1.0 Introduction

The Rhodine Road North Community Development District (the “District”) is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes as amended. The District anticipates the issuance of up to \$4,700,000 of tax exempt bonds (the “Bonds”) for the purpose of financing certain infrastructure improvements (“Capital Improvement Plan” or “CIP”) within the Cole Parcel District more specifically described in the Second Amendment to the Engineer’s Report dated December 2018 and amended March 2021 as the Cole Parcel, prepared by Absolute Engineering, Inc., and as may be further amended and supplemented from time to time (the “Engineer’s Report”).

1.1 Purpose

This Supplemental Assessment Methodology for Cole Parcel For Rhodine Road North Community Development District supplements Amended and Restated Master Assessment Methodology, dated May 22, 2019 (the “Assessment Report”), provides for an assessment methodology that allocates the debt to be incurred by the District to benefiting properties within the Cole Parcel in the District boundaries. This Assessment Report allocates the debt to properties based on the special benefits each receives from the Capital Improvement Plan. This Assessment Report will be supplemented with one or more supplemental methodology reports to reflect the actual terms and conditions at the time of the issuance of each series of Bonds issued to finance all or a portion of the Capital Improvement Plan. This Assessment Report is designed to conform to the requirements of Chapters 190 and 170, Florida Statutes, with respect to special assessments and is consistent with our understanding of case law on this subject.

The District intends to impose non-ad valorem special assessments on the benefited lands within the Cole Parcel of the District, based on this Assessment Report. It is anticipated that all of the proposed special assessments will be collected through the Uniform Method of Collection described in Chapter 197.3632, Florida Statutes, or any other legal means available to the District. It is not the intent of this Assessment Report to address any other assessments, if applicable, that may be levied by the District, a homeowner’s association, or any other unit of government.

1.2 Background

The District currently includes approximately 119.37 acres within Hillsborough County, Florida. The development program for the Cole Parcel anticipates 193 residential units. The proposed development program is depicted in Table 1. It is recognized that such land use plan may change, and this Assessment Report will be modified or supplemented accordingly.

The improvements contemplated by the District in the Cole Parcel Capital Improvement Plan will provide facilities that benefit certain property within the District. Specifically, the District will construct and/or acquire certain offsite improvements, stormwater

management facilities, utility facilities, roadways, entry features, and park and amenity features. The acquisition and construction costs are summarized in Table 2.

The assessment methodology is a four-step process.

1. The District Engineer must first determine the public infrastructure improvements that may be provided by the District and the costs to implement the Capital Improvement Plan.
2. The District Engineer determines the assessable acres that benefit from the District's Capital Improvement Plan.
3. A calculation is made to determine the funding amounts necessary to acquire and/or construct the Capital Improvement Plan (the "Funding Amount").
4. The Funding Amount is initially divided equally among the benefited properties on a prorated assessable acreage basis. Ultimately, as land is platted, the Funding Amount will be assigned to each of the benefited properties based on the number of platted units.

1.3 Special Benefits and General Benefits

Improvements undertaken by the District create special and peculiar benefits to the property, different in kind and degree than general benefits, for properties within its borders as well as general benefits to the public at large.

However, as discussed within this Assessment Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits, which accrue to property within Cole Parcel of the District. The implementation of the Cole Parcel Capital Improvement Plan enables properties within the Cole Parcel of the District to be developed. Without the District's Cole Parcel Capital Improvement Plan, there would be no infrastructure to support development of land within Cole Parcel of the District. Without these improvements, development of the property within Cole Parcel of the District would be prohibited by law.

There is no doubt that the general public and property owners outside of the Cole Parcel of District will benefit from the provision of the Cole Parcel Capital Improvement Plan. However, these benefits will be incidental to the Cole Parcel Capital Improvement Plan, which is designed solely to meet the needs of property within the Cole Parcel of the District. Properties outside of the Cole Parcel of the District boundaries do not depend upon the District's Cole Parcel Capital Improvement Plan. The property owners within the Cole Parcel of the District are therefore receiving special benefits not received by those outside the Cole Parcel boundaries.

1.4 Requirements of a Valid Assessment Methodology

There are two requirements under Florida law for a valid special assessment:

- 1) The properties must receive a special benefit from the improvements being paid for.
- 2) The assessments must be fairly and reasonably allocated to the properties being assessed based on the special benefit such properties receive.

Florida law provides for a wide application of special assessments that meet these two characteristics of special assessments.

1.5 Special Benefits Exceed the Costs Allocated

The special benefits provided to the property owners within the Cole Parcel of the District will be greater than the costs associated with providing these benefits. The District Engineer estimates that the District's Cole Parcel Capital Improvement Plan that is necessary to support full development of property within the Cole Parcel will cost approximately \$8,335,000. The District's Underwriter projects that financing costs required to fund a portion of the Cole Parcel Capital Improvement Plan costs, the cost of issuance of the Bonds, the funding of a debt service reserve account and capitalized interest, is \$4,700,000. Additionally, funding required to complete the District's Capital Improvement Plan is anticipated to be funded by the Developer. Without the Capital Improvement Plan, the property within the Cole Parcel would not be able to be developed and occupied by future residents of the community.

2.0 Assessment Methodology

2.1 Overview

The District anticipates issuing \$4,700,000 in Bonds to fund a portion of the District's Cole Parcel Capital Improvement Plan, provide for capitalized interest, a debt service reserve account and pay costs of issuance. It is the purpose of this Assessment Report to allocate the \$4,700,000 in debt to the properties within the Cole Parcel benefiting from the Cole Parcel Capital Improvement Plan. This report will be supplemented to reflect actual bond terms.

Table 1 identifies the land uses as identified by the Developer within the Cole Parcel. The District has commissioned an Engineer's Report that includes estimated construction costs for the Cole Parcel Capital Improvement Plan needed to support the development, which these construction costs are outlined in Table 2. The improvements needed to support the development are described in detail in the Engineer's Report and are estimated to cost \$8,335,000. Based on the estimated costs, the size of the bond issue under current market conditions needed to generate funds to pay for a portion of the Cole Parcel Capital Improvement Plan and related costs was determined by the District's Underwriter to total \$4,700,000. It is anticipated that the District will issue less than the full cost to complete the Cole Parcel Capital

Improvement Plan. The Developer will pay the cost to complete the Cole Parcel Capital Improvement Plan. This obligation is anticipated to be formalized by a Completion Agreement executed at the time of the issuance of bonds. Table 3 shows the breakdown of the bond sizing.

2.2 Allocation of Debt

Allocation of debt is a continuous process until the development plan for the District is completed. Until the platting process occurs, the Capital Improvement Plan funded by District bonds benefits all acres within the Cole Parcel.

The initial assessments will be levied on an equal basis to all gross acreage within the Cole Parcel of the District. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the special benefits. At this point all of the lands within the Cole Parcel are benefiting from the improvements.

Once platting or the recording of a declaration of condominium of any portion of the District into individual lots or units (“Assigned Properties”) has begun, the assessments will be levied to the Assigned Properties based on the benefits they receive, on a first platted, first assigned basis. The “Unassigned Properties” defined as property that has not been platted or subjected to a declaration of condominium, will continue to be assessed on a per acre basis. Eventually the development plan will be completed and the debt relating to the bonds will be allocated to the platted units within the District, which are the beneficiaries of the Cole Parcel Capital Improvement Plan, as depicted in Table 5 and Table 6. If there are changes to the development plan, a true up of the assessment will be calculated to determine if a debt reduction or true-up payment from the Developer is required. The process is outlined in Section 3.0.

The assignment of debt in this Assessment Report sets forth the process by which debt is apportioned. As mentioned herein, this Assessment Report will be supplemented from time to time.

2.3 Allocation of Benefit

The Cole Parcel Capital Improvement Plan consists of offsite improvements, stormwater management facilities, utility facilities, roadways, entry features, and park and amenity features and professional fees along with related incidental costs. There are two product types within the planned development. The single family – 50’ home has been set as the base unit and has been assigned one equivalent residential unit (“ERU”). Table 4 shows the allocation of benefit to the particular land uses. It is important to note that the benefit derived from the improvements on the particular units exceeds the cost that the units will be paying for such benefits.

2.4 Lienability Test: Special and Peculiar Benefit to the Property

Construction and/or acquisition by the District of its proposed Cole Parcel Capital Improvement Plan will provide several types of systems, facilities and services for its residents. These include offsite improvements, stormwater management facilities, utility facilities, roadways, entry features, and park and amenity features. These improvements accrue in differing amounts and are somewhat dependent on the type of land use receiving the special benefits peculiar to those properties, which flow from the logical relationship of the improvements to the properties.

Once these determinations are made, they are reviewed in the light of the special benefits peculiar to the property, which flow to the properties as a result of their logical connection from the improvements in fact actually provided.

For the provision of the Cole Parcel Capital Improvement Plan, the special and peculiar benefits are:

- 1) the added use of the property,
- 2) added enjoyment of the property, and
- 3) the probability of increased marketability and value of the property.

These special and peculiar benefits are real and ascertainable, but are not yet capable of being calculated as to value with mathematical certainty. However, each is more valuable than either the cost of, or the actual non-ad valorem special assessment levied for the improvement or the debt as allocated.

2.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay Non-Ad Valorem Assessments

A reasonable estimate of the proportion of special and peculiar benefits received from the public improvements described in the Engineer's Report is delineated in Table 5 (expressed as Allocation of Par Debt per Product Type). This is also shown on Table 7 depicting Allocation of Par Debt per Product Type.

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and/or construction of 2019 Project have been apportioned to the property within the Assessable Parcels and Annexed Parcel according to reasonable estimates of the special and peculiar benefits provided consistent with the land use categories.

Accordingly, no acre or parcel of property within the boundaries of the Cole Parcel will have a lien for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property and therefore, the debt

allocation will not be increased more than the debt allocation set forth in this Assessment Report.

In accordance with the benefit allocation suggested for the product types in Table 4, a total debt per unit and an annual assessment per unit have been calculated for each product type (Table 6). These amounts represent the preliminary anticipated per unit debt allocation assuming all anticipated units are built and sold as planned, and the entire proposed Capital Improvement Plan is constructed.

3.0 True Up Mechanism

Although the District does not process plats, declaration of condominiums, site plans or revisions thereto for the Developer, it does have an important role to play during the course of platting and site planning. Whenever a plat, declaration of condominium or site plan is processed, the District must allocate a portion of its debt to the property according to this Assessment Report outlined herein. In addition, the District must also prevent any buildup of debt on Unassigned Properties. Otherwise, the land could be fully conveyed and/or platted without all of the debt being allocated. To preclude this, when platting for 25%, 50%, 75% and 100% of the units planned for platting has occurred within the Assessable Parcels and Annexed Parcel, the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the full development plan of the District. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service then no debt reduction or true-up payment is required. In the case that the revenue generated is less than the required amount then a debt reduction or true-up payment by the landowner in the amount necessary to reduce the par amount of the outstanding bonds plus accrued interest to a level that will be supported by the new net annual debt service assessments will be required.

If a true-up payment is made less than 45 days prior to an interest payment date, the amount of accrued interest will be calculated to the next succeeding interest payment date.

4.0 Assessment Roll

The District will initially distribute the liens across the property within the Cole Parcel on a gross acreage basis. As Assigned Properties becomes known with certainty, the District will refine its allocation of debt from a per acre basis to a per unit basis as shown in Table 6. If the land use plan changes, then the District will update Table 6 to reflect the changes as part of the foregoing true-up process. As a result, the assessment liens are neither fixed nor are they determinable with certainty on any acre of land in the District prior to the time final Assigned Properties become known. The current assessment roll is attached as Table 7.

WHEREAS, any capitalized term used herein and not otherwise expressly defined herein shall have the meaning ascribed thereto in the Indenture; and

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of Rhodine Road North Community Development District, as follows:

Section 1. Authorization of Issuance of Series 2022 Bonds. There are hereby authorized and directed to be issued: the Rhodine Road North Community Development District Special Assessment Bonds, Series 2022 (the "Series 2022 Bonds") in an aggregate principal amount not to exceed \$5,800,000, for the purposes of (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2022 Project, (ii) making a deposit to the Series 2022 Reserve Account in an amount equal to the Series 2022 Reserve Requirement, (iii) funding a portion of the interest coming due on the Series 2022 Bonds, and (iv) paying certain costs of issuance in respect of the Series 2022 Bonds. The Series 2022 Bonds shall be issued under and secured by the Indenture, the form of which by reference is hereby incorporated into this resolution as if set forth in full herein.

Section 2. Details of the Series 2022 Bonds. The District hereby determines that the Series 2022 Bonds shall mature in the amounts and at the times, shall bear interest at the rates, be redeemable at the redemption prices and in the manner as determined by the Chairperson of the Board of Supervisors of the District (the "Chairperson") or any member of the Board of Supervisors designated by the Chairperson (a "Designated Member"), prior to the sale of said Series 2022 Bonds, all in a manner consistent with the requirements of the Bond Resolution and within the parameters set forth in Section 5 hereof.

Section 3. Second Supplemental Trust Indenture. The District hereby approves and authorizes the execution of the Second Supplemental Indenture by the Chairperson or any Designated Member and the Secretary or any Assistant Secretary of the Board of Supervisors (the "Secretary") and the delivery of the Second Supplemental Indenture in substantially the form thereof attached hereto as Exhibit A, with such changes therein as shall be approved by the Chairperson or Designated Member executing the same, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of Second Supplemental Indenture attached hereto.

Section 4. Negotiated Sale. The Series 2022 Bonds shall be sold by a negotiated sale to the Underwriter. It is hereby determined by the District that a negotiated sale of the Series 2022 Bonds to the Underwriter will best effectuate the purposes of the Act, is in the best interests of the District and is necessitated by, in general, the characteristics of the issues and prevailing market conditions and specifically, the following additional reasons:

(i) because of the complexity of the financing structure of the Series 2022 Bonds, including the pledge of Special Assessments as security for the Series 2022 Bonds, it is desirable to sell the Series 2022 Bonds pursuant to a negotiated sale so as to have an underwriter involved from the outset of the financing to assist in these matters;

(ii) because of changing market conditions for tax-exempt bonds and the necessity of being able to adjust the terms of the Series 2022 Bonds, it is in the best interests of the District to sell the Series 2022 Bonds by a negotiated sale;

(iii) the Underwriter has participated in structuring the issuance of the Series 2022 Bonds and can assist the District in attempting to obtain the most attractive financing for the District;

(iv) the Series 2022 Bonds do not bear a credit rating and will be offered initially only to accredited investors within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder; and

(v) the District will not be adversely affected if the Series 2022 Bonds are not sold pursuant to a competitive sale.

