they would continue to hold. Mr. Marone asked Ms. Wertz if the bonds to plat could be released. Ms. Wertz stated that she would look into that.

Re: \$10,000,000 Rhodine Road North Community Development District (Hillsborough County, Florida), Special Assessment Bonds, Series 2019

Dear Ms. Costa:

AMTEC has prepared certain computations relating to the above referenced bond issue (the "Bonds") at the request of the Rhodine Road North Community Development District (the "District")

The scope of our engagement consisted of preparing the computations shown in the attached schedules to determine the Rebtable Arbitrage as described in Section 103 of the Internal Revenue Code of 1954, Section 148(f) of the Internal Revenue Code of 1986, as amended (the "Code"), and all applicable Regulations issued thereunder. The methodology used is consistent with current tax law and regulations and may be relied upon in determining the rebate liability. Certain computational methods used in the preparation of the schedules are described in the Summary of Computational Information and Definitions.

Our engagement was limited to the computation of Rebtable Arbitrage based upon the information furnished to us by the District. In accordance with the terms of our engagement, we did not audit the information provided to us, and we express no opinion as to the completeness, accuracy or suitability of such information for purposes of calculating the Rebtable Arbitrage.

We have scheduled the next Report as of June 30, 2021. Thank you and should you have any questions, please do not hesitate to contact us.

Very truly yours,

Michael J. Scarfo
Senior Vice President

SUMMARY OF COMPUTATIONAL INFORMATION AND DEFINITIONS

COMPUTATIONAL INFORMATION

1. For purposes of computing Rebatale Arbitrage, investment activity is reflected from June 28, 2019, the date of the closing, to June 30, 2020, the Computation Period. All nonpurpose payments and receipts are future valued to the Computation Date of June 28, 2022.
2. Computations of yield are based on a 360-day year and semiannual compounding on the last day of each compounding interval. Compounding intervals end on a day in the calendar year corresponding to Bond maturity dates or six months prior.
3. For investment cash flow, debt service and yield computation purposes, all payments and receipts are assumed to be paid or received respectively, as shown on the attached schedules.
4. Purchase prices on investments are assumed to be at fair market value, representing an arm's length transaction.
5. During the period between June 28, 2019 and June 30, 2020, the District made periodic payments into the Interest, Sinking and Prepayment Accounts (collectively, the "Debt Service Fund") that were used, along with the interest earned, to provide the required debt service payments.

Under Section 148(f)(4)(A), the rebate requirement does not apply to amounts in certain bona fide debt service funds. The Regulations define a bona fide debt service fund as one that is used primarily to achieve a proper matching of revenues with principal and interest payments within each bond year. The fund must be depleted at least once each bond year, except for a reasonable carryover amount not to exceed the greater of the earnings on the fund for the immediately preceding bond year or 1/12th of the principal and interest payments on the issue for the immediately preceding bond year.

We have reviewed the Debt Service Fund and have determined that the funds deposited have functioned as a bona fide debt service fund and are not subject to the rebate requirement.

6. In accordance with Page C-1 of the Arbitrage and Tax Certificate, Exhibit C (Arbitrage Rebate Covenants) the first (initial) Computation Date must be within 60 days of the end of the third Bond Year. After the first required payment date (Computation Date) the District must consistently treat either the last day of each Bond Year or the last day of each fifth Bond Year as the (subsequent) Computation Date(s). Therefore, for purposes of the arbitrage calculation, the first Computation Date is June 28, 2022.

DEFINITIONS

7. Computation Date

June 28, 2022.

8. Computation Period

The period beginning on June 28, 2019, the date of the closing, and ending on June 30, 2020.

9. Bond Year

Each one-year period (or shorter period from the date of issue) that ends at the close of business on the day in the calendar year that is selected by the Issuer. If no day is selected by the Issuer before the earlier of the final maturity date of the issue or the date that is five years after the date of issue, each bond year ends at the close of business on the anniversary date of the issuance.

10. Bond Yield

The discount rate that, when used in computing the present value of all the unconditionally payable payments of principal and interest with respect to the Bonds, produces an amount equal to the present value of the issue price of the Bonds. Present value is computed as of the date of issue of the Bonds.

11. Taxable Investment Yield

The discount rate that, when used in computing the present value of all receipts of principal and interest to be received on an investment during the Computation Period, produces an amount equal to the fair market value of the investment at the time it became a nonpurpose investment.

12. Issue Price

The price determined on the basis of the initial offering price at which price a substantial amount of the Bonds was sold.

13. Rebatable Arbitrage

The Code defines the required rebate as the excess of the amount earned on all nonpurpose investments over the amount that would have been earned if such nonpurpose investments were invested at the Bond Yield, plus any income attributable to the excess. Accordingly, the Regulations require that this amount be computed as the excess of the future value of all the nonpurpose receipts over the future value of all the nonpurpose payments. The future value is computed as of the Computation Date using the Bond Yield.

14. Funds and Accounts

The Funds and Accounts activity used in the compilation of this Report was received from the District and US Bank, Trustee, as follows:

Accounts	Account Number
Revenue	243788000
Interest	243788001
Sinking	243788002
Reserve	243788003
Prepayment	243788004
Acquisition & Construction	243788005
Escrow Subaccount	243788006
Cost of Issuance	243788007

METHODOLOGY

Bond Yield

The methodology used to calculate the bond yield was to determine the discount rate that produces the present value of all payments of principal and interest through the maturity date of the Bonds.