Section 5. Bond Purchase Contract. The District hereby approves the form of the Bond Purchase Contract submitted by the Underwriter and attached as Exhibit B hereto, and the sale of the Series 2022 Bonds by the District upon the terms and conditions set forth in the Bond Purchase Contract is hereby approved. The Chairperson or a Designated Member are each hereby authorized, acting individually, to execute the Bond Purchase Contract and to deliver the

Bond Purchase Contract to the Underwriter. The Bond Purchase Contract shall be in substantially the form of the Bond Purchase Contract attached hereto as Exhibit B with such changes, amendments, modifications, omissions and additions as may be approved by the Chairperson or the Designated Member; provided, however,

(i) If the Series 2022 Bonds are subject to optional redemption, which determination will be made on or before the sale date of the Series 2022 Bonds, the first optional call date and the redemption price shall be determined on or before the Bond Purchase Contract is executed;

(ii) The interest rate on the Series 2022 Bonds shall not exceed an average net interest cost rate, which shall be computed by adding 300 basis points to The Bond Buyer "20 Bond Index" published immediately preceding the first day of the calendar month in which the bonds are sold, as provided in Section 215.84(3), Florida Statutes, as amended;

(iii) The aggregate principal amount of the Series 2022 Bonds shall not exceed \$5,800,000;

(iv) The Series 2022 Bonds shall have a final maturity not later than the maximum term allowed by Florida law, which is currently thirty years of principal amortization; and

(v) The price at which the Series 2022 Bonds shall be sold to the Underwriter shall not be less than 98.0% of the aggregate face amount of the Series 2022 Bonds, exclusive of original issue discount.

Execution by the Chairperson or a Designated Member of the Bond Purchase Contract shall be deemed to be conclusive evidence of approval of such changes.

Section 6. Preliminary Limited Offering Memorandum; Final Limited Offering Memorandum. The District hereby approves the form of the Preliminary Limited Offering Memorandum submitted to this meeting and attached hereto as Exhibit C and authorizes its distribution and use in connection with the limited offering for sale of the Series 2022 Bonds. The preparation of a final Limited Offering Memorandum relating to the Series 2022 Bonds (the "Limited Offering Memorandum") is hereby approved and the Chairperson or any Designated Member is hereby authorized to execute such final Limited Offering Memorandum to be dated the date of the award of the Series 2022 Bonds and, upon such award, to deliver the same to the Underwriter for use by it in connection with the sale and distribution of the Series 2022 Bonds. The Limited Offering Memorandum shall be substantially in the form of the Preliminary Limited Offering Memorandum attached as Exhibit C hereto, with such changes as shall be approved by the Chairperson or Designated Member as necessary to conform the details of the Series 2022 Bonds and such other insertions, modifications and changes as may be approved by the Chairperson or Designated Member. The execution and delivery of the Limited Offering Memorandum by the Chairperson or Designated Member shall constitute evidence of the approval thereof. The District hereby authorizes the use of the Limited Offering Memorandum and the information contained therein in connection with the offering and sale of the Series 2022 Bonds. The Chairperson is further authorized to deem the Preliminary Limited Offering Memorandum "final" within the meaning of Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, in the form as mailed, and in

furtherance thereof to execute the Rule 15c2-12 Certificate evidencing the same substantially in the forms attached hereto as Exhibit D.

Section 7. Continuing Disclosure. The District hereby authorizes and approves the execution and delivery of the Continuing Disclosure Agreement by and among the District, the Dissemination Agent and any landowner constituting an "Obligated Person" under the Continuing Disclosure Agreement, by the Chairperson or a Designated Member substantially in the form presented to this meeting and attached hereto as Exhibit E, with such changes therein as shall be approved by the Chairperson or Designated Member executing the same, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of Continuing Disclosure Agreement attached hereto. The Continuing Disclosure Agreement is being executed by the District in order to assist the Underwriter in complying with Rule 15c2-12(b)(5) promulgated by the U.S. Securities and Exchange Commission.

Section 8. Application of Bond Proceeds. The proceeds of the Series 2022 Bonds shall be applied in the manner required in the Second Supplemental Indenture.

Section 9. Further Official Action; Ratification of Prior and Subsequent Acts. The Chairperson, the Secretary and each member of the Board of Supervisors of the District and any other proper official of the District are each hereby authorized and directed to execute and deliver any and all documents and instruments (including, without limitation, any documents required by the Trustee to evidence its rights and obligations with respect to the Series 2022 Bonds, any documents required in connection with implementation of a book-entry system of registration, and investment agreements relating to the investment of the proceeds of the Series 2022 Bonds and any agreements in connection with maintaining the exclusion of interest on the Series 2022 Bonds from gross income of the holders thereof) and to do and cause to be done any and all acts and things necessary or desirable for carrying out the transactions contemplated by this Resolution. In the event that the Chairperson or the Secretary is unable to execute and deliver the documents herein contemplated, such documents shall be executed and delivered by the respective designee of such officer or official or any other duly authorized officer or official of the District. The Secretary or any Assistant Secretary is hereby authorized and directed to apply and attest the official seal of the District to any agreement or instrument authorized or approved herein that requires such a seal and attestation. The Chairperson or any Designated Member may, among other things, change the date of any document accompanying this Resolution as an exhibit. Execution by the Chairperson or a Designated Member of such document shall be deemed to be conclusive evidence of approval of such change of date. All of the acts and doings of such members of the Board, the officers of the District, and the agents and employees of the District, which are in conformity with the intent and purposes of this Resolution, whether heretofore or hereafter taken or done, shall be and are hereby ratified, confirmed and approved.

Section 10. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

Section 11. Inconsistent Proceedings. All resolutions or proceedings, or parts thereof, in conflict with the provisions hereof are to the extent of such conflict hereby repealed or amended to the extent of such inconsistency.

Section 12. Ratification of Prior Acts. All actions previously taken by or on behalf of the District in connection with the issuance of the Series 2022 Bonds are hereby authorized, ratified and confirmed.

U.S. Bank National Association hereby accepts its appointment as Registrar and its duties and responsibilities as Registrar hereunder. In addition to complying with the requirements set forth in the Master Indenture in connection with the issuance of the Series 2022 Bonds, all the Series 2022 Bonds shall be executed by the Issuer for delivery to the Trustee and thereupon shall be authenticated by the Trustee and delivered to the Issuer or upon its order, but only upon the further receipt by the Trustee of:

ARTICLE III
REDEMPTION OF SERIES 2022 BONDS

SECTION 3.01. Redemption Dates and Prices. The Series 2022 Bonds shall be subject to redemption at the times and in the manner provided in Article VIII of the Master Indenture and in this Article III. All payments of the Redemption Price of the Series 2022 Bonds shall be made on the dates hereinafter required. Except as otherwise provided in this Section 3.01, if less than all the Series 2022 Bonds of a maturity are to be redeemed pursuant to an extraordinary mandatory redemption, the Trustee shall select the Series 2022 Bonds or portions of the Series 2022 Bonds to be redeemed by lot. Partial redemptions of Series 2022 Bonds shall, to the extent possible, be made in such a manner that the remaining Series 2022 Bonds held by each Bondholder shall be in Authorized Denominations, except for the last remaining Series 2022 Bond.

The Series 2022 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the Redemption Price of the Series 2022 Bonds shall be made on the dates specified below. Upon any redemption of Series 2022 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the Issuer shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2022 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2022 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2022 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption amount is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

(a) Optional Redemption. The Series 2022 Bonds maturing [on or after] May 1, 20__ may, at the option of the Issuer be called for redemption prior to maturity as a whole or in part, at any time, [on or after] May 1, 20__ (less than all Series 2022 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2022 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date through which interest has been paid to the redemption date from moneys on deposit in the Series 2022 Optional Redemption Subaccount of the Series 2022 Bond Redemption Account. If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2022 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2022 Bonds is substantially level.

(b) Extraordinary Mandatory Redemption in Whole or in Part. The Series 2022 Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2022 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2022 Prepayment Principal deposited into the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account following the payment in whole or in part of Series 2022 Special Assessments on any assessable property within the Series 2022 Assessment Area in accordance with the provisions of Section 4.05(a) of this Second Supplemental Trust Indenture, together with any excess moneys transferred by the Trustee from the Series 2022 Reserve Account to the Series 2022 Prepayment Subaccount as a result of such Series 2022 Prepayment and pursuant to Sections 4.01(f) and 4.05(a) of this Second Supplemental Trust Indenture. If such redemption shall be in part, the Issuer shall select such principal amount of Series 2022 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2022 Bonds is substantially level.

(ii) from moneys, if any, on deposit in the Funds, Accounts and subaccounts held by the Trustee hereunder (other than the Series 2022 Rebate Fund and the Series 2022 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2022 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture.

(iii) upon the Completion Date, from any funds remaining on deposit in the Series 2022 Acquisition and Construction Account in accordance with the provisions of Section 4.01(a) hereof, not otherwise reserved to complete the Series 2022 Project and transferred to the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account, together with moneys on deposit as a result of the recalculation of the Series 2022 Reserve Requirement. If such redemption shall be in part, the Issuer shall select such principal amount of Series 2022 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2022 Bonds is substantially level.

(c) Mandatory Sinking Fund Redemption. The Series 2022 Bonds maturing on May 1, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2022 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a Redemption Price of 100% of their principal amount plus accrued interest to the date of redemption.

REMOVAL OF SERIES 2022 SPECIAL ASSESSMENT LIENS

SECTION 4.01. Establishment of Certain Funds and Accounts.

(a) The Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the "Series 2022 Acquisition and Construction Account. Net proceeds of the Series 2022 Bonds shall be deposited into the Series 2022 Acquisition and Construction Account in the amounts set forth in Section 2.06 of this Second Supplemental Trust Indenture, together with any moneys transferred or deposited thereto, including moneys transferred from the Series 2022 Reserve Account after satisfaction of the Conditions for Reduction of Reserve Requirement, and such moneys shall be applied as set forth in this Section 4.01(a) of this Second Supplemental Trust Indenture, Section 5.01 of the Master Indenture, the Acquisition Agreement and the Engineer's Report. Funds on deposit in the Series 2022 Acquisition and Construction Account shall only be requested by the Issuer to be applied to the Costs of the Series 2022 Project. Upon satisfaction of the Conditions for Reduction of Reserve Requirement, the amount on deposit in the Series 2022 Reserve Account in excess of the Series 2022 Reserve Requirement, as applicable and as calculated by the District shall then be transferred to the Series 2022 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, upon consultation with the Consulting Engineer, and applied as provided in this Section 4.01(a).

After the Completion Date for the Series 2022 Project, any moneys remaining in the Series 2022 Acquisition and Construction Account after retaining costs to complete the Series 2022 Project, shall be transferred to the Series 2022 General Redemption Subaccount, as directed in writing by the Issuer or the District Manager, on behalf of the Issuer to the Trustee. Except as provided in Section 5.06 hereof, only upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, shall the Trustee withdraw moneys from the Series 2022 Acquisition and Construction Account. After no funds remain therein, the Series 2022 Acquisition and Construction Account shall be closed. Notwithstanding the foregoing, the Series 2022 Acquisition and Construction Account shall not be closed until after the Conditions for Reduction of Reserve Requirement shall have occurred and the excess funds from the Series 2022 Reserve Account shall have been transferred to the Series 2022 Acquisition and Construction Account and applied in accordance with this Section 4.01(a) and Section 4.01(f) hereof. The Trustee shall not be responsible for determining the amounts in the Series 2022 Acquisition and Construction Account allocable to the respective components of the Series 2022 Project.

Pursuant to the Master Indenture, the Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the "Series 2022 Costs of Issuance Account." Net proceeds of the Series 2022 Bonds shall be deposited into the Series 2022 Costs of Issuance Account in the amount set forth in Section 2.06 of this Second Supplemental Trust Indenture. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2022 Costs of Issuance Account to pay the costs of issuing the Series 2022 Bonds. Six months after

the issuance of the Series 2022 Bonds, any moneys remaining in the Series 2022 Costs of Issuance Account in excess of the amounts requested to be disbursed by the Issuer shall be deposited into the Series 2022 Interest Account. Any deficiency in the amount allocated to pay the cost of issuing the Series 2022 Bonds shall be paid from excess Series 2022 Pledged Revenues on deposit in the Series 2022 Revenue Account as provided in Section 4.02 hereof. After no funds remain therein, the Series 2022 Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the "Series 2022 Revenue Account." Series 2022 Special Assessments (except for Prepayments of Series 2022 Special Assessments which shall be identified as such by the Issuer to the Trustee and deposited in the Series 2022 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2022 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this Second Supplemental Trust Indenture. The Trustee may conclusively rely that unless expressly indicated in writing by the District as a Prepayment upon deposit thereof with the Trustee, payments of Series 2022 Special Assessments otherwise received by the Trustee are to be deposited into the Series 2022 Revenue Account.

(c) [RESERVED].

(d) Pursuant to Section 6.04 of the Master Indenture and Section 4.02 of this Second Supplemental Trust Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the "Series 2022 Interest Account." Moneys deposited into the Series 2022 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this Second Supplemental Trust Indenture, shall be applied for the purposes provided therein and used to pay interest on the Series 2022 Bonds.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate account within the Debt Service Fund designated as the "Series 2022 Sinking Fund Account." Moneys shall be deposited into the Series 2022 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this Second Supplemental Trust Indenture, and applied for the purposes provided therein and in Section 3.01(c) of this Second Supplemental Trust Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the "Series 2022 Reserve Account." Net proceeds of the Series 2022 Bonds shall be deposited into the Series 2022 Reserve Account in the amount set forth in Section 2.06 of this Second Supplemental Trust Indenture, and such moneys, together with any other moneys deposited into the Series 2022 Reserve Account shall be applied for the purposes provided in the Master Indenture and in this Section 4.01(f) and Section 4.05 of this Second Supplemental Trust Indenture. Notwithstanding any provisions in the Master Indenture to the contrary, the Issuer covenants not to substitute the cash and Investment Securities on deposit in the Series 2022 Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Series 2022 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2022 Reserve Account and transfer any excess therein above the Reserve Requirement caused by investment earnings to the Series 2022 Revenue Account in accordance with Section 4.02 hereof.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer receives notice from the District Manager that a landowner wishes to prepay its Series 2022 Special Assessments relating to the benefited property of such landowner within the Series 2022 Assessment Area, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer, to calculate the principal amount of such Prepayment taking into account a credit against the amount of Series 2022 Prepayment Principal due by the amount of money in the Series 2022 Debt Service Reserve Account that will be in excess of the Series 2022 Reserve Requirement for the Series 2022 Bonds, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2022 Debt Service Reserve Account to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2022 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding any of the foregoing, amounts on deposit in the Series 2022 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2022 Bonds to the Series 2022 General Redemption Subaccount, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2022 Special Assessments and applied to redeem a portion of the Series 2022 Bonds is less than the principal amount of Series 2022 Bonds indebtedness attributable to such lands.

In addition, and together with the moneys transferred from the Series 2022 Reserve Account pursuant to this paragraph, if the amount on deposit in the Series 2022 General Redemption Subaccount or the Series 2022 Prepayment Subaccount, as the case may be, is not sufficient to redeem a principal amount of the Series 2022 Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Series 2022 Revenue Account to round up the amount in the Series 2022 Prepayment Subaccount or Series 2022 General Redemption Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2022 Revenue Account shall be made to pay interest on and/or principal of the Series 2022 Bonds for the redemption pursuant to Sections 3.01(b)(i) or 3.01(b)(iii) if as a result the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the "Series 2022 Bond Redemption Account" and within such Account, a "Series 2022 General Redemption Subaccount," a "Series 2022 Optional Redemption Subaccount," and

a "Series 2022 Prepayment Subaccount." Except as otherwise provided in this Second Supplemental Trust Indenture regarding Prepayments or in connection with the optional redemption of the Series 2022 Bonds, moneys to be deposited into the Series 2022 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2022 General Redemption Subaccount.

(h) Moneys that are deposited into the Series 2022 General Redemption Subaccount (including all earnings on investments held therein) shall be used to call for the extraordinary mandatory redemption (i) in whole, pursuant to Section 3.01(b)(ii) hereof, the Outstanding amount of Series 2022 Bonds or (ii) in whole or in part pursuant to Section 3.01(b)(iii) and Section 4.01(a) hereof.

(i) Moneys in the Series 2022 Prepayment Subaccount (including all earnings on investments held in such Series 2022 Prepayment Subaccount) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2022 Bonds equal to the amount of money transferred to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof.

(j) The Issuer hereby directs the Trustee to establish a separate account in the Rebate Fund designated as the "Series 2022 Rebate Account." Moneys shall be deposited into the Series 2022 Rebate Account, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Moneys on deposit in the Series 2022 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2022 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2022 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2022 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing _____ 1, 2022, to the Series 2022 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2022 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2022 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing May 1, 20__, to the Series 2022 Sinking Fund Account, an amount equal to the principal amount of Series 2022 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2022 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2022 Bonds remain Outstanding, to the Series 2022 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2022 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2022 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2022 Revenue Account to the Series 2022 Interest Account, the amount necessary to pay interest on the Series 2022 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2022 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2022 Bonds and next, any balance in the Series 2022 Revenue Account shall remain on deposit in such Series 2022 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2022 Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

Notwithstanding the foregoing, in the event of a redemption of Series 2022 Bonds from Prepayments on deposit in the Series 2022 Prepayment Subaccount, the Trustee is further authorized, upon written direction from the Issuer, to transfer from the Series 2022 Revenue Account to the Series 2022 Prepayment Subaccount sufficient funds to cause the redemption of the next closest Authorized Denomination of Series 2022 Bonds, as provided in Sections 4.01(f) and 4.01(i) hereinabove.

SECTION 4.03. Power to Issue Series 2022 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2022 Bonds, to execute and deliver the Series 2022 Indenture and to pledge the Series 2022 Pledged Revenues for the benefit of the Series 2022 Bonds to the extent set forth herein. The Series 2022 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2022 Bonds, except as otherwise permitted under the Master Indenture and Section 5.04 hereof. The Series 2022 Bonds and the provisions of the Series 2022 Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Series 2022 Indenture and all the rights of the Holders of the Series 2022 Bonds under the Series 2022 Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. Series 2022 Project to Conform to Consulting Engineer's Report. Simultaneously with the issuance of the Series 2022 Bonds, the Issuer will promptly proceed to construct or acquire the Series 2022 Project, as described in Exhibit A hereto and in the Consulting Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of Series 2022 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2022 Special Assessments may, at its option, or as a result of acceleration of the Series 2022 Special Assessments because of non-payment thereof, shall, or by operation of law, require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2022 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of

the Series 2022 Special Assessment, which shall constitute Series 2022 Prepayment Principal, plus, except as provided below, accrued interest to the next succeeding Quarterly Redemption Date (or the first succeeding Quarterly Redemption Date that is at least forty-five (45) days after such Prepayment, if such Prepayment is made within 45 calendar days before the next succeeding Quarterly Redemption Date, as the case may be), attributable to the property subject to Series 2022 Special Assessments owned by such owner. To the extent that such Prepayments are to be used to redeem Series 2022 Bonds pursuant to Section 3.01(b)(i) hereof, in the event the amount on deposit in the Series 2022 Reserve Account will exceed the Series 2022 Reserve Requirement for the Series 2022 Bonds as a result of a prepayment in accordance with this Section 4.05(a) and the resulting extraordinary mandatory redemption in accordance with Section 3.01(b)(i) of this Second Supplemental Trust Indenture of Series 2022 Bonds, the excess amount shall be transferred from the Series 2022 Reserve Account to the Series 2022 Prepayment Subaccount, as a credit against the Series 2022 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions of the Issuer to the Trustee together with a certificate of a Responsible Officer of the Issuer, upon which the Trustee may conclusively rely, stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2022 Reserve Account to equal or exceed the Series 2022 Reserve Requirement.

(b) Upon receipt of Series 2022 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official improvement lien book of the District that the Series 2022 Special Assessment has been paid in whole or in part and that such Series 2022 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Prepayments. The Trustee shall calculate the amount available for the extraordinary mandatory redemption of the applicable Series 2022 Bonds pursuant to Section 3.01(b)(i) forty-five (45) days prior to each Quarterly Redemption Date.

ARTICLE V
COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Series 2022 Special Assessments. The Series 2022 Special Assessments levied for each full year on platted lots shall be collected pursuant to the uniform method provided for in Sections 197.3632 and 197.3635 Florida Statutes, (the "Uniform Method") unless the District determines that it is in its best interests to collect directly. The Series 2022 Special Assessments levied on unplatted lots or lands shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method unless the District determines that it is in its best interests to do so. Prior to an Event of Default, the election to collect and enforce Series 2022 Special Assessments in any year pursuant to any one method shall not, to the extent permitted by law, preclude the District from electing to collect and enforce Series 2022 Special Assessments pursuant to any other method permitted by law in any subsequent year. Following an Event of Default, Series 2022 Special Assessments levied on platted lots shall be collected pursuant to the Uniform Method and Series 2022 Special Assessments levied on unplatted lots or lands shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless the Trustee, acting at the direction of the Majority Holders of the Series 2022 Bonds Outstanding, provides written consent to a different method of collection. All Series 2022 Special Assessments that are billed and collected directly by the District and not via the Uniform Method shall be due and payable by the landowner no later than thirty (30) days prior to each Interest Payment Date; provided, however, that such Series 2022 Special Assessments shall not be deemed to be delinquent unless and until they are not paid by the applicable Interest Payment Date with respect to which they have been billed. The assessment methodology shall not be materially mended with the written consent of the Majority Holders.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer and the Series 2022 Landowner have executed and delivered a Continuing Disclosure Agreement in order to assist the Underwriter in complying with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of the Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds and Accounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Funds, Accounts and subaccounts therein created hereunder.

SECTION 5.04. Additional Bonds. The Issuer covenants not to issue any other Bonds or other debt obligations secured by the Series 2022 Special Assessments. In addition, the Issuer covenants not to issue any other Bonds or debt obligations for capital projects, secured by Special Assessments on the assessable lands within the District that are subject to the Series 2022 Special Assessments, until the Series 2022 Special Assessments are Substantially Absorbed. The District shall present the Trustee with a certification that the Series 2022 Special Assessments are Substantially Absorbed and the Trustee may rely conclusively upon such

certification and shall have no duty to verify if the Series 2022 Special Assessments are Substantially Absorbed. In the absence of such written certification, the Trustee is entitled to assume that the Series 2022 Special Assessments have not been Substantially Absorbed. FORM OF BOND PURCHASE CONTRACT

**RHODINE ROAD NORTH COMMUNITY DEVELOPMENT DISTRICT
(HILLSBOROUGH COUNTY, FLORIDA)**

§ _____
SPECIAL ASSESSMENT BONDS, SERIES 2021

BOND PURCHASE CONTRACT

_____, 2021

Board of Supervisors
Rhodine Road North Community Development District
Hillsborough County, Florida

Dear Ladies and Gentlemen:

FMSbonds, Inc. (the "Underwriter") offers to enter into this Bond Purchase Contract (the "Purchase Contract") with Rhodine Road North Community Development District (the "District"). The District is located entirely within unincorporated Hillsborough County, Florida (the "County"). This offer of the Underwriter shall, unless accepted by the District, acting through its Board of Supervisors (the "Board"), expire at [12:00 P.M.] prevailing time within the jurisdiction of the District on the date hereof, unless previously withdrawn or extended in writing by the Underwriter. This Purchase Contract shall be binding upon the District and the Underwriter upon execution and delivery. Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (as hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statements attached hereto as Exhibit A.

1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its \$_____ aggregate principal amount of Rhodine Road North Community Development District Special Assessment Bonds, Series 2021 (the "Bonds"). The Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Series 2021 Bonds shall be \$_____ (representing the \$_____ aggregate principal amount of the Series 2021 Bonds, [plus/less net original issue premium/discount of \$_____ and] less underwriter's discount of \$_____). The payment for and delivery of the Bonds and the other actions contemplated hereby to take place at the Closing Date (as hereinafter defined) being hereinafter referred to as the "Closing."

2. The Bonds. The Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the "State"), created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (the "Act"), and by Ordinance No. 18-35 duly enacted by the County Commission (the "County

Commission") of the County on December 11, 2018 (the "Original Ordinance"), as amended by Ordinance No. 19-18 on August 15, 2019 (the "First Expansion Ordinance"), and further amended by Ordinance No. 21-27 on July 21, 2021 (the "Second Expansion Ordinance", and together with the Original Ordinance and the First Expansion Ordinance, the "Ordinance"). The Series 2021 Bonds are being issued pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of June 1, 2019 (the "Master Indenture"), as supplemented by a Second Supplemental Trust Indenture dated as of _____ 1, 2021 (the "Second Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank National Association, as trustee (the "Trustee"), and Resolution No. 2019-24 and Resolution No. 2022-02 adopted by the Board on December 19, 2018 and November 11, 2021, respectively (collectively, the "Bond Resolution"). The Series 2021 Special Assessments, the revenues from which constitute part of the Series 2021 Pledged Revenues, have been, or will be prior to the time of Closing, levied by the District on the lands within the District specially benefited by the Series 2021 Project pursuant to the Assessment Resolutions (as such terms are defined in the Series 2021 Indenture).

3. Limited Offering; Establishment of Issue Price. It shall be a condition to the District's obligation to sell and to deliver the Bonds to the Underwriter, and to the Underwriter's obligation to purchase, accept delivery of and pay for the Bonds, that the entire principal amount of the Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, in a form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

(b) Except as otherwise indicated in Exhibit B, the District will treat the first price at which 10% of each maturity of the Bonds (the "10% test") is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which the Underwriter has sold to the public each maturity of Bonds. If at that time the 10% test has not been satisfied as to any maturity, the Underwriter agrees to promptly report to the District the prices at which the Bonds of that maturity have been sold by the Underwriter to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold to the public provided that, the Underwriter's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Issuer or bond counsel. For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

(c) The Underwriter confirms that it has offered the Bonds to accredited investors constituting the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit B attached hereto, except as otherwise set forth therein. Exhibit B also sets forth, as of the date of this Purchase Contract, the maturities of the Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the District promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

(d) The Underwriter confirms that:

(i) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A) (i) to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(e) The District acknowledges that, in making the representations set forth in this section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The District further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.

(f) The Underwriter acknowledges that sales of any [Bond] to any person that is a related party to an Underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the Underwriter to form an underwriting

syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date of execution of this Purchase Contract by all parties.

5. Definitions. For purposes hereof, (a) this Purchase Contract, the Bonds, the Indenture, the Continuing Disclosure Agreement to be dated as of the Closing Date, by and among the District, Clayton Properties Group, Inc., a Tennessee corporation doing business as Highland Homes, (the "Developer"), and Governmental Management Services - Central Florida, LLC, a Florida limited liability company, as dissemination agent (the "Dissemination Agent"), the Trustee and the District Manager in substantially the form attached to the Preliminary Limited Offering Memorandum as APPENDIX D thereto (the "Disclosure Agreement") and the DTC Blanket Issuer Letter of Representations entered into by the District are referred to herein collectively as the "Financing Documents" and (b) [the Agreement Regarding the Completion of Certain Improvements by and between the District and the Developer dated as of the Closing Date (the "Completion Agreement"), the Agreement Regarding the Acquisition of Real Property by and between the District and the Developer dated as of the Closing Date (the "Acquisition Agreement"), the Collateral Assignment and Assumption of Development Rights Relating to the Series 2021 Project by and between the District and the Developer dated as of the Closing Date in recordable form (the "Collateral Assignment"), and the Agreement Regarding True-Up by and between the District and the Developer dated as of the Closing Date in recordable form (the "True-Up Agreement")] are collectively referred to herein as the "Ancillary Agreements."