Investment Yield and Rebate Amount

The methodology used to calculate the Rebateable Arbitrage, as of June 30, 2020, was to calculate the future value of the disbursements from all funds, subject to rebate, and the value of the remaining bond proceeds, at the yield on the Bonds, to June 28, 2022. This figure was then compared to the future value of the deposit of bond proceeds into the various investment accounts at the same yield. The difference between the future values of the two cash flows, on June 28, 2022, is the Rebateable Arbitrage.

Hopping Green & Sams

Attorneys and Counselors

MEMORANDUM

TO: District Managers

FROM: Hopping Green & Sams

DATE: December 2020

RE: Section 448.095, *Florida Statutes* / E-Verify Requirements

As you may be aware, the Florida Legislature recently enacted Section 448.095, *Florida Statutes*, which, generally speaking, requires that all employers verify employment eligibility using the United States Department of Homeland Security's "E-Verify" system. Specifically, Section 448.095(2)(a) provides:

"Beginning January 1, 2021, every public employer, contractor, and subcontractor shall register with and use the E-Verify system to verify the work authorization status of all newly hired employees. A public employer, contractor, or subcontractor may not enter into a contract unless each party to the contract registers with and uses the E-Verify system."

Section 448.095(1), F.S., defines "public employer" to be any "regional, county, local, or municipal government . . . that employs persons who perform labor or services for that employer in exchange for salary, wages, or other remuneration or that enters or attempts to enter into a contract with a contractor." Because all CDDs and stewardship districts (together, "Special Districts") enter into contracts with contractors (and many Special Districts have employees), all Special Districts are subject to the new E-Verify requirements.

As a District Manager, there are two steps that need to be taken:

1. Enroll your Special Districts on the E-Verify system, at: <https://www.e-verify.gov/>. An E-Verify enrollment checklist is available at <https://www.e-verify.gov/employers/enrolling-in-e-verify/enrollment-checklist>. In order to enroll, all Special Districts must enter into a memorandum of understanding ("MOU") which must be executed by the chairperson of each board. Under the MOU, the responsibilities of the Special Districts include provision of contact information, display of notices to prospective employees, completion of an E-Verify tutorial, familiarization with the E-Verify User Manual, and other obligations. Samples of the MOU and E-Verify User Manual are attached here.
2. On a going forward basis, include the following contract provision in Special District contracts:

E-VERIFY REQUIREMENTS

The Contractor shall comply with and perform all applicable provisions of Section 448.095, *Florida Statutes*. Accordingly, beginning January 1, 2021, to the extent required by Florida Statute, Contractor shall register with and use the United States Department of Homeland Security's E-Verify system to verify the work authorization status of all newly hired employees. The District may terminate this Agreement immediately for cause if there is a good faith belief that the Contractor has knowingly violated Section 448.091, Florida Statutes.

If the Contractor anticipates entering into agreements with a subcontractor for the Work, Contractor will not enter into the subcontractor agreement without first receiving an affidavit from the subcontractor regarding compliance with Section 448.095, *Florida Statutes*, and stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. Contractor shall maintain a copy of such affidavit for the duration of the agreement and provide a copy to the District upon request.

In the event that the District has a good faith belief that a subcontractor has knowingly violated Section 448.095, *Florida Statutes*, but the Contractor has otherwise complied with its obligations hereunder, the District shall promptly notify the Contractor. The Contractor agrees to immediately terminate the agreement with the subcontractor upon notice from the District. Further, absent such notification from the District, the Contractor or any subcontractor who has a good faith belief that a person or entity with which it is contracting has knowingly violated s. 448.09(1), Florida Statutes, shall promptly terminate its agreement with such person or entity.

By entering into this Agreement, the Contractor represents that no public employer has terminated a contract with the Contractor under Section 448.095(2)(c), *Florida Statutes*, within the year immediately preceding the date of this Agreement.

Please let us know if you have any questions regarding the new law. We appreciate your attention to this matter, and can be reached at 850-222-7500.

(c) No event or condition that constitutes, or with the giving of notice or the lapse of time or both would constitute, an Event of Default exists at the date hereof.

(d) Lessee will do or cause to be done all things necessary to preserve and keep in full force and effect its existence as a political subdivision.

(e) Lessee has complied with such public bidding requirements as may be applicable to this Agreement and each Lease and the acquisition by Lessee of the Equipment as provided in each Lease.

(f) During the Lease Term, the Equipment will be used by Lessee only for the purpose of performing essential governmental or proprietary functions of Lessee consistent with the permissible scope of Lessee's authority. (g) Lessee shall deliver to Lessor (i) annual audited financial statements (including (1) a balance sheet, (2) statement of revenues, expenses and changes in fund balances, (3) statement of cash flows and notes, and (4) schedules and attachments to the financial statements) within 270 days of its fiscal year end, (ii) such other financial statements and information as Lessor may reasonably request, and (iii) its annual budget for the following fiscal year within 30 days of the adoption thereof. The Equipment will not be used, directly or indirectly, in any activity carried on by any person other than a state or local governmental unit. No portion of the Equipment Costs for the Equipment will be used, directly or indirectly, to make or finance loans to any person other than Lessee. Lessee has not entered into any management or other service contract with respect to the use and operation of the Equipment.