6. Representations, Warranties and Agreements. The District hereby represents, warrants and agrees as follows:

(a) The Board is the governing body of the District and the District is and will be on the Closing Date duly organized and validly existing as a unit of special-purpose government created pursuant to the Constitution and laws of the State, including, without limitation, the Act;

(b) The District has full legal right, power and authority to: (i) adopt the Bond Resolution and the Assessment Resolutions; (ii) enter into the Financing Documents and Ancillary Agreements; (iii) sell, issue and deliver the Bonds to the Underwriter as provided herein; (iv) apply the proceeds of the sale of the Bonds for the purposes described in the Limited Offering Memoranda; (v) authorize and acknowledge the use of the Limited Offering Memoranda and authorize the execution of the Limited Offering Memorandum; and (vi) carry out and consummate the transactions contemplated by the Bond Resolution, the Assessment Resolutions, the Financing Documents, the Ancillary Agreements, and the Limited Offering Memoranda. The District has complied, and on the Closing Date will be in compliance in all material respects, with the terms of the Act and with the obligations on its part contained in the Bond Resolution, the Assessment Resolutions, the Financing Documents, the Ancillary Agreements and the Bonds;

(c) At meetings of the Board that were duly called and noticed and at which a quorum was present and acting throughout, the Board duly adopted the Bond Resolution and the Assessment Resolutions, and the same are in full force and effect and have not been supplemented, amended, modified or repealed, except as set forth therein. By all necessary official Board action, the District has duly authorized and approved the use and delivery of the Preliminary Limited Offering Memorandum and the execution and delivery of the Financing Documents, the Ancillary Agreements, the Bonds and the Limited Offering Memorandum, has duly authorized and approved the performance by the District of the obligations on its part contained in the Financing Documents, the Ancillary Agreements and the Bonds and the consummation by it of all other transactions contemplated by this Purchase Contract and the Limited Offering Memoranda in connection with the issuance of the Bonds. Upon execution and delivery by the District and the Trustee (and assuming the due authorization, execution and delivery of the Indenture by the Trustee), the Indenture will constitute a legal, valid and binding obligation of the District, enforceable in accordance with its terms, subject only to applicable bankruptcy, insolvency, and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law). Upon execution by the District and the other parties thereto (and assuming the due authorization, execution and delivery of such agreements by the other parties thereto) the Financing Documents and the Ancillary Agreements will constitute the legal, valid and binding obligations of the District, enforceable in accordance with their respective terms; subject only to applicable bankruptcy, insolvency and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law);

(d) Except as may be expressly disclosed in the Preliminary Limited Offering Memorandum, the District is not in material breach of or material default under any applicable provision of the Act or any applicable constitutional provision or statute or, to the best of its knowledge, administrative regulation of the State or the United States of America or any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement, or other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of its knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or material event of default

under any such instrument; and the execution and delivery of the Bonds, the Financing Documents, the Ancillary Agreements and the Limited Offering Memorandum, the approval of the delivery of the Preliminary Limited Offering Memorandum, and the adoption of the Bond Resolution and the Assessment Resolutions, and compliance with the provisions on the District's part contained therein, will not conflict with or constitute a material breach of or material default under any applicable constitutional provision, or law, or, to the best of its knowledge, any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement, or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption, or compliance result in the creation or imposition of any lien, charge, or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as provided by the Assessment Resolutions, the Bonds and the Indenture. To the best of its knowledge, no event has occurred which, with the lapse of time or the giving of notice, or both, would constitute an event of default (as therein defined) under the Bonds, the Financing Documents or the Ancillary Agreements;

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matters which are required for the due authorization by, or which would constitute a condition precedent to, or the absence of which would materially adversely affect, the due performance by the District of its obligations, to issue the Bonds, or under the Bonds, the Bond Resolution, the Assessment Resolutions, Financing Documents or the Ancillary Agreements have been duly obtained, except for such approvals, consents and orders as may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Bonds;

(f) The descriptions of the Bonds, the Financing Documents, the Ancillary Agreements and the Series 2021 Project to the extent referred to in the Limited Offering Memoranda, conform in all material respects to the Bonds, the Financing Documents, the Ancillary Agreements and the Series 2021 Project, respectively;

(g) The Bonds, when issued, executed and delivered in accordance with the Indenture and when sold to the Underwriter as provided herein, will be validly issued and outstanding obligations of the District, entitled to the benefits of the Indenture and upon such issuance, execution and delivery of the Bonds, the Indenture will provide, for the benefit of the holders from time to time of the Bonds, a legally valid and binding pledge of and first lien on the Series 2021 Pledged Revenues. On the Closing Date, all conditions precedent to the issuance of the Bonds set forth in the Indenture will have been complied with or fulfilled;

(h) As of the date hereof, there is no claim, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to its best knowledge, threatened against the District: (i) contesting the corporate existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (ii) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Bonds or the application of the proceeds of the sale thereof

for the purposes described in the Limited Offering Memoranda or the collection of the Series 2021 Special Assessments or the pledge of and lien on the Series 2021 Pledged Revenues, pursuant to the Indenture; (iii) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District in any respect relating to the authorization for the issuance of the Bonds, or the authorization of the Series 2021 Project, the Bond Resolution, the Assessment Resolutions, the Financing Documents and Ancillary Agreements to which the District is a party, or the application of the proceeds of the Bonds for the purposes set forth in the Limited Offering Memoranda; (iv) contesting the federal tax status of the Bonds; or (v) contesting the completeness or accuracy of the Limited Offering Memoranda or any supplement or amendment thereto;

(i) To the extent applicable, the District will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order to: (i) qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate; and (ii) determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions, and the District will use its best efforts to continue such qualifications in effect so long as required for the initial limited offering and distribution of the Bonds; provided, however, that the District shall not be required to execute a general or special consent to service of process or to qualify to do business in connection with any such qualification or determination in any jurisdiction or register as a broker/dealer;

(j) As of its date (unless an event occurs of the nature described in paragraph (1) of this Section 6) and at all times subsequent thereto, up to and including the date hereof the statements and information contained in the Preliminary Limited Offering Memorandum (other than Permitted Omissions) and in the Limited Offering Memorandum are and will be accurate in all material respects for the purposes for which their use is authorized and do not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained in the Limited Offering Memoranda under the captions "DESCRIPTION OF THE SERIES 2021 BONDS – Book-Entry Only System," "THE DEVELOPMENT," "THE DEVELOPER," "TAX MATTERS," "SUITABILITY FOR INVESTMENT," "LITIGATION – The Developer," "UNDERWRITING" and, with respect to the Developer, as set forth under the caption "CONTINUING DISCLOSURE";

This opinion may not be relied on by any other party or for any other purpose without our prior written consent.

C. OPINIONS

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government and a community development district under Chapter 190, Florida Statutes (the "Act"), with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Indenture, the Bonds and the Bond Agreements; (b) to issue the Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the Pledged Revenues to secure the Bonds as provided in the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the Bonds and the Indenture.

2. **Assessments** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to levy and impose the Debt Assessments as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Agreements** – The (a) Bond Resolution, (b) Assessment Resolution, (c) Bonds, (d) Indenture, and (e) Bond Agreements (assuming due authorization, execution and delivery of documents (c) – (e) listed herein by any parties thereto other than the District) have been duly and validly authorized, executed and delivered by the District, have been duly approved and adopted and/or issued by the District, are in full force and effect, constitute legal, valid and binding obligations of the District, and are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indenture as precedent to the issuance of the Bonds have been fulfilled.

4. **Validation** – The Bonds have been validated by a final judgment of the Circuit Court in and for Polk County, Florida, of which no timely appeals were filed.

5. **Governmental Approvals** – As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution and delivery of the Bonds upon the terms set forth in the BPA, PLOM, and LOM; (c) the execution and delivery of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. **PLOM and LOM** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our review of the PLOM and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM and LOM, and as of the date of their respective issuances, and with respect to the PLOM, the date of the BPA, and with respect to the LOM, the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS – Prepayment of Series 2021 Special Assessments" (as to the first two paragraphs thereof), "ENFORCEMENT OF ASSESSMENT COLLECTIONS," "THE DISTRICT" (excluding the subcaption "The District Manager and Other Consultants"), "THE DEVELOPMENT – Developer Agreements" (solely as to the description of the agreements), "AGREEMENT BY THE STATE," "LEGALITY FOR INVESTMENT," "LITIGATION – The District," "CONTINUING DISCLOSURE" (as it relates to the District only), "VALIDATION," and "AUTHORIZATION AND APPROVAL," and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the Bonds or the Indenture. No information or opinion is offered as to any remaining provisions of the PLOM or LOM.

7. **Litigation** – As the District's Registered Agent for service of process and the fact that we have not been served with notice, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the Pledged Revenues pledged for the payment of the debt service on the Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the

issuance of the Bonds or the validity or enforceability of the Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. ***Authority to Undertake the Project*** – The District has good right and lawful authority under the Act to undertake, finance, acquire, construct, own, and operate the Series 2021 Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

Such assumptions do not apply to District documents.

E. CERTAIN QUALIFICATIONS

The foregoing opinions are subject to the following qualifications:

1. The opinions or statements expressed above are based solely on the laws of Florida in effect at the time of issuance of the Bonds. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of the federal government (including but not limited to the Internal Revenue Code or any proposed changes thereto), or any other state or other jurisdiction.

2. Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws, relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court.

3. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws or federal securities laws, as to which no opinion is expressed.

4. We further express no opinion as to the necessity for an interest rate waiver under Florida law, or the applicability of any provision or section of the Internal Revenue Code.

5. We express no opinion and make no representations with regard to financial information or statistical data. We express no opinion as to compliance with any state or federal tax laws.

6. We have not reviewed, and therefore express no opinion, regarding any land use, real property or other related items, including but not limited to whether the Developer is able to convey good and marketable title to any particular real property or interest therein and related to the Series 2021 Project.

7. With respect to any of the opinions set forth in this letter which are based on or qualified by the phrase "to our knowledge," the words "to our knowledge" signify that, in the course of our representation of the District, no facts have come to our attention that would give us actual knowledge that any such opinions or other matters are not accurate. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to our knowledge of the existence of such facts should be drawn from the fact of our representation of District.

8. The opinions set forth herein are based on factual representations made to us as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of a particular result, and are not binding on the courts or any other entity; rather, our opinions represent our professional judgment based on our review of existing law, and in reliance on the representations and covenants that we deem relevant to such opinions

Re: \$_____ Rhodine Road North Community Development District Special
Assessment Bonds, Series 2021 (the "Bonds")

Ladies and Gentlemen:

I am counsel to Clayton Properties Group, Inc., a Tennessee corporation (the "Developer"), which is the owner of certain land within the planned community located in the Hillsborough County, Florida and commonly referred to as "Ridgewood," as such lands are described in the Limited Offering Memoranda (as hereinafter defined). This opinion is rendered at the request of the Developer in connection with the issuance by the Rhodine Road North Community Development District (the "District") of the above-referenced Bonds, as further described in the District's Preliminary Limited Offering Memorandum dated _____, 2021 and the District's final Limited Offering Memorandum, dated _____, 2021, including the appendices attached thereto (collectively, the "Limiting Offering Memoranda"). Capitalized terms not defined herein shall have the meaning set forth in the Limited Offering Memoranda.

It is my understanding that the Series 2021 Bonds are being issued for the purposes of: (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2021 Project, (ii) funding a deposit to the Series 2021 Reserve Account in the amount of the Series 2021 Reserve Requirement, (iii) paying a portion of the interest coming due on the Series 2021 Bonds and (iv) paying the costs of issuance of the Series 2021 Bonds.

In my capacity as counsel to the Developer, I have examined originals or copies identified to my satisfaction as being true copies of the Limiting Offering Memoranda, the Continuing Disclosure Agreement to be dated as of the Closing Date (the "Continuing Disclosure Agreement"), by and among the District, the Developer, and Governmental Management Services – Central Florida, LLC, as dissemination agent, the Agreement Regarding the Completion of Certain Improvements by and between the District and the Developer dated as of the Closing Date (the "Completion Agreement"), the Agreement Regarding the Acquisition of Real Property by and between the District and the Developer dated as of the Closing Date (the "Acquisition Agreement"), the Collateral Assignment and Assumption of Development Rights Relating to the Series 2021 Project by and between the District and the Developer dated as of the Closing Date (the "Collateral Assignment"), the Agreement Regarding True-Up as to Series 2021 by and between the District and the Developer dated as of the Closing Date (the "True-Up Agreement"), and the Declaration of Consent to Jurisdiction of the District, Imposition of Special Assessments and Imposition of Lien of Record dated as of the Closing Date and executed by the Developer (the "Declaration of Consent") (collectively, the "Documents") and have made such examination of law as I have deemed necessary or appropriate in rendering this opinion. In connection with the forgoing, I also have reviewed and examined (i) the Operating Agreement of the Developer dated as of _____, 20__, and the Developer's Articles of Organization filed on _____, 20__, and (ii) a certificate of good standing issued by the State of Florida for the Developer on _____, 2021 (collectively, the "Organizational Documents").

In rendering this opinion, I have assumed, without having made any independent investigation of the facts, the genuineness of all signatures (other than those of the Developer) and the authenticity of all documents submitted to me as originals and the conformity to original documents of all documents submitted to me as certified, conformed or photostatic copies, and the legal capacity of all natural persons.

In basing the opinions set forth in this opinion on "my knowledge," the words "my knowledge" signify that, in the course of my representation of Developer, no facts have come to my attention that would give me actual knowledge or actual notice that any such opinions or other matters are not accurate. Except as otherwise stated in this opinion, I have undertaken no investigation or verification of such matters.

Based on the forgoing, I am of the opinion that:

1. The Developer is a limited liability company organized and existing under the laws of the State of Florida.
2. The Developer has the power to conduct its business and to undertake the funding of the development of the lands in the District as described in the Limited Offering Memoranda and to enter into the Documents.
3. The Documents have been duly authorized, executed and delivered by the Developer and are in full force and effect. Assuming the due authorization, execution and delivery of such instruments by the other parties thereto and their authority to perform such instruments, the Documents constitute legal, valid and binding obligations of the Developer, enforceable in accordance with their respective terms.

4. Nothing has come to my attention that would lead me to believe the information contained in the Limited Offering Memoranda under the captions "THE DEVELOPMENT," "THE DEVELOPER," "LITIGATION – The Developer," and "CONTINUING DISCLOSURE" (as it relates to the Developer only) does not accurately and fairly present the information purported to be shown or contains any untrue statement of a material fact nor omits to state any material fact necessary to make the statement made therein, in light of the circumstances under which they were made, not misleading as of the dates of the Limited Offering Memoranda or as of the date hereof.

5. The execution, delivery and performance of the Documents by the Developer do not violate (i) the operating agreements of the Developer, (ii) to my knowledge, any agreement, instrument or Federal or Florida law, rule or regulation known to me to which the Developer is a party or by which any of such entity's assets are or may be bound; or (iii) to my knowledge, any judgment, decree or order of any administrative tribunal, which judgment, decree, or order is binding on the Developer or its assets.

6. Nothing has come to my attention that would lead me to believe that the Landowner is not in compliance in all material respects with all provisions of applicable law in all material matters relating to such entity as described in the Limited Offering Memoranda. Except as otherwise described in the Limited Offering Memoranda, (a) I have no knowledge that the Developer has not received all government permits, consents and licenses required in connection with the construction and completion of the development of the Series 2021 Project and the lands in the District as described in the Limited Offering Memoranda; (b) I have no knowledge of any default of any zoning condition, land use permit or development agreement which would adversely affect the Developer's ability to complete development of the Series 2021 Project and the lands in the District as described in the Limited Offering Memoranda and all appendices thereto; and (c) I have no knowledge and am not otherwise aware of any reason to believe that any permits, consents and licenses required to complete the development of the lands in the District as described in the Limited Offering Memoranda will not be obtained in due course as required by the Developer.

7. To the best of my knowledge after due inquiry, the levy of the Series 2021 Special Assessments on the applicable lands within the District will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which the Developer is a party or to which the Developer or any of its property or assets are subject.

8. To the best of my knowledge after due inquiry, there is no litigation pending which would prevent or prohibit the development of the Series 2021 Project or the lands in the District in accordance with the descriptions thereof in the Limited Offering Memoranda and the Engineer's Report annexed thereto or which may result in any material adverse change in the respective business, properties, assets or financial condition of the Developer.

9. To the best of my knowledge after due inquiry, the Developer has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. To the best of my knowledge after due inquiry, the Developer has not indicated its consent to, or approval of, or failed to object timely to, any petition

in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

10. To the best of my knowledge after due inquiry, the Developer is not in default under any mortgage, trust indenture, lease or other instrument to which it or any of its assets are subject, which default would have a material adverse effect on the Series 2021 Bonds or the development of the Series 2021 Project or the lands in the District.

This opinion is given as of the date hereof, and I disclaim any obligation to update this opinion letter for events occurring after the date of this opinion letter. The foregoing opinion applies only with respect to the laws of the State of Florida and the federal laws of the United States of America and I express no opinion with respect to the laws of any other jurisdiction. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws, as to which no opinion is expressed. This letter is for the benefit of and may be relied upon solely by the addressees and this opinion may not be relied upon in any manner, nor used, by any other persons or entities.

My opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws relating to or affecting creditor's rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases.

Very truly yours,

LIMITED OFFERING MEMORANDUM

**RHODINE ROAD NORTH COMMUNITY DEVELOPMENT DISTRICT
(HILLSBOROUGH COUNTY, FLORIDA)**

**§ _____*
SPECIAL ASSESSMENT BONDS, SERIES 2021**

INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page, inside cover and appendices hereto, is to provide certain information in connection with the issuance and sale by Rhodine Road North Community Development District (the "District" or the "Issuer") of its \$ _____* aggregate principal amount of Special Assessment Bonds, Series 2021 (the "Series 2021 Bonds").

PROSPECTIVE INVESTORS SHOULD BE AWARE OF CERTAIN RISK FACTORS, ANY OF WHICH, IF MATERIALIZED TO A SUFFICIENT DEGREE, COULD DELAY OR PREVENT PAYMENT OF PRINCIPAL OF AND/OR INTEREST ON THE SERIES 2021 BONDS. THE SERIES 2021 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2021 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES PROMULGATED THEREUNDER. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFER IN ANY SECONDARY MARKET FOR THE SERIES 2021 BONDS. See "SUITABILITY FOR INVESTMENT" and "BONDOWNERS' RISKS" herein.

The District is a local unit of special-purpose government of the State of Florida (the "State"), created in accordance with the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 18-35 duly enacted by the County Commission (the "County Commission") of Hillsborough County, Florida (the "County") on December 11, 2018 (the "Original Ordinance"), as amended by Ordinance No. 19-18 on August 15, 2019 (the "First Expansion Ordinance"), and further amended by Ordinance No. 21-27 on July 21, 2021 (the "Second Expansion Ordinance" and, together with the Original Ordinance and the First Expansion Ordinance, the "Ordinance"). The District was established for the purpose of financing the acquisition and construction of and managing the maintenance and operation of certain community development services and facilities within and without its boundaries. The Act authorizes the District to issue bonds for purposes, among others, of financing and refinancing the costs of planning, financing, acquisition, design construction, reconstruction, equipping and installation of potable water and wastewater facilities.

The District encompasses approximately 180.64 gross acres of land (the "District Lands") and is located within unincorporated Hillsborough County. The District Lands are being developed as a residential community known as "Ridgewood" (the "Development"). At buildout, the Development is expected to consist of approximately 594 single-family homes, recreation and amenity areas, parks and associated infrastructure. See "THE DEVELOPMENT" herein for more information.

The District Lands are being developed in phases. Two Assessment Areas have been created to facilitate the District's development and financing plans. The District previously issued its Series 2019

* Preliminary, subject to change.

Bonds in order to finance a portion of the public infrastructure improvements associated with the Series 2019 Assessment Area, which consists of approximately 119.37 acres of land planned for 401 single-family homes (the "Series 2019 Project"). The Series 2019 Project [is complete, all 401 lots have been developed and platted.] See "THE DEVELOPMENT – Update on the Series 2019 Assessment Area" herein for more information.

The Series 2021 Bonds are being issued to finance a portion of the public infrastructure improvements associated with the Series 2021 Assessment Area, which consists of approximately 61.27 acres of land planned for 193 single-family homes (the "Series 2021 Project"). The Series 2021 Bonds will be secured by the Series 2021 Special Assessments which will initially be levied on the 61.27 acres which comprise the Series 2021 Assessment Area. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and APPENDIX D: ASSESSMENT METHODOLOGY hereto for more information regarding the Series 2021 Special Assessments.

Clayton Properties Group, Inc., a Tennessee corporation doing business as Highland Homes and a wholly owned subsidiary of Berkshire Hathaway (the "Developer"), owns all of the lands within the Series 2021 Assessment Area and is the developer and homebuilder of the Series 2021 Project. See "THE DEVELOPER" herein for more information.

The Series 2021 Bonds are being issued pursuant to the Act, Resolution No. 2019-24 and Resolution No. 2022-02 adopted by the Board of Supervisors (the "Board") of the District on December 19, 2018 and November 11, 2021, respectively (collectively, the "Resolution"), and a Master Trust Indenture dated as of June 1, 2019 (the "Master Indenture"), as supplemented by a Second Supplemental Trust Indenture, dated as _____ 1, 2021 (the "Second Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank National Association, as trustee (the "Trustee"). Capitalized terms not otherwise defined herein shall have the meanings assigned to them in the Indenture. See "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" hereto.

The Series 2021 Bonds are being issued for the purposes of: (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2021 Project (as defined herein), (ii) funding a deposit to the Series 2021 Reserve Account in the amount of the Series 2021 Reserve Requirement (each as defined herein), (iii) paying a portion of the interest coming due on the Series 2021 Bonds and (iv) paying the costs of issuance of the Series 2021 Bonds. See "ESTIMATED SOURCES AND USES OF FUNDS" herein.

The Series 2021 Bonds are payable from and secured solely by the Series 2021 Pledged Revenues. The Series 2021 Pledged Revenues for the Series 2021 Bonds consist of (a) all revenues received by the District from the Series 2021 Special Assessments (as defined herein) levied and collected on the assessable lands within the Series 2021 Assessment Area benefitted by the Series 2021 Project, including without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2021 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2021 Special Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Indenture, created and established with respect to or for the benefit of the Series 2021 Bonds; provided, however, that the Series 2021 Pledged Revenues shall not include (A) any moneys transferred to the Series 2021 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2021 Costs of Issuance Account of the Acquisition and Construction Fund and (C) "special assessments" levied and collected by the District under Section 190.022, Florida Statutes, for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3), Florida Statutes (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described

in the foregoing clauses of (A), (B) and (C) of this proviso). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS" herein.

Set forth herein are brief descriptions of the District, the Series 2021 Assessment Area, the Series 2021 Project, the Developer and the Development, together with summaries of terms of Series 2021 Bonds, the Indenture, and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and the Act and all references to the Series 2021 Bonds are qualified by reference to the definitive forms thereof and the information with respect thereto contained in the Indenture. A copy of the Master Indenture and proposed form of the Second Supplemental Indenture appear as APPENDIX B attached hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

DESCRIPTION OF THE SERIES 2021 BONDS

General Description

The Series 2021 Bonds will be dated the date, will bear interest at the rates per annum (computed on the basis of a 360-day year consisting of twelve 30-day months) and, subject to the redemption provisions set forth below, will mature on the dates and in the amounts set forth on the inside cover pages of this Limited Offering Memorandum. Interest on the Series 2021 Bonds will be payable semi-annually on each May 1 and November 1, commencing May 1, 2022, until maturity or prior redemption. U.S. Bank National Association is the initial Trustee, Paying Agent and Registrar for the Series 2021 Bonds.

The Series 2021 Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof provided, except as otherwise provided in the Indenture. The Series 2021 Bonds will initially be offered only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules of the Florida Department of Financial Services promulgated thereunder; provided, however, the limitation of the initial offering to accredited investors does not denote restrictions on transfer in any secondary market for the Series 2021 Bonds. See "SUITABILITY FOR INVESTMENT" herein.

Upon initial issuance, the Series 2021 Bonds shall be issued as one fully registered bond for each maturity of Series 2021 Bonds and deposited with The Depository Trust Company ("DTC"), New York, New York, which is responsible for establishing and maintaining records of ownership for its participants. As long as the Series 2021 Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes of the Indenture. DTC shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants ("DTC Participants") and other institutions that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly ("Indirect Participants"). The DTC Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Series 2021 Bonds ("Beneficial Owners"). Principal and interest on the Series 2021 Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to DTC Participants shall be the responsibility of DTC. Payments by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners shall be the responsibility of DTC Participants and Indirect Participants and not of DTC, the Trustee or the District. During the period for which Cede & Co. is registered owner of the Series 2021 Bonds, any notices to be provided to any Beneficial Owner will be provided to Cede & Co. DTC shall be responsible for notices to DTC Participants and DTC Participants shall be responsible for notices to Indirect Participants, and DTC Participants and Indirect Participants shall be responsible for notices to Beneficial Owners. In the event

DTC, any successor of DTC or the District, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system for the Series 2021 Bonds, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor, and after such time the Series 2021 Bonds may be exchanged for an equal aggregate principal amount of such Series 2021 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee. See "– Book-Entry Only System" herein.

Redemption Provisions

Optional Redemption

The Series 2021 Bonds maturing [on or after] May 1, 20__ may, at the option of the District be called for redemption prior to maturity as a whole or in part, at any time, [on or after] May 1, 20__ (less than all Series 2021 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2021 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date through which interest has been paid to the redemption date from moneys on deposit in the Series 2021 Optional Redemption Subaccount of the Series 2021 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2021 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2021 Bonds is substantially level.

The Series 2021 Bonds maturing on May 1, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2021 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a Redemption Price of 100% of their principal amount plus accrued interest to the date of redemption.

Upon any redemption of Series 2021 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2021 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2021 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2021 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption amount is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption

The Series 2021 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2021 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

- (i) from Series 2021 Prepayment Principal deposited into the Series 2021 Prepayment Subaccount of the Series 2021 Bond Redemption Account following the payment in whole or in part of Series 2021 Special Assessments on any assessable property within the Series 2021 Assessment Area in

accordance with the provisions of the Second Supplemental Indenture, together with any excess moneys transferred by the Trustee from the Series 2021 Reserve Account to the Series 2021 Prepayment Subaccount as a result of such Series 2021 Prepayment and pursuant to the Second Supplemental Indenture. If such redemption shall be in part, the District shall select such principal amount of Series 2021 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2021 Bonds is substantially level.

(ii) from moneys, if any, on deposit in the Funds, Accounts and subaccounts held by the Trustee under the Second Supplemental Indenture (other than the Series 2021 Rebate Fund and the Series 2021 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2021 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture.

(iii) upon the Completion Date, from any funds remaining on deposit in the Series 2021 Acquisition and Construction Account in accordance with the provisions of the Second Supplemental Indenture, not otherwise reserved to complete the Series 2021 Project and transferred to the Series 2021 General Redemption Subaccount of the Series 2021 Bond Redemption Account, together with moneys on deposit as a result of the recalculation of the Series 2021 Reserve Requirement. If such redemption shall be in part, the District shall select such principal amount of Series 2021 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2021 Bonds is substantially level.

Notice of Redemption

When required to redeem or purchase Series 2021 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be mailed at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2021 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2021 Bonds for which notice was duly mailed in accordance with the Indenture. If, at the time of mailing of notice of an optional redemption, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all of the Series 2021 Bonds called for redemption, such notice shall expressly state that the redemption is conditional and is subject to the deposit of the redemption moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption date or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

Book-Entry Only System

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2021 Bonds. The Series 2021 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2021 Bond certificate will be issued for each maturity of the Series 2021 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues

of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2021 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2021 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2021 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2021 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2021 Bonds, except in the event that use of the book-entry system for the Series 2021 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2021 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2021 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2021 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2021 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2021 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2021 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2021 Bond documents. For example, Beneficial Owners of Series 2021 Bonds may wish to ascertain that the nominee holding the Series 2021 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2021 Bonds within a series or maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such series or maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2021 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2021 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2021 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Series 2021 Bonds purchased or tendered, through its Participant, to the Trustee, and shall effect delivery of such Series 2021 Bonds by causing the Direct Participant to transfer the Participant's interest in the Series 2021 Bonds, on DTC's records, to the Trustee. The requirement for physical delivery of Series 2021 Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Series 2021 Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Series 2021 Bonds to the Trustee's DTC account.

DTC may discontinue providing its services as depository with respect to the Series 2021 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2021 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository) pursuant to the procedures of DTC. In that event, Security certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the District believes to be reliable, but the District takes no responsibility for the accuracy thereof.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS

General

THE SERIES 2021 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE SERIES 2021 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE, AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE COUNTY, THE STATE OF FLORIDA (THE "STATE"), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE

PAYMENT OF THE SERIES 2021 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION SERIES 2021 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2021 BONDS. THE SERIES 2021 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2021 Bonds are payable from and secured solely by the Series 2021 Pledged Revenues. The Series 2021 Pledged Revenues for the Series 2021 Bonds consist of (a) all revenues received by the District from the Series 2021 Special Assessments (as defined herein) levied and collected on the assessable lands within the Series 2021 Assessment Area, including without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2021 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2021 Special Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Indenture, created and established with respect to or for the benefit of the Series 2021 Bonds; provided, however, that the Series 2021 Pledged Revenues shall not include (A) any moneys transferred to the Series 2021 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2021 Costs of Issuance Account of the Acquisition and Construction Fund and (C) "special assessments" levied and collected by the District under Section 190.022, Florida Statutes, for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3), Florida Statutes (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses of (A), (B) and (C) of this proviso).

The "Series 2021 Special Assessments" consist of the non-ad valorem special assessments imposed and levied by the District against the assessable lands within the District specially benefited by the Series 2021 Project, or any portions thereof, pursuant to Section 190.022 of the Act, Chapters 170 and 197, Florida Statutes, and the Assessment Resolutions (as defined in the Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the "Assessment Proceedings"). Non-ad valorem assessments are not based on millage and are not taxes, but constitute a lien against the land as to which the Series 2021 Special Assessments are imposed, including homestead property as permitted in Section 4, Article X of the Florida State Constitution. The Series 2021 Special Assessments will constitute a lien against the land as to which the Series 2021 Special Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

The Series 2021 Special Assessments are levied in an amount corresponding to the debt service on the Series 2021 Bonds on the basis of benefit received by the assessable lands within the District as a result of the Series 2021 Project. The Assessment Methodology (as hereinafter defined), which describes the methodology for allocating the Series 2021 Special Assessments to the assessable lands within the District (i.e., the Series 2021 Assessment Area), is included as APPENDIX E attached hereto.

In the Master Indenture, the District will covenant that, if any Series 2021 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2021 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2021 Special Assessment when it might have done so, the District shall either (i) take all necessary steps to cause a new Series 2021 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement or (ii) in its sole discretion, make up the amount of such Series 2021 Special Assessment from any legally available moneys, which shall be deposited into the Series 2021 Revenue Account. In the case such second Series 2021 Special Assessment shall be annulled, the District

shall obtain and make other Series 2021 Special Assessments until a valid Series 2021 Special Assessment shall be made.

Prepayment of Series 2021 Special Assessments

The Assessment Proceedings provide that an owner of property subject to the Series 2021 Special Assessments may prepay the entire remaining balance of such Series 2021 Special Assessments at any time, or a portion of the remaining balance of such Series 2021 Special Assessment one time, if there is also paid, in addition to the prepaid principal balance of the Series 2021 Special Assessment, an amount equal to the interest that would otherwise be due on such prepaid amount on the next succeeding interest payment date for the Series 2021 Bonds or, if prepaid during the forty-five (45) day period preceding such interest payment date, to the interest payment date following such next succeeding interest payment date. Prepayment of the Series 2021 Special Assessments does not entitle the property owner to any discounts for early payment.