Lessee will, at its expense, maintain its legal existence in good standing and do any further act and execute, acknowledge, deliver, file, register and record any further documents Lessor may reasonably request in order to protect Lessor's interest in the Equipment and Lessor's rights and benefits under this Lease.

Section 3.01 Lease of Equipment. Subject to the terms of this Agreement, Lessor agrees to provide the funds specified in this Lease to be provided by it to acquire the Equipment, up to an amount equal to the Maximum Equipment Cost. Upon the execution of this Lease, Lessor leases and lets to Lessee, and Lessee rents and leases from Lessor, the Equipment as set forth in such Lease and in accordance with the terms thereof.

In addition, upon execution of this Agreement, the Lessee (as Lessor) leases and lets to the Lessor (as Lessee), the Existing Equipment as part of the Equipment leased pursuant to this Agreement, and all right, title and interest of the Lessor. Immediately thereafter, the Lessor (as Sublessor) leases and lets to Lessee (as Sublessee), and Lessee rents and leases from the Lessor, the Existing Equipment as part of the Equipment leased pursuant to this Agreement. Once the Chas acquired and leased pursuant to the terms of this Agreement the Equipment in an amount at least equal to the Maximum Equipment Cost, the Existing Equipment (excluding any portion of the Existing Equipment that constitutes Equipment) shall be released from the lien and lease of this Agreement upon the written consent of the Lessor (which consent shall not be unreasonably withheld).

Section 3.02 Continuation of Lease Term. Lessee intends to continue the Lease Term and to pay the Rental Payments thereunder. Lessee reasonably believes that an amount sufficient to make all Rental Payments during the entire Lease Term of each Lease can be obtained from legally available funds of Lessee. Lessee further intends to do all things lawfully within its power to obtain and maintain funds sufficient and available to discharge its obligation to make Rental Payments due hereunder, including making provision for such payments to the extent necessary in each budget or appropriation request submitted and adopted in accordance with applicable provisions of law, to have such portion of the budget or appropriation request approved and to exhaust all available reviews and appeals in the event such portion of the budget or appropriation request is not approved.

Section 3.03 Abatement. During any period in which, by reason of material damage or destruction or taking under the power of eminent domain (or sale to any entity threatening the use of such power) or material title defect with respect to any Equipment, there is substantial interference with the use and possession by Lessee of such Equipment, the Lessee's obligation to pay rent applicable to such Equipment shall be abated proportionately in whole or in part. Lessee shall immediately notify Lessor upon the occurrence of any event causing substantial interference with Lessee's use and possession of any Equipment, and such notice shall be provided

prior to the abatement of any rent. The amount of abatement of the Lessee's obligation to pay rent shall be such that the remaining rental obligation of the Lessee for each rental period represents fair consideration for the use and possession of the portions of the Equipment that are not affected by such interference. Such abatement shall commence on the date that Lessee's use and possession of the affected Equipment is restricted because of such interference and end on the earlier of (i) the date on which the use and possession thereof are restored to Lessee, or (ii) the date on which Lessee either (x) replaces the affected Equipment or (y) uses the proceeds of insurance or condemnation award to pay the applicable Purchase Price therefor. Notwithstanding any such interference with Lessee's use and possession of a portion of the Equipment, this Lease shall continue in full force and effect with respect to any remaining Equipment. Lessee waives the benefits of Civil Code Sections 1932 and any and all other rights to terminate this Lease by virtue of any interference with the use and possession of any Equipment.

Section 3.04 Conditions to Lessor's Performance.

(a) As a prerequisite to the performance by Lessor of any of its obligations pursuant to this Lease, Lessee shall deliver to Lessor the following:

(i) A fully completed Schedule, executed by Lessee;

(ii) An Acquisition Fund Agreement, executed by the Lessee and the Acquisition Fund Custodian, unless Lessor pays 100% of the Acquisition Amount directly to the Vendor upon execution of the Lease;

(iii) A Certificate executed by the Clerk or Secretary or other comparable officer of Lessee, in substantially the form attached hereto as Exhibit C, completed to the satisfaction of Lessor;

(iv) A certified copy of a resolution or other official action of Lessee's governing body authorizing the execution and delivery of this Lease and performance by Lessee of its obligations hereunder;

(v) Evidence of insurance as required by Section 7.02 hereof;

(vi) All documents, including financing statements, affidavits, notices and similar instruments, in form satisfactory to Lessor, which Lessor deems necessary or appropriate at that time pursuant to Section 6.01 and 6.02;

(vii) Such other items, if any, as are set forth in such Lease or are reasonably required by Lessor.

(b) In addition, the performance by Lessor of any of its obligations pursuant to this Lease shall be subject to: (i) no material adverse change in the financial condition of Lessee since the date of this Lease, (ii) no Event of Default having occurred, and (iii) if no Acquisition Fund has been established, the Equipment must be accepted by Lessee no later than **January _____, 2021**] (the "Utilization Period").

(c) Subject to satisfaction of the foregoing, Lessor will pay the Acquisition

Amount for Equipment described in a Schedule to the Vendor upon receipt of the documents described in Sections 5.01(a) and (b); or if an Acquisition Fund has been established pursuant to an Acquisition Fund Agreement, Lessor will deposit the Acquisition Amount for Equipment described in the Schedule with the Acquisition Fund Custodian.

(d) Lessee will cooperate with Lessor in Lessor's review of this proposed Lease. Without limiting the foregoing, Lessee will provide Lessor with any documentation or information Lessor may request in connection with Lessor's review of any proposed Lease. Such documentation may include, without limitation, documentation concerning the Equipment and its contemplated use and location and documentation or information concerning the financial status of Lessee and other matters related to Lessee.

ARTICLE IV

PAYMENT AND PREPAYMENT OF RENT

Section 4.01 Rental Payments. Lessee shall promptly pay Rental Payments, in lawful money of the United States of America, to Lessor on the dates and in such amounts as provided in this Lease. Lessee shall pay Lessor a charge on any Rental Payment not paid on the date such payment is due at the stated rate plus [5]% per annum or the maximum amount permitted by law, whichever is less, from such date. Lessee shall not permit the federal government to guarantee any Rental Payments under this Lease. Rental Payments consist of principal and interest payments as more fully detailed on the Schedule, the interest on which begins to accrue as of the Commencement Date for each such Schedule.

Section 4.02 Interest and Principal Components. A portion of each Rental Payment is paid as, and represents payment of, interest, and the balance of each Rental Payment is paid as, and represents payment of, principal. The Lease shall set forth the principal and interest components of each Rental Payment payable thereunder during the Lease Term.

Section 4.03 Rental Payments to Constitute a Current Expense of Lessee. Lessor and Lessee understand and intend that the obligation of Lessee to pay Rental Payments under this Lease shall constitute a current expense of Lessee payable solely from its general fund or other funds that are legally available for that purpose and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness by Lessee, nor shall anything contained herein or in a Lease constitute a pledge of the general tax revenues, funds or moneys of Lessee.

Section 4.04 Rental Payments to be Unconditional. Except as provided in Section 3.03, the obligations of Lessee to make Rental Payments and to perform and observe the other covenants and agreements contained in this Lease shall be absolute and unconditional in all events without abatement, diminution, deduction, set-off or defense, for any reason, including without limitation any failure of the Equipment, after it has been accepted by lessee, any defects, malfunctions, breakdowns or infirmities in the equipment or any accident, condemnation or unforeseen circumstances. Lessee's obligations to make Rental Payments or pay other amounts hereunder shall not be abated on account of obsolescence or failure of the Equipment to perform as desired.

Section 4.05 Tax Covenant. Lessee agrees that it will not take any action that would cause the interest component of Rental Payments to be or to become ineligible for the exclusion from gross income of the owner or owners thereof for federal income tax purposes, nor will it omit to take or cause to be taken, in timely manner, any action, which omission would cause the interest component of Rental Payments to be or to become ineligible for the exclusion from gross income of the owner or owners thereof for federal income tax purposes.

Section 4.06 Event of Taxability. Upon the occurrence of an Event of Taxability, the interest component shall be at a Taxable Rate retroactive to the date as of which the interest component is determined by the Internal Revenue Service to be includible in the gross income of the owner or owners thereof for federal income tax purposes, and Lessee will not pay any additional amount.

For purposes of this Section, “Event of Taxability” means a determination that the interest component is includible for federal income tax purposes in the gross income of the owner thereof due to Lessee’s action or failure to take any action.

Section 4.07 Mandatory Prepayment. If the Lease Proceeds are deposited into an Acquisition Fund, any funds remaining in the Acquisition Fund on or after the Acquisition Period and not applied to Equipment Costs, shall be applied by Lessor on the next Rental Payment date to the prepayment of the principal component of the outstanding Rental Payments due under the applicable Schedule in inverse order of maturity.

ARTICLE V

THE EQUIPMENT

Section 5.01 Delivery, Installation and Acceptance of Equipment. (a) Lessee shall order the Equipment, cause the Equipment to be delivered and installed at the location specified in the Leases and pay any and all delivery and installation costs and other Equipment Costs in connection therewith (which amounts may be funded from the Acquisition Fund or amounts from the Acquisition Fund will be used to reimburse Lessee for any prior payment from Lessee’s own funds). When the Equipment listed in this Lease has been delivered and installed, Lessee shall promptly accept such Equipment and evidence said acceptance by executing and delivering to Lessor an acceptance certificate in the form attached hereto as Exhibit B.

(b) Lessee shall deliver to Lessor original invoices and bills of sale (if title to such Equipment has passed to Lessee) relating to each item of Equipment accepted by Lessee. With respect to Equipment not purchased through an Acquisition Fund, Lessor shall, upon receipt of an Acceptance Certificate from Lessee, prepare a Schedule of Property and Rental Payment Schedule. Lessee shall execute and deliver such Schedules to Lessor within 5 business days of receipt.

Section 5.02 Enjoyment of Equipment. Lessor shall provide Lessee with quiet use and enjoyment of the Equipment during the Lease Term, and Lessee shall peaceably and quietly have, hold and enjoy the Equipment during the Lease Term, without suit, trouble or hindrance from

Lessor, except as otherwise expressly set forth in the related Lease. Lessor shall not interfere with such quiet use and enjoyment during the Lease Term so long as Lessee is not in default under the related Lease.