Pursuant to the Act and the Assessment Proceedings, an owner of property subject to the levy of Series 2021 Special Assessments may pay the entire balance of the Series 2021 Special Assessments remaining due, without interest, within thirty (30) days after the Series 2021 Project has been completed, and the Board has adopted a resolution accepting the Series 2021 Project pursuant to Chapter 170.09, Florida Statutes. The Developer, as the sole owner of the assessable property within the District, will waive this right on behalf of itself and its successors and assigns in connection with the issuance of the Series 2021 Bonds. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

The Series 2021 Bonds are subject to extraordinary mandatory redemption as indicated under "DESCRIPTION OF THE SERIES 2021 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from optional and required prepayments of Series 2021 Special Assessments by property owners.

Additional Bonds

Under the Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2021 Special Assessments. In addition, the District will covenant not to issue any other Bonds or debt obligations for capital projects, secured by Special Assessments on the assessable lands within the District that are subject to the Series 2021 Special Assessments, until the Series 2021 Special Assessments are Substantially Absorbed. "Substantially Absorbed" means the date at least ninety percent (90%) of the principal portion of the Series 2021 Special Assessments have been assigned to residential units within the District that have received certificates of occupancy. The District shall present the Trustee with a certification that the Series 2021 Special Assessments have been Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2021 Special Assessments are Substantially Absorbed. In the absence of such written certification, the Trustee is entitled to assume that the Series 2021 Special Assessments have not been Substantially Absorbed. Nothing in the Indenture shall restrict the District from issuing refunding Bonds or any Bonds or other debt obligations for District Lands outside the Series 2021 Assessment Area, or other Bonds secured by other special assessments to finance any other capital project that is necessary to remediate any natural disaster, catastrophic damage or failure with respect to the Series 2021 Project.

The District and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2021 Special Assessments without the consent of the Owners of the Series 2021 Bonds. The District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2021 Special Assessments on the same lands upon which the Series 2021 Special Assessments are imposed, to fund the maintenance and operation

of the District. See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS" herein for more information.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District will covenant that (a) except for those improvements comprising the Projects that are to be conveyed by the District to the County, the State Department of Transportation or another governmental entity, as to which no assessments of the District will be imposed and (b) except as otherwise permitted in the Master Indenture, it will not sell, lease or otherwise dispose of or encumber any Projects or any part thereof. See "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" herein.

Series 2021 Acquisition and Construction Account

The Indenture establishes a separate account within the Acquisition and Construction Fund designated as the "Series 2021 Acquisition and Construction Account." Net proceeds of the Series 2021 Bonds shall be deposited into the Series 2021 Acquisition and Construction Account in the amounts set forth in the Second Supplemental Indenture, together with any moneys transferred or deposited thereto, including moneys transferred from the Series 2021 Reserve Account after satisfaction of the Conditions for Reduction of Reserve Requirement (as defined herein) and such moneys shall be applied as set forth in the Indenture, the Acquisition Agreement and the Engineer's Report. Funds on deposit in the Series 2021 Acquisition and Construction Account shall only be requested by the District to be applied to the costs of the Series 2021 Project in compliance with the requisition provisions of the Indenture. Upon satisfaction of the Conditions for Reduction of Reserve Requirement, the amount on deposit in the Series 2021 Reserve Account in excess of the Series 2021 Reserve Requirement, as applicable and as calculated by the District shall then be transferred to the Series 2021 Acquisition and Construction Account as directed in writing to the Trustee by the District Manager, upon consultation with the Consulting Engineer, and applied as provided in the Second Supplemental Indenture.

After the Completion Date for the Series 2021 Project, any moneys remaining in the Series 2021 Acquisition and Construction Account, after retaining costs to complete the Series 2021 Project, shall be transferred to the Series 2021 General Redemption Subaccount, as directed in writing by the District or the District Manager on behalf of the District to the Trustee. Except as provided in the Second Supplemental Indenture, only upon presentment to the Trustee of a properly signed requisition in substantially the form attached to the Second Supplemental Indenture as an exhibit, shall the Trustee withdraw moneys from the Series 2021 Acquisition and Construction Account. After no funds remain therein, the Series 2021 Acquisition and Construction Account shall be closed. Notwithstanding the foregoing, the Series 2021 Acquisition and Construction Account shall not be closed until after the Conditions for Reduction of Reserve Requirement shall have occurred and the excess funds from the Series 2021 Reserve Account shall have been transferred to the Series 2021 Acquisition and Construction Account and applied in accordance with the provisions of the Indenture. See "–Reserve Account" below for more information regarding the Conditions for Reduction of Reserve Requirement. The Trustee shall not be responsible for determining the amounts in the Series 2021 Acquisition and Construction Account allocable to the respective components of the Series 2021 Project.

Series 2021 Reserve Account

The Indenture establishes a Series 2021 Reserve Account within the Debt Service Reserve Fund solely for the benefit of the Series 2021 Bonds. Net proceeds of the Series 2021 Bonds shall be deposited into the Series 2021 Reserve Account in the amount of the Series 2021 Reserve Requirement, and such

moneys, together with any other moneys deposited into the Series 2021 Reserve Account shall be applied for the purposes provided in the Indenture.

"Series 2021 Reserve Requirement" or "Reserve Requirement" shall be (i) initially, an amount equal to fifty percent (50%) of the maximum annual debt service on the Series 2021 Bonds as calculated from time to time; and (ii) upon the occurrence of the Conditions for Reduction of Reserve Requirement, ten percent (10%) of the maximum annual debt service on the Series 2021 Bonds as calculated from time to time. Upon satisfaction of the Conditions for Reduction of Reserve Requirement, such excess amount shall be released from the Series 2021 Reserve Account and transferred to the Series 2021 Acquisition and Construction Account in accordance with the provisions of the Second Supplemental Indenture. For the purpose of calculating the Series 2021 Reserve Requirement, fifty percent (50%) of maximum annual debt service or ten percent (10%) of maximum annual debt service, as the case may be, shall be recalculated in connection with the extraordinary mandatory redemption described in the Second Supplemental Indenture, and each extraordinary mandatory redemption of the Series 2021 Bonds as described in the Second Supplemental Indenture (but not upon the optional or mandatory sinking fund redemption thereof) and such excess amount shall be released from the Series 2021 Reserve Account and, other than as provided in the immediately preceding sentence, transferred to the Series 2021 General Redemption Subaccount or the Series 2021 Prepayment Subaccount as applicable, in accordance with the provisions of the Second Supplemental Indenture. Amounts on deposit in the Series 2021 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2021 Bonds be used to pay principal of and interest on the Series 2021 Bonds at that time. Initially, the Series 2021 Reserve Requirement shall be equal to \$ _____.

"Conditions for Reduction of Reserve Requirement" shall mean collectively: (i) the sale of all lots in the Series 2021 Assessment Area to homebuilders unrelated to the Developer or its affiliated entities shall have been closed, as certified by the District Manager, and (ii) there shall be no Events of Default under the Indenture with respect to the Series 2021 Bonds, as certified by the District Manager. The District shall present the Trustee with the certifications of the District Manager regarding the satisfaction of the Conditions for Reduction of Reserve Requirement, and the Trustee may rely conclusively upon such certifications and shall have no duty to verify the same.

Notwithstanding any provisions in the Master Indenture to the contrary, the District will covenant in the Indenture not to substitute the cash and Investment Securities on deposit in the Series 2021 Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Series 2021 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2021 Reserve Account and transfer any excess therein above the Reserve Requirement caused by investment earnings to Series 2021 Revenue Account in accordance with the Indenture.

Subject to the provisions of the Second Supplemental Indenture, on any date the District receives notice from the District Manager that a landowner wishes to prepay its Series 2021 Special Assessments relating to the benefited property of such landowner within the Series 2021 Assessment Area, or as a result of a mandatory true-up payment, the District shall or shall cause the District Manager on behalf of the District to calculate the principal amount of such Prepayment, taking into account a credit against the amount of the Series 2021 Prepayment Principal due by the amount of money in the Series 2021 Debt Service Reserve Account that will be in excess of the Series 2021 Reserve Requirement for the Series 2021 Bonds, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2021 Prepayment Subaccount of the Series 2021 Bond Redemption Account, as a result of a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10)

Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2021 Debt Service Reserve Account to the Series 2021 Prepayment Subaccount of the Series 2021 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2021 Bonds in accordance with the Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding any of the foregoing, amounts on deposit in the Series 2021 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holder of the Series 2021 Bonds, to the Series 2021 General Redemption Subaccount of the Series 2021 Bond Redemption Account, if, as a result of the application of the provisions of the Master Indenture with respect to Events of Default, the proceeds received from lands sold subject to the Series 2021 Special Assessments and applied to redeem a portion of the Series 2021 Bonds is less than the principal amount of Series 2021 Bonds indebtedness attributable to such lands.

In addition, and together with the moneys transferred from the Series 2021 Reserve Account pursuant to this paragraph, if the amount on deposit in the Series 2021 General Redemption Subaccount or the Series 2021 Prepayment Subaccount, as the case may be, is not sufficient to redeem a principal amount of the Series 2021 Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Series 2021 Revenue Account to round up the amount in the Series 2021 Prepayment Subaccount or Series 2021 General Redemption Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2021 Revenue Account shall be made to pay interest on and/or principal of the Series 2021 Bonds for the redemption pursuant to the provisions of the Second Supplemental Indenture if as a result the deposits required under the sections FIRST through FIFTH below cannot be made in full.

It shall be an event of default under the Indenture if at any time the amount in the Series 2021 Reserve Account is less than the Reserve Requirement therefor as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement for the Series 2021 Bonds and such amount has not been restored within ninety (90) days of such withdrawal.

Deposit and Application of the Pledged Revenues

Pursuant to the Indenture, the Trustee shall transfer from amounts on deposit in the Series 2021 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing _____ 1, 20__ to the Series 2021 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2021 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2021 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing May 1, 20__, to the Series 2021 Sinking Fund Account, an amount equal to the principal amount of Series 2021 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2021 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2021 Bonds remain Outstanding, to the Series 2021 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2021 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2021 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be

authorized to transfer from the Series 2021 Revenue Account to the Series 2021 Interest Account, the amount necessary to pay interest on the Series 2021 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2021 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2021 Bonds and next, any balance in the Series 2021 Revenue Account shall remain on deposit in the Series 2021 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2021 Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

Notwithstanding the foregoing, in the event of redemption of Series 2021 Bonds from Prepayments on deposit in the Series 2021 Prepayment Subaccount, the Trustee is further authorized, upon written direction from the District, to transfer from the Series 2021 Revenue Account to the Series 2021 Prepayment Subaccount sufficient funds to cause the redemption of the next closest Authorized Denominations of Series 2021 Bonds, as provided in the Second Supplemental Indenture.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in the Series Accounts in the Debt Service Fund and any Series Account within the Bond Redemption Fund only in Government Obligations and certain specified types of Investment Securities (as defined in the Master Indenture). The Trustee shall, as directed by the District in writing, invest moneys held in the Series 2021 Reserve Account of the Debt Service Reserve Fund in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth in the Master Indenture. All securities securing investments under the Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the Indenture, any interest and other income so received shall be deposited in the applicable Series Account of the Revenue Fund. Upon written request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the respective Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof, except as provided in the Master Indenture. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale upon the investment instructions of the District or otherwise. See "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" attached hereto.

Master Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner

For purposes of the following, (a) the Series 2021 Bonds secured by and payable from Special Assessments levied against property owned by any Insolvent Taxpayer (defined below) are collectively referred to herein as the "Affected Bonds" and (b) the Special Assessments levied against any Insolvent

Taxpayer's property and pledged under a Supplemental Indenture as security for the Affected Bonds are collectively referred to herein as the "Affected Special Assessments." The Master Indenture contains the following provisions which, pursuant to the Indenture, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (herein, an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the District shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The District has agreed in the Master Indenture that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

In the Master Indenture, the District will acknowledge and agree that, although the Affected Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District has agreed in the Master Indenture that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) the District has agreed in the Master Indenture that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal of the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District has agreed in the Master Indenture that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim. See "BONDOWNERS' RISKS – Bankruptcy Risks" herein.

Events of Default and Remedies

The Master Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2021 Bonds:

(a) if payment of any installment of interest on any Series 2021 Bond is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Series 2021 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, as determined by a Majority Holder of the Series 2021 Bonds; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Series 2021 Bond and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holder of the Outstanding Series 2021 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Series 2021 Reserve Account is less than the Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2021 Bonds and such amount has not been restored within ninety (90) days of such withdrawal; or

(g) if on an Interest Payment Date the amount in the Series 2021 Interest Account, the Series 2021 Principal Account or the Series 2021 Sinking Fund Account, as the case may be, is insufficient to pay all amounts payable on the Series 2021 Bonds on such Interest Payment Date (without regard to any amount available for such purpose in the Reserve Account); or

(h) if, at any time after eighteen months following issuance of the Series 2021 Bonds, more than twenty percent (20%) of the "maintenance special assessments" levied by the District on District lands upon which the Series 2021 Special Assessments are levied to secure the Series 2021 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Series 2021 Bonds shall be subject to acceleration. Upon occurrence and continuance of an Event of Default with respect to the Series 2021 Bonds, no optional redemption or extraordinary mandatory redemption of Series 2021 Bonds pursuant to the Indenture shall occur unless all of the Series 2021 Bonds will be redeemed or if 100% of the Holders of the Series 2021 Bonds agree to such redemption.

If any Event of Default with respect to the Series 2021 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holder of the Outstanding Series 2021 Bonds and receipt of indemnity to its satisfaction shall, in its own name:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2021 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Bondholders of the Series 2021 Bonds and to perform its or their duties under the Act;

(b) bring suit upon the Series 2021 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2021 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2021 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2021 Bonds.

If any proceeding taken by the Trustee on account of any Event of Default with respect to the Series 2021 Bonds is discontinued or is determined adversely to the Trustee, then the District, the Trustee, the Paying Agent and the Bondholders of the Series 2021 Bonds shall be restored to their former positions and rights under the Indenture as though no such proceeding had been taken.

Subject to the provisions of the Indenture, the Majority Holder of the Outstanding Series 2021 Bonds then subject to remedial proceedings under the Master Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2021 Bonds is the collection of Series 2021 Special Assessments imposed on the assessable lands in the Series 2021 Assessment Area specially benefited by the Series 2021 Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX E: ASSESSMENT METHODOLOGY."

The imposition, levy, and collection of Series 2021 Special Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Hillsborough County Tax Collector ("Tax Collector") or the Hillsborough County Property Appraiser ("Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2021 Special Assessments during any year. Such delays in the collection of Series 2021 Special Assessments, or complete inability to collect any Series of the Series 2021 Special Assessments, would

have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2021 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2021 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2021 Bonds.