Section 5.03 Location: Inspection. Once installed, no item of the Equipment will be moved from the location specified for it in the Lease on which such item is listed without Lessor's consent, which consent shall not be unreasonably withheld. Lessor shall have the right at all reasonable times during regular business hours to enter into and upon the property of Lessee for the purpose of inspecting the Equipment.

Section 5.04 Use and Maintenance of the Equipment. Lessee will not install, use, operate, or maintain the Equipment improperly, carelessly, in violation of any applicable law or in a manner contrary to that contemplated by the related Lease. Lessee shall provide all permits and licenses, if any, necessary for the installation and operation of the Equipment. In addition, Lessee agrees to comply in all respects with all applicable laws, regulations and rulings of any legislative, executive, administrative, or judicial body; provided that Lessee may contest in good faith the validity or application of any such law, regulation or ruling in any reasonable manner that does not, in the opinion of Lessor, adversely affect the interest (including the reversionary interest) of Lessor in and to the Equipment or its interest or rights under the Lease.

Lessee agrees that it will maintain, preserve, and keep the Equipment in good repair and working order, in accordance with manufacturer's recommendations. Lessor shall have no responsibility to maintain, repair or make improvements or additions to the Equipment.

Lessee shall not alter any item of Equipment or install any accessory, equipment or device on an item of Equipment if that would impair any applicable warranty, the originally intended function or the value of that Equipment. All repairs, parts, accessories, equipment and devices furnished, affixed to or installed on any Equipment, excluding temporary replacements, shall thereupon become subject to the interest of Lessor therein.

ARTICLE VI

TITLE AND SECURITY

Section 6.01 Title to the Equipment. During the Lease Term, all right, title and interest in and to each item of the Equipment shall be vested in Lessor. Lessee shall at all times protect and defend, at its own cost and expense, Lessor's title in and to the Equipment from and against all claims, liens and legal processes of its creditors, and keep all Equipment free and clear of all such claims, liens and processes. Upon purchase of the Equipment under a Lease by Lessee pursuant to Section 10.01, Lessor shall transfer to Lessee title to the Equipment, as-is, without warranty of any kind other than as to the absence of liens created by or through Lessor, and shall execute and deliver to Lessee such documents as Lessee may reasonably request to evidence the transfer of Lessor's right, title and interest in the Equipment subject to the related Lease.

Section 6.02 Security Interest. As additional security for the payment of all of Lessee's obligations under this Lease, upon the execution of this Lease, Lessee grants to Lessor a security interest constituting a first lien on (a) Lessee's right, title and interest in the Equipment applicable to such Lease, (b) moneys and investments held from time to time in the Acquisition Fund and (c) any and all proceeds of any of the foregoing. Lessee agrees to execute and authorizes Lessor to file such notices of assignment, chattel mortgages, financing statements and other documents, in form satisfactory to Lessor, which Lessor deems necessary or appropriate to establish and maintain Lessor's security interest in the Equipment, the Acquisition Fund and the proceeds thereof.

Section 6.03 Personal Property. The Equipment is and will remain personal property and will not be deemed to be affixed to or a part of the real estate on which it may be situated, notwithstanding that the Equipment or any part thereof may be or hereafter become in any manner physically affixed or attached to real estate or any building thereon. Upon the request of Lessor, Lessee will, at Lessee's expense, furnish a waiver of any interest in the Equipment from any party having an interest in any such real estate or building.

ARTICLE VII

TAXES, CHARGES AND INSURANCE

Section 7.01 Liens, Taxes, Other Governmental Charges and Utility Charges. Lessee shall keep the Equipment free of all levies, liens, and encumbrances except those created by this Lease. The parties to this Agreement contemplate that the Equipment will be used for a governmental or proprietary purpose of Lessee and that the Equipment will therefore be exempt from all property taxes. If the use, possession or acquisition of any Equipment is nevertheless determined to be subject to taxation, Lessee shall pay when due all taxes and governmental charges lawfully assessed or levied against or with respect to such Equipment. Lessee shall pay all utility and other charges incurred in the use and maintenance of the Equipment. Lessee shall pay such taxes or charges as the same may become due; provided that, with respect to any such taxes or charges that may lawfully be paid in installments over a period of years, Lessee shall be obligated to pay only such installments as accrue during each Lease Term.

Section 7.02 Insurance. Lessee shall during each Lease Term maintain or cause to be maintained (a) casualty insurance naming Lessor and its assigns as additional insured and loss payee and insuring the Equipment against loss or damage by fire and all other risks covered by the standard extended coverage endorsement then in use in the State, and any other risks reasonably required by Lessor, in an amount at least equal to the then applicable Purchase Price of the Equipment; (b) liability insurance that protects Lessor from liability in all events in form and amount satisfactory to Lessor; (c) worker's compensation coverage as required by the laws of the State, and (d) rental interruption insurance in an amount which shall cover Rental Payments for no less than 24 months; *provided* that, with Lessor's prior written consent, Lessee may self-insure against the risks described in clause (a); *provided further* that Lessee's ability to self-insure does not extend to rental interruption insurance, which Lessee acknowledges may limit Lessee's ability to self-insure against the risks described in clause (a). All such policies of insurance shall name Lessor as an additional insured and loss payee. Lessee shall furnish to Lessor evidence of such insurance or self-insurance coverage throughout each Lease Term. Lessee shall not cancel or modify such insurance or self-insurance coverage in any way that would affect the interests of Lessor without first giving written notice thereof to Lessor at least 30 days in advance of such cancellation or modification.

Section 7.03 Advances. In the event Lessee shall fail to keep the Equipment in good repair and working order, Lessor may, but shall be under no obligation to, maintain and repair the Equipment and pay the cost thereof. All amounts so advanced by Lessor shall constitute additional rent for the Lease Term and Lessee covenants and agrees to pay such amounts so advanced by Lessor with interest thereon from the due date until paid at the rate of fourteen [14]% per annum or the maximum amount permitted by law, whichever is less.

ARTICLE VIII

DAMAGE TO AND REPLACEMENT OF EQUIPMENT

Section 8.01 Damage, Destruction and Condemnation. Unless Lessee shall have exercised its option to purchase the Equipment by making payment of the Purchase Price as provided in the related Lease, if, prior to the termination of the applicable Lease Term, (a) the Equipment or any portion thereof is destroyed, in whole or in part, or is damaged by fire or other casualty or (b) title to, or the temporary use of, the Equipment or any part thereof shall be taken under the exercise or threat of the power of eminent domain by any governmental body or by any person, firm or corporation acting pursuant to governmental authority, Lessee and Lessor will cause the Net Proceeds of any insurance claim or condemnation award or sale under threat of condemnation to be applied to the prompt replacement, repair, restoration, modification or improvement of the Equipment. Any balance of the Net Proceeds remaining after such work has been completed shall be paid to Lessee.

If Lessee elects to replace any item of the Equipment (the "Replaced Equipment") pursuant to this Section, the replacement equipment (the "Replacement Equipment") shall be of similar type, utility and condition to the Replaced Equipment and shall be of equal or greater value and useful life than the Replaced Equipment. Lessee shall represent, warrant and covenant to Lessor that each item of Replacement Equipment is free and clear of all claims, liens, security interests

and encumbrances, excepting only those liens created by or through Lessor, and shall provide to Lessor any and all documents as Lessor may reasonably request in connection with the replacement, including, but not limited to, documentation in form and substance satisfactory to Lessor evidencing Lessor's title in the Replacement Equipment. Lessor and Lessee hereby acknowledge and agree that any Replacement Equipment acquired pursuant to this paragraph shall constitute "Equipment" for purposes of this Agreement and the related Lease. Lessee shall complete the documentation of Replacement Equipment on or before the next Rent Payment date after the occurrence of a casualty event or be required to exercise the Purchase Option with respect to the damaged equipment.

For purposes of this Article, the term "Net Proceeds" shall mean the amount remaining from the gross proceeds of any insurance claim or condemnation award or sale under threat of condemnation after deducting all expenses, including attorneys' fees, incurred in the collection thereof.

Section 8.02 Insufficiency of Net Proceeds. If the Net Proceeds are insufficient to pay in full the cost of any repair, restoration, modification or improvement referred to in Section 8.01, Lessee shall either (a) complete such replacement, repair, restoration, modification or improvement and pay any costs thereof in excess of the amount of the Net Proceeds, or (b) pay or cause to be paid to Lessor the amount of the then applicable Purchase Price for the Equipment, and, upon such payment, the applicable Lease Term shall terminate and Lessor's interest in the Equipment shall terminate as provided in Section 6.01. The amount of the Net Proceeds, if any, remaining after completing such repair, restoration, modification or improvement or after purchasing such Equipment and such other Equipment shall be retained by Lessee. If Lessee shall make any payments pursuant to this Section, Lessee shall not be entitled to any reimbursement therefor from Lessor nor shall Lessee be entitled to any diminution of the amounts payable under Article IV.

ARTICLE IX

WARRANTIES

Section 9.01 Disclaimer of Warranties. Lessor makes no warranty or representation, either express or implied, as to the value, design, condition, merchantability or fitness for particular purpose or fitness for use of the Equipment, or any other warranty or representation, express or implied, with respect thereto and, as to Lessor, Lessee's acquisition of the Equipment shall be on an "as is" basis. In no event shall Lessor be liable for any incidental, indirect, special or consequential damage in connection with or arising out of this Agreement, this Lease, the Equipment or the existence, furnishing, functioning or Lessee's use of any item, product or service provided for in this Agreement or Lease.

Section 9.02 Vendor's Warranties. Lessor hereby irrevocably appoints Lessee its agent and attorney-in-fact during each Lease Term, so long as Lessee shall not be in default under the related Lease, to assert from time to time whatever claims and rights (including without limitation warranties) relating to the Equipment that Lessor may have against Vendor. Lessee's sole remedy for the breach of such warranty, indemnification or representation shall be against

Vendor of the Equipment, and not against Lessor. Any such matter shall not have any effect whatsoever on the rights of Lessor with respect to this Lease, including the right to receive full and timely payments under a Lease. Lessee expressly acknowledges that Lessor makes, and has made, no representations or warranties whatsoever as to the existence or the availability of such warranties by Lessor of the Equipment.