For the Series 2021 Special Assessments to be valid, the Series 2021 Special Assessments must meet two requirements: (1) the benefit from the Series 2021 Project to the lands subject to the Series 2021 Special Assessments must exceed or equal the amount of the Series 2021 Special Assessments, and (2) the Series 2021 Special Assessments must be fairly and reasonably allocated across all such benefitted properties. The Certificate of the Methodology Consultant will certify that these requirements have been met with respect to the Series 2021 Special Assessments.

Pursuant to the Act, and the Assessment Proceedings, the District may collect the Series 2021 Special Assessments through a variety of methods. Initially, and for undeveloped properties owned by the Developer and subsequent landowners, the District will directly issue annual bills to landowners requiring payment of the Series 2021 Special Assessments, and will enforce that bill through foreclosure proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "APPENDIX E: ASSESSMENT METHODOLOGY." As lands are developed, the Series 2021 Special Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2021 Special Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2021 Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2021 Special Assessments and the ability to foreclose the lien of such Series 2021 Special Assessments upon the failure to pay such Series 2021 Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2021 Special Assessments. See "BONDOWNERS' RISKS."

Uniform Method Procedure

Subject to certain conditions, and for developed lands (as described above), the District may alternatively elect to collect the Series 2021 Special Assessments using the Uniform Method. The Uniform

Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2021 Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2021 Special Assessments will be collected together with County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments – including the Series 2021 Special Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2021 Special Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2021 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2021 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2021 Bonds.

Under the Uniform Method, if the Series 2021 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2021 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2021 Special Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2021 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2021 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2021 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2021 Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest,

costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2021 Special Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven years after the date of issuance, if a tax deed has not been applied for, and no other administrative or legal proceeding, including a bankruptcy, has existed of record, the tax certificate is null and void. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are

forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2021 Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2021 Special Assessments, which are the primary source of payment of the Series 2021 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDHOLDERS' RISKS."

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other sections of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2021 Bonds offered hereby and are set forth below. Prospective investors in the Series 2021 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2021 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This section does not purport to summarize all risks that may be associated with purchasing or owning the Series 2021 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2021 Bonds.

Concentration of Land Ownership

As of the date of delivery of the Series 2021 Bonds, the Developer owns all of the assessable lands within the Series 2021 Assessment Area, which are the lands that will be subject to the Series 2021 Special

Assessments securing the Series 2021 Bonds. Payment of the Series 2021 Special Assessments is primarily dependent upon their timely payment by the Developer and the other future landowners the Series 2021 Assessment Area. Non-payment of the Series 2021 Special Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay debt service on the Series 2021 Bonds. See "THE DEVELOPER" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS" herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2021 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Developer and any other landowner to pay the Series 2021 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2021 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2021 Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2021 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2021 Bonds, including, without limitation, enforcement of the obligation to pay Series 2021 Special Assessments and the ability of the District to foreclose the lien of the Series 2021 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2021 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2021 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner." The District cannot express any view whether such delegation would be enforceable.

Series 2021 Special Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2021 Bonds is the timely collection of the Series 2021 Special Assessments. The Series 2021 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Developer or subsequent landowners will be able to pay the Series 2021 Special Assessments or that they will pay such Series 2021 Special Assessments even though financially able to do so. Neither the Developer nor any other subsequent landowners have any personal

obligation to pay the Series 2021 Special Assessments. Neither the Developer nor any subsequent landowners are guarantors of payment of any Series 2021 Special Assessments, and the recourse for the failure of the Developer or any subsequent landowner to pay the Series 2021 Special Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2021 Special Assessments, as described herein. Therefore the likelihood of collection of the Series 2021 Special Assessments may ultimately depend on the market value of the land subject to the Series 2021 Special Assessments. While the ability of the Developer or subsequent landowners to pay the Series 2021 Special Assessments is a relevant factor, the willingness of the Developer or subsequent landowners to pay the Series 2021 Special Assessments, which may also be affected by the value of the land subject to the Series 2021 Special Assessments, is also an important factor in the collection of Series 2021 Special Assessments. The failure of the Developer or subsequent landowners to pay the Series 2021 Special Assessments could render the District unable to collect delinquent Series 2021 Special Assessments, if any, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2021 Bonds.

Regulatory and Environmental Risks

The development of the District Lands is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals," herein for more information.

The value of the land within the District, the success of the Development, the development of Series 2021 Assessment Area and the likelihood of timely payment of principal and interest on the Series 2021 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2021 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in the Series 2021 Assessment Area.

The value of the lands subject to the Series 2021 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2021 Bonds. The Series 2021 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful development of the Series 2021 Assessment Area and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer. Moreover, the Developer has the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land to pay the Series 2021 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2021 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2021 Special Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2021 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2021 Special Assessment, even though the landowner is not contesting the amount of the Series 2021 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Limited Secondary Market for Series 2021 Bonds

The Series 2021 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2021 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2021 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2021 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2021 Bonds, depending on the progress of development of the Development and the lands within the Series 2021 Assessment Area, as applicable, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Account

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2021 Special Assessments, may not adversely affect the timely payment of debt

service on the Series 2021 Bonds because of the Series 2021 Reserve Account. The ability of the Series 2021 Reserve Account to fund deficiencies caused by delinquencies in the Series 2021 Special Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Series 2021 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in such Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2021 Special Assessments, the Series 2021 Reserve Account would be rapidly depleted and the ability of the District to pay debt service on the Series 2021 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2021 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2021 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2021 Special Assessments in order to provide for the replenishment of the Series 2021 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS – Series 2021 Reserve Account" herein for more information about the Series 2021 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2021 Special Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2021 Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code, there are limitations on the amounts of proceeds from the Series 2021 Bonds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not

a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in Florida with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors. The Developer will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act, and its expectations as to compliance with the Act by any members of the Board that it elects. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2021 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2021 Bonds are advised that, if the IRS does audit the Series 2021 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2021 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2021 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2021 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination

or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2021 Bonds would adversely affect the availability of any secondary market for the Series 2021 Bonds. Should interest on the Series 2021 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2021 Bonds be required to pay income taxes on the interest received on such Series 2021 Bonds and related penalties, but because the interest rate on such Series 2021 Bonds will not be adequate to compensate Owners of the Series 2021 Bonds for the income taxes due on such interest, the value of the Series 2021 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2021 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2021 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2021 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2021 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2021 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

Since the Series 2021 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for political subdivisions, if the District is ever deemed by the IRS, judicially or otherwise, not to be a political subdivision for purposes of the Code, it is possible that federal or state regulatory authorities could also determine that the District is not a political subdivision for purposes of federal and state securities laws. Accordingly, the District and purchasers of Series 2021 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2021 Bonds would need to ensure that subsequent transfers of the Series 2021 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

Federal Tax Reform

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2021 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2021 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2021 Bonds. Prospective purchasers of the Series 2021 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS."

State Tax Reform

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives

and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2021 Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that "The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders."

Insufficient Resources or Other Factors Causing Failure to Complete the Series 2021 Project or the Construction of Homes within the Series 2021 Assessment Area

The cost to finish the Series 2021 Project will exceed the net proceeds from the Series 2021 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Series 2021 Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the Series 2021 Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS – Additional Bonds" for more information.

Although the Developer will agree to fund or cause to be funded the completion of the Series 2021 Project regardless of the insufficiency of proceeds from the Series 2021 Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Developer will have sufficient resources to do so. Such obligation of the Developer is an unsecured obligation. See "THE DEVELOPER" herein for more information.

Further, even if development of the Series 2021 Assessment Area is completed, there are no assurances that homes will be constructed and sold within the Series 2021 Assessment Area. See "THE DEVELOPER" herein for more information.

COVID-19 and Related Matters

In addition to the general economic conditions discussed above, the timely and successful completion of the Development and the construction and sale to end users of residential units may be adversely impacted by the continued spread of the novel strain of coronavirus called COVID-19 or by other highly contagious or epidemic or pandemic diseases. The United States, the State and the County have all previously imposed certain health and public safety restrictions in response to COVID-19 in the past. The District cannot predict whether new actions may be taken by government authorities in the future to contain or otherwise address the impact of the COVID-19 or similar outbreak.

To date, the outbreak has resulted in severe impacts on global financial markets, unemployment levels and commerce generally. The District and the Developer cannot predict the duration of the current COVID-19 outbreak, and the ultimate impact the COVID-19 outbreak may have on the Development is unknown. It is possible that delays in lot purchases by homebuilders (if any), construction delays, delays in the receipt of permits or other government approvals, supply chain delays, increased costs, delays in sales to end users or other delays could occur, or continue to occur, as applicable, as a result of the COVID-19 outbreak or other highly contagious or epidemic or pandemic diseases that adversely impact the

Development. See also "BONDOWNERS' RISKS – Economic Conditions and Changes in Development Plans" and "–Insufficient Resources or Other Factors Causing Failure to Complete the Series 2021 Project or the Construction of Homes within the Series 2021 Assessment Area" herein.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2021 Bonds.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2021 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Series 2021 Special Assessments by the Developer or subsequent owners of the property within the Series 2021 Assessment Area. Any such redemptions of the Series 2021 Bonds would be at the principal amount of such Series 2021 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2021 Bonds may not realize their anticipated rate of return on the Series 2021 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2021 Bonds. See "DESCRIPTION OF THE SERIES 2021 BONDS – Redemption Provisions" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS – Prepayment of Series 2021 Special Assessments" herein for more information.

Payment of Series 2021 Special Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2021 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

THE DISTRICT

General

The District is an independent local unit of special-purpose government created in accordance with the Act. The District was established under County Ordinance No. 18-35, which was enacted by the Board of County Commissioners of the County on December 11, 2018 (the "Original Ordinance"), as amended by Ordinance No. 19-18 on August 15, 2019, and further amended by Ordinance No. 21-27 on July 21, 2021 (collectively, the "Ordinance"). The District encompasses approximately 180.64 gross acres of land within unincorporated Hillsborough County, Florida. The District is located along the north side of Rhodine Road and west of Balm Riverview Road in the southeastern portion of the County. The District Lands are being developed as a planned residential community under the name Ridgewood (the "Development"). See "THE DEVELOPMENT" herein for more information.

Governance

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, the Supervisors were appointed in the Ordinance. Within 90 days after formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

At the initial election held within 90 days after formation of the District, the landowners in the District elected two Supervisors to four-year terms and three Supervisors to two-year terms. Thereafter, the elections take place every two years, with the first such election being held on the first Tuesday in November, and subsequent elections being held on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected by qualified electors of the District. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under State law governing public officials for a Supervisor to be a stockholder, officer or employee of an owner of the land within the District.

The current members of the Board and the date of expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Brian Walsh*	Chair	November 2023
Milton Andrade*/**	Vice-Chair	November 2021
Garret Parkinson*/**	Assistant Secretary	November 2023
Matthew Cassidy*	Assistant Secretary	November 2021
Phillip Allende*	Assistant Secretary	November 2021

* Elected by the landowners

** Affiliated with the Developer or its affiliates.

A majority of the Supervisors constitutes a quorum for the purposes of conducting the business of the District and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of the majority of the Supervisors present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under the State's "sunshine" or open meetings law.

Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter.

Among other provisions, the Act gives the District's Board of Supervisors the authority: (a) to finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems, facilities, and basic infrastructure for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges, (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system, (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines, (iv) conservation areas, mitigation areas, and wildlife habitat, (v) any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District, and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses, and security; (b) to borrow money and issue bonds of the District; (c) to impose and foreclose special assessments liens as provided in the Act; and (d) to exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

Also, pursuant to the Ordinance, the District has been granted special powers pursuant to Sections 190.012(1), 190.012(2)(a) of the Act, as well as Sections 190.012(b) – (f) of the Act if said improvements and each of their specifications are first approved by the County. Such special powers include, but are not

limited to, the right to (i) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate, and maintain additional systems and facilities for parks and facilities for indoor and outdoor recreational, cultural and educational uses; and (ii) construct and maintain a perimeter wall/fence for the District so long as the construction and specifications of the wall/fence are first approved by the County.

The Act does not empower the District to adopt and enforce land use plans or zoning ordinances or to grant building permits; these functions are performed by the County, as applicable, acting through their respective Commissions and departments of government.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager. The Act provides that the District Manager shall have charge and supervision of the works of the District and shall be responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board. Governmental Management Services – Central Florida, LLC, serves as District Manager. The District Manager's corporate office is located at 219 East Livingston Street, Orlando, Florida 32801.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of KE Law Group, PLLC, Tallahassee, Florida, as District Counsel; Greenberg Traurig, P.A., Miami, Florida, as Bond Counsel; and Governmental Management Services – Central Florida, LLC, Orlando, Florida, serves as Methodology Consultant for the Series 2021 Bonds.

Outstanding Indebtedness

On June 28, 2019, the District issued its Special Assessment Bonds, Series (the "Series 2019 Bonds") in the original aggregate principal amount of \$10,000,000, of which [\$_____] is outstanding as of [_____], 2021. The Series 2019 Bonds are secured by the Series 2019 Special Assessments, which were levied on the land within the Series 2019 Assessment Area of the District, which is separate and distinct from the land within the Series 2021 Assessment Area that is subject to the Series 2021 Special Assessments securing the Series 2021 Bonds.

THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2021 PROJECT

General

The Second Amendment to Engineer's Report dated July 2021 (the "Engineer's Report"), prepared by Absolute Engineering, Inc. (the "District Engineer"), sets forth certain public infrastructure improvements necessary for the development of the 594 single-family residential units planned for the Development (the "Capital Improvement Plan"). The District Engineer, in the Engineer's Report estimates the total costs of the Capital Improvement Plan to be \$18,121,754.

The District Lands are being developed in phases. Two assessment areas have been created to facilitate the District's development and financing plans. The District previously issued its Series 2019 Bonds to finance a portion of the public infrastructure improvements associated with Series 2019 Assessment Area, which consists of 119.37 acres of land planned for 401 single-family homes (the "Series 2019 Project"). The Series 2019 Project [is complete and all 401 lots have been developed and platted]. See "THE DEVELOPMENT – Update on Series 2019 Assessment Area" herein for more information.

The next phase of land development is planned for 193 lots on approximately 61.27 acres gross acres of land ("Series 2021 Assessment Area").

Series 2021 Project

The Series 2021 Bonds are being issued to finance a portion of the public infrastructure improvements associated with Series 2021 Assessment Area (the "Series 2021 Project"). According to the District Engineer, the costs associated with the Series 2021 Project are expected to be approximately \$8,335,000, as more particularly set forth below:

Infrastructure	Series 2021 Project
Off-Site Improvements	\$ 300,000
Stormwater Management	4,500,000
Utilities (Water, Sewer, & Street Lighting)	1,650,000

TOTAL	\$8,335,000

The net proceeds of the Series 2021 Bonds will finance construction and /or acquisition of a portion of the Series 2021 Project in the amount of approximately \$4.2 million.* The Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the Series 2021 Project not funded with proceeds of the Series 2021 Bonds. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Series 2021 Project or the Construction of Homes within

the Series 2021 Assessment Area" and "THE DEVELOPMENT – Land Acquisition and Finance Plan" herein.