ARTICLE X

PURCHASE OF EQUIPMENT

Section 10.01 Purchase Option. Lessee shall have the option to purchase all of the Equipment listed in a Lease, upon giving written notice to Lessor at least 30, but not more than 120, days before the date of purchase, at the following times and upon the following terms:

(a) From and after the date specified in the related Schedule (the “Purchase Option Commencement Date”), on the Rental Payment dates specified in each Lease, upon payment in full of the Rental Payments then due under such Lease plus the then applicable Purchase Price, which may include a prepayment premium on the unpaid balance as set forth in the applicable Schedule; or

(b) In the event of substantial damage to or destruction or condemnation of substantially all of the Equipment listed in a Lease, on the day specified in Lessee’s notice to Lessor of its exercise of the purchase option upon payment in full to Lessor of the Rental Payments then due under such Lease plus the then applicable Purchase Price; or

(c) Upon the expiration of the Lease Term, upon payment in full of all Rental Payments then due and all other amounts then owing under the Lease, and the payment of \$1.00 to Lessor.

After payment of the applicable Purchase Price, Lessee will own the related Equipment, and Lessor’s right, title and interests in and to such Equipment will be transferred and terminated in accordance with Section 6.01.

ARTICLE XI

ASSIGNMENT

Section 11.01 Assignment by Lessor. Lessor’s right, title and interest in and to Rental Payments and any other amounts payable by Lessee under any and all of the Leases, its interest in the Equipment subject to each such Lease, and all proceeds therefrom may be assigned and reassigned in whole or in part to one or more assignees or sub-assignees by Lessor, without the necessity of obtaining the consent of Lessee; *provided, however*, that any such assignment, transfer or conveyance to a trustee for the benefit of owners of certificates of participation shall be made in a manner that conforms to any applicable State law. Nothing in this Section 11.01 shall be construed, however, to prevent Lessor from executing any such assignment, transfer or conveyance that does not involve funding through the use of certificates of participation within the

meaning of applicable State law, including any such assignment, transfer or conveyance as part of a multiple asset pool to a partnership or trust, interests in which are offered and sold in a private placement or limited offering only to investors whom Lessor reasonably believes are qualified institutional buyers or accredited investors within the meaning of the applicable federal securities law; *provided further, however*, that in any event, Lessee shall not be required to make Rental Payments, to send notices or to otherwise deal with respect to matters arising under a Lease with or to more than one individual or entity. No assignment, transfer or conveyance permitted by this Section 11.01 shall be effective until Lessee shall have received a written notice of assignment that discloses the name and address of each such assignee; *provided, however*, that if such assignment is made to a bank or trust company as trustee or paying agent for owners of certificates of participation, trust certificates or partnership interests with respect to the Rental Payments payable under a Lease, it shall thereafter be sufficient that Lessee receives notice of the name and address of the bank or trust company as trustee or paying agent. During the term of each Lease, Lessee shall keep, or cause to be kept, a complete and accurate record of all such assignments in form necessary to comply with Section 149 of the Code. Lessee shall retain all such notices as a register of all assignees and shall make all payments to the assignee or assignees designated in such register. Lessee shall not have the right to and shall not assert against any assignee any claim, counterclaim or other right Lessee may have against Lessor or the Vendor. Assignments in part may include without limitation assignment of all of Lessor's interest in and to the Equipment listed in a particular Lease and all rights in, to and under the Lease related to such Equipment. The option granted in this Section may be separately exercised from time to time with respect to the Equipment listed in each Lease, but such option does not permit the assignment of less than all of Lessor's interests in the Equipment listed in a single Lease. Lessor acknowledges and agrees that any assignment under this Section shall not, and shall not purport to, alter or modify in any respect Lessee's obligations to perform in accordance with the terms of this Agreement and the related Lease in accordance with their terms as originally executed. Any assignment under this Section shall be subject to the condition that Lessee shall incur no costs nor be required to provide or execute any documents or participate in any manner in connection with such assignment, and Lessor and any such assignee shall be solely responsible for compliance with all securities and other laws in connection with such assignment. Lessor acknowledges that this Agreement and each Lease has not and will not be registered under the Securities Act of 1933 or any state securities laws and that Lessee has not and will not prepare any offering or disclosure materials or documents for use in connection with any assignment under this Section.

Section 11.02 Assignment and Subleasing by Lessee. None of Lessee's right, title, and interest in, to and under this Lease or any portion of the Equipment may be assigned or encumbered by Lessee for any reason.

ARTICLE XII

DEFAULTS AND REMEDIES

Section 12.01 Events of Default Defined. Any of the following events shall constitute an "Event of Default" under a Lease:

- (a) Failure by Lessee to pay any Rental Payment or other payment required to be paid under this Lease at the time specified herein;

(b) Failure by Lessee to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in subparagraph (a) above, for a period of 30 days after written notice specifying such failure and requesting that it be remedied is given to Lessee by Lessor, unless Lessor shall agree in writing to an extension of such time prior to its expiration; provided that, if the failure stated in the notice cannot be corrected within the applicable period, Lessor will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by Lessee within the applicable period and diligently pursued until the default is corrected;

(c) Any statement, representation or warranty made by Lessee in or pursuant to this Lease or its execution, delivery or performance shall prove to have been false, incorrect, misleading, or breached in any material respect on the date when made;

(d) Any default occurs under any other agreement for borrowing money or receiving credit under which Lessee may be obligated as borrower, if such default consists of (i) the failure to pay any indebtedness when due or (ii) the failure to perform any other obligation thereunder and gives the holder of the indebtedness the right to accelerate the indebtedness or pursue other remedies;

(e) Lessee shall (i) apply for or consent to the appointment of a receiver, trustee, custodian or liquidator of Lessee, or of all or a substantial part of the assets of Lessee, (ii) be unable, fail or admit in writing its inability generally to pay its debts as they become due, (iii) make a general assignment for the benefit of creditors, (iv) have an order for relief entered against it under applicable federal bankruptcy law, or (v) file a voluntary petition in bankruptcy or a petition or an answer seeking reorganization or an arrangement with creditors or taking advantage of any insolvency law or any answer admitting the material allegations of a petition filed against Lessee in any bankruptcy, reorganization or insolvency proceeding; or

(f) An order, judgment or decree shall be entered by any court of competent jurisdiction, approving a petition or appointing a receiver, trustee, custodian or liquidator or Lessee or of all or a substantial part of the assets of Lessee, in each case without its application, approval or consent, and such order, judgment or decree shall continue unstayed and in effect for any period of 30 consecutive days.

Section 12.02 Remedies on Default. Whenever any Event of Default exists, Lessor shall have the right, at its sole option without any further demand or notice, to take one or any combination of the following remedial steps:

(a) By written notice to Lessee, Lessor may without terminating such Lease, collect each Rental Payment payable by Lessee pursuant to such Lease and other amounts payable by Lessee under such Lease as they become due and payable;

(b) With or without terminating the Lease Term under such Lease, Lessor may enter the premises where the Equipment listed in such Lease is located and retake possession of such Equipment or require Lessee at Lessee's expense to promptly return any

or all of such Equipment to the possession of Lessor at such place within the United States as Lessor shall specify, and sell or lease such Equipment or, for the account of Lessee, sublease such Equipment, continuing to hold Lessee liable, but solely from legally available funds, for the difference between (i) the Rental Payments payable by Lessee pursuant to such Lease and other amounts related to such Lease or the Equipment listed therein that are payable by Lessee to the end of the Lease Term, and (ii) the net proceeds of any such sale, leasing or subleasing (after deducting all expenses of Lessor in exercising its remedies under such Lease, including without limitation all expenses of taking possession, storing, reconditioning and selling or leasing such Equipment and all brokerage, auctioneer's and attorney's fees). The exercise of any such remedies respecting any such Event of Default shall not relieve Lessee of any other liabilities under any other Lease or the Equipment listed therein;

(c) Lessor may take whatever action at law or in equity may appear necessary or desirable to enforce its rights under such Lease or as a secured party in any or all of the Equipment subject to such Lease; and

(d) By action pursuant to the Florida Code of Civil Procedure, or as otherwise provided by law, obtain the issuance of a writ of mandamus enforcing, for the entire balance of the remaining Lease Term, the duty of Lessee to appropriate and take all other administrative steps necessary for the payment of rents, and other amounts due hereunder.

Section 12.03 No Remedy Exclusive. No remedy herein conferred upon or reserved to Lessor is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Lease now or hereafter existing at law or in equity, provided that Lessor shall have no right to accelerate any Rental Payment or otherwise declare any Rental Payment or other amount payable not then in default to be immediately due and payable. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle Lessor to exercise any remedy reserved to it in this Article it shall not be necessary to give any notice other than such notice as may be required in this Article.

Section 12.04 Application of Moneys. Any net proceeds from the exercise of any remedy under this Agreement, including the application specified in Section 12.02(b)(ii) (after deducting all expenses of Lessor in exercising such remedies including without limitation all expenses of taking possession, storing, reconditioning and selling or leasing Equipment and all brokerage, auctioneer's or attorney's fees), shall be applied as follows:

(a) If such remedy is exercised solely with respect to a single Lease, Equipment listed in such Lease or rights thereunder, then to amounts due pursuant to such Lease and other amounts related to such Lease or such Equipment.

ARTICLE XIII

MISCELLANEOUS

Section 13.01 Notices. All notices, certificates or other communications under this Lease shall be sufficiently given and shall be deemed given when delivered or mailed by registered mail, postage prepaid, or delivered by overnight courier, or sent by facsimile transmission (with electronic confirmation) to the parties hereto at the addresses immediately after the signatures to this Agreement (or at such other address as either party hereto shall designate in writing to the other for notices to such party) and to any assignee at its address as it appears on the registration books maintained by Lessee.

Section 13.02 Release and Indemnification. To the extent permitted by law, but only from legally available funds, Lessee shall indemnify, protect, hold harmless, save and keep harmless Lessor from and against any and all liability, obligation, loss, claim, tax and damage whatsoever, regardless of cause thereof, and all expenses in connection therewith (including, without limitation, counsel fees and expenses, penalties connected therewith imposed on interest received) arising out of or as a result of (a) the entering into of this Agreement or Lease, (b) the ownership of any item of the Equipment, (c) the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any item of the Equipment, (d) any accident in connection with the operation, use, condition, possession, storage or return of any item of the Equipment resulting in damage to property or injury to or death to any person, and/or (e) the breach of any covenant in a Lease or any material misrepresentation contained in a Lease. The indemnification arising under this paragraph shall continue in full force and effect notwithstanding the full payment of all obligations under all Leases or the termination of the Lease Term under all Leases for any reason.

Section 13.03 Binding Effect. This Lease shall inure to the benefit of and shall be binding upon Lessor and Lessee and their respective successors and assigns.