Land development associated with Series 2021 Assessment Area commenced in October 2021 and is expected to be completed by October 2022. As of October 2021, the Developer has spent approximately \$722,860 on land development activity associated with Series 2021 Assessment Area, a portion of which includes the Series 2021 Project.

The District Engineer has indicated that all engineering permits necessary to construct the Series 2021 Project that are set forth in the Engineer's Report have been obtained or will be obtained in the ordinary course of business. In addition to the Engineer's Report, please refer to "THE DEVELOPMENT – Development Approvals" for a more detailed description of the entitlement and permitting status of the Series 2021 Assessment Area.

ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

The Amended and Restated Master Assessment Methodology dated May 22, 2019, as supplemented by the Supplemental Assessment Methodology for Col Parcel dated November 11, 2021 (collectively, the "Assessment Methodology"), which allocates the Series 2021 Special Assessments to the lands within the District, has been prepared by Governmental Management Services – Central Florida, LLC, Orlando, Florida (the "Methodology Consultant"). See "EXPERTS" herein for more information. The Assessment Methodology is included herein as APPENDIX E. Once the final terms of the Series 2021 Bonds are determined, the Assessment Methodology will be further supplemented to reflect such final terms. Once levied and imposed, the Series 2021 Special Assessments are a first lien on the assessed lands within the District until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

The Series 2021 Bonds are payable from and secured by a pledge of the Series 2021 Pledged Revenues, which consist primarily of the revenues received by the District from the Series 2021 Special Assessments. The District will initially impose the Series 2021 Special Assessment on an equal acreage basis on all of the assessable land within the Series 2021 Assessment Area, which contains approximately [61.27] gross acres, until such time the lots are platted. Once platted, the assessments will be assigned to the platted lots in the Series 2021 Assessment Area. See "APPENDIX E: ASSESSMENT METHODOLOGY" for more information.

Upon full platting of the Series 2021 Assessment Area, the estimated Series 2021 Special Assessments levied and allocated to platted units to pay debt service on the Series 2021 Bonds and the estimated par per unit for the Series 2021 Bonds are expected to be as follows:

Product	Number of Planned Units	Gross Annual Series 2021 Special Assessment*	Series 2021 Bonds Total Par Per Unit*
40'	97	\$1,277	\$21,659
50'	96	\$1,596	\$27,074
	193		

* Preliminary, subject to change. Annual assessments shown assume collection via the Uniform Method and include a 6% gross up to account for County collection costs/payment discounts, which may fluctuate.

The District expects to levy assessments to cover its operation and administrative costs which are expected to be approximately \$895 per single-family unit annually, but such amounts are subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. These taxes would be payable in addition to the Series 2021 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School Board of Hillsborough County each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information.

The information appearing below under the captions "THE DEVELOPMENT" and "THE Developer" has been furnished by the Developer for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Developer make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by the Developer as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Developer is not guaranteeing payment of the Series 2021 Bonds or the Series 2021 Special Assessments.

THE DEVELOPMENT

General

The District currently encompasses approximately 180.64 gross acres of land (the "District Lands") located within unincorporated Hillsborough County, Florida (the "County"). The District Lands are planned to be developed as a 594-unit planned residential community under the name "Ridgewood" (the "Development"). The Development is located in the southeastern portion of the County, along the north side of Rhodine Road, west of Balm Riverview Road and one-half mile from US Highway 301.

The District Lands are being developed in phases. Two assessment areas have been created to facilitate the District's development and financing plans. The District previously issued its Series 2019 Bonds to finance a portion of the public infrastructure improvements associated with Series 2019 Assessment Area, which consists of approximately 119.37 acres of land planned for 401 single-family homes (the "Series 2019 Project"). The Series 2019 Project [is complete, all 401 lots have been developed and platted.] See "THE DEVELOPMENT – Update on Series 2019 Assessment Area" herein for more information.

The Series 2021 Bonds are being issued to finance a portion of the public infrastructure improvements associated with Series 2021 Assessment Area, which consists of approximately 61.27 acres of land planned for 193 single-family homes (the "Series 2021 Project"). The Series 2021 Bonds will be secured by the Series 2021 Special Assessments, which will initially be levied on the 61.27 gross acres within the Series 2021 Assessment Area. As lots are platted therein, the Series 2021 Special Assessments will be assigned to the 193 lots planned for Series 2021 Assessment Area on a first-platted, first-assigned basis as set forth in the Assessment Methodology attached hereto. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein.

Clayton Properties Group, Inc., a Tennessee corporation doing business as Highland Homes and a wholly owned subsidiary of Berkshire Hathaway (the "Developer"), is the developer and homebuilder for the Series 2021 Assessment Area. See "THE DEVELOPER" herein for more information.

Homes planned for Series 2021 Assessment Area will range in size from approximately 1,400 square feet to 3,150 square feet, and starting price points will range from approximately \$265,000 to \$325,000. The target customers for units within Series 2021 Assessment Area are first time homebuyers and move-up buyers. See "—Residential Product Offerings" herein for more information.

Update on Series 2019 Assessment Area

The District previously issued its Series 2019 Bonds in order to finance a portion of the public infrastructure improvements associated with Series 2019 Assessment Area (the "Series 2019 Project"). The Series 2019 Project is complete, [all 401 lots have been developed, platted, and closed with homebuilders.]

As of October 2021, 61 homes have sold and closed with end users and an additional 77 homes have sold pending closing.

Land Acquisition and Finance Plan

The Developer acquired the lands within Series 2021 Assessment Area on August 13, 2021, for approximately \$6,500,000. [There are currently no mortgages on the lands within the District.]

The Developer estimates that the cost to complete the land development associated with Series 2021 Assessment Area will be approximately \$8,328,400, consisting of the costs of the Series 2021 Project and other hard and soft costs. As of October 2021, the Developer has spent approximately \$722,860 towards land development costs associated with Series 2021 Assessment Area. The net proceeds of the Series 2021 Bonds will be approximately \$4.2 million* and such proceeds will be used by the District towards the funding and/or acquisition of the Series 2021 Project. The Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the Series 2021 Project not funded with proceeds of the Series 2021 Bonds. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Series 2021 Project or the Construction of Homes within the Series 2021 Assessment Area" herein.

Development Plan and Status

Land development for Series 2021 Assessment Area commenced in October 2021 and is expected to be completed by October 2022, at which point sales and vertical construction will commence. Closings with homebuyers are anticipated to commence by December 2022. The Development will have an on-site sales center that will open in November 2022. The Developer expects to construct one model home, which is estimated to be completed by November 2022.

The Developer anticipates that 60 homes will be delivered to end users per annum until buildout, which is expected by December 2025. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

Residential Product Offerings

The following table reflects the Developer's current expectations for the homes planned for Series 2021 Assessment Area, all of which are subject to change:

Product Type	Approx. Square Footage	Bed/Bath	Estimated Average Home Price
40' Single-Family	1,400 – 2,600	3/2 - 4/3	\$265,000
50' Single-Family	1,400 – 3,150	3/2 - 5/3	\$325,000

* Preliminary, subject to change.

Development Approvals

[The land within the District, including, without limitation, the land therein subject to the Series 2021 Special Assessments, is zoned to allow for the contemplated residential uses described herein. All permits have been received by jurisdictional agencies to allow for the development contemplated herein or are reasonably expected to be received in the ordinary course.] See "BONDOWNERS' RISKS – Regulatory and Environmental Risks" herein and "APPENDIX A: ENGINEER'S REPORT" hereto for more information.

Environmental

A Phase I Environmental Site Assessment was performed on the lands within Series 2021 Assessment Area in February 2020 (the "ESA"). The ESA recommended the proper closing and capping of all groundwater wells, but did not note any additional concerns. See "BONDOWNERS' RISKS – Regulatory and Environmental Risks" herein.

Amenities

The Development contains an amenity center consisting of a cabana, pool, tot-lot and pull-in parking (the "Amenity"). Construction of the Amenity [is complete at an approximate cost of \$718,000]. [The Amenity is owned and operated by the District.]

Utilities

The Hillsborough County Utilities Department will provide water and sewer service to the Development. Reclaimed water is not available for the Development. TECO will provide electrical service to the Development. See "APPENDIX A: ENGINEER'S REPORT" attached hereto for more information regarding the ownership and maintenance of utilities within the Development.

Taxes, Fees and Assessments

As set forth in the Assessment Methodology, the District will initially impose the Series 2021 Special Assessment on an equal acreage basis on all of the land within the Series 2021 Assessment Area, which contains approximately [61.27] gross acres, until such time the lots are platted. Once platted, the assessments will be assigned to the platted lots in the Series 2021 Assessment Area. See "APPENDIX E: ASSESSMENT METHODOLOGY" for more information.

Upon full platting of the Series 2021 Assessment Area, the estimated Series 2021 Special Assessments levied and allocated to platted units to pay debt service on the Series 2021 Bonds and the estimated par per unit for the Series 2021 Bonds are expected to be as follows:

Product	Number of Planned Units	Gross Annual Series 2021 Special Assessment*	Series 2021 Bonds Total Par Per Unit*
40'	97	\$1,277	\$21,659
50'	96	\$1,596	\$27,074
	193		

* Preliminary, subject to change. Annual assessments shown assume collection via the Uniform Method and include a 6% gross up to account for County collection costs/payment discounts, which may fluctuate.

The District currently levies assessments to cover its operation and administrative costs which are currently expected to be approximately \$895 per single-family unit annually, but such amounts are subject to change. In addition, residents will be required to pay homeowners' association fees which are currently estimated to be [\$100] per residential lot annually, which amounts are subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate applicable to lands within the Development in 2021 was approximately 17.9049 mills. These taxes would be payable in addition to the Series 2021 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School Board of Hillsborough County each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in 2020.

Education

School age residents of the Development will attend Warren Hope Dawson Elementary School, Rodgers Middle School and Riverview High School, which are located approximately 3.6 miles, 2.8 miles and 3.2 miles away from the Development, respectively, and which received grades of C, B from the State in 2019 for the elementary and middle school, respectively and B from the State in 2021 for the high school. The Hillsborough County School Board may change school boundaries from time to time, and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

Competition

The Development is expected to compete with projects along the U.S. Highway 301 corridor in the southern Hillsborough County market, which include [Belmont, Cypress Mill, South Fork and Triple Creek.] The foregoing does not purport to summarize all of the existing or planned communities in the area of the Development.

Developer Agreements

The Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the Series 2021 Project not funded with proceeds of the Series 2021 Bonds. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Series 2021 Project or the Construction of Homes within the Series 2021 Assessment Area."

In addition, the Developer will execute and deliver to the District a Collateral Assignment and Assumption of Development Rights, pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, development rights relating the Series 2021 Project and the development of lands within the Series 2021 Assessment Area. Notwithstanding such Agreement, in the event the District forecloses on the lands subject to the Series 2021 Special Assessments as a result of a Developer's or subsequent landowners' failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the Series 2021 Project.

The Developer will also enter into a True-Up Agreement in connection with its obligations to pay true-up payments in the event that debt levels remaining on unplatted or re-platted lands in the District increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX E: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism."

Such obligations of the Developer are unsecured obligations. See "THE DEVELOPER" herein for more information regarding the Developer.

THE DEVELOPER

Clayton Properties Group, Inc., a Tennessee corporation doing business as Highland Homes ("Clayton Properties" or the "Developer") owns all of the land in the Development and is serving as the land developer and homebuilder for the Development.

The Developer has been in the business of building homes since 1956, and its network of builders built over 9,400 homes in 2020. Clayton Properties builds under the following names: Chaflin Communities, Goodall Homes, Summit Homes, Oakwood Homes, Harris Doyle Homes, Brohn Homes, Arbor Homes, Mungo Homes and Highland Homes. Homes in the Development will be built under the name of Highland Homes. In May 2019, the Developer acquired the Highland Homes name from Highland Holdings, Inc., a Florida corporation, which was founded in 1996 in Lakeland, Florida, by Robert J. and D. Joel Adams, who remain involved in development operations of the Developer. Highland Homes has built more than [12,000 homes in Florida and [is currently building in eight counties, encompassing some 38 communities] throughout the Central Florida region. Its primary focus is on the first-time homebuyer, with a secondary focus on first- and second-time move up buyers that it addresses in most of its markets. Highland Homes closed approximately 1,000 homes in 2019 and 1,250 homes in 2020. The Developer expects to close over [12,000] homes in 2021 across all of its brands.

Clayton Properties is wholly owned by Berkshire Hathaway, Inc. ("Berkshire Hathaway"). Berkshire Hathaway stock trades on the New York Stock Exchange under the symbols BRK.A and BRK.B. Berkshire Hathaway is subject to the informational requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and in accordance therewith files reports, proxy statements, and other information with the Securities and Exchange Commission (the "SEC"). The file number for Berkshire Hathaway is No-1-14905. Such reports, proxy statements, and other information can be inspected and copied at the Public Reference Section of the SEC, Room 100 F Street, N.E., Washington, D.C. 20549 and at the SEC's internet website at <http://www.sec.gov>. Copies of such materials can be obtained by mail from the Public Reference Section of the SEC at prescribed rates. All documents subsequently filed by Berkshire Hathaway pursuant to the requirements of the Exchange Act after the date of this Limited Offering Memorandum will be available for inspection in the same manner as described above.

Neither the Developer nor any of the other entities listed above are guaranteeing payment of the Series 2021 Bonds or the Series 2021 Special Assessments. None of the entities listed herein, other than the Developer, has entered into any agreements in connection with the issuance of the Series 2021 Bonds.

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements that the District must continue to meet after the issuance of the Series 2021 Bonds in order that the interest on the Series 2021 Bonds be and remain excludable from gross income for federal income tax purposes. The District's failure to meet these requirements may cause the interest on the Series 2021 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2021 Bonds. The District has covenanted in the Bond Resolution to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2021 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings, and court decisions, the interest on the Series 2021 Bonds is excludable from gross income of the holders thereof for federal income tax purposes; and, further, interest on the Series 2021 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. Bond Counsel is further of the opinion that the Series 2021 Bonds and the income thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income, or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2021 Bonds. Prospective purchasers of the Series 2021 Bonds should consult their own tax advisors as to the status of interest on the Series 2021 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2021 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Developer, and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2021 Bonds will be and will remain obligations the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2021 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2021 Bonds, or the ownership or disposition of the Series 2021 Bonds. Prospective purchasers of Series 2021 Bonds should be aware that the ownership of Series 2021 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2021 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2021 Bonds, (iii) the inclusion of the interest on the Series 2021 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2021 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, and (v) the inclusion of interest on the Series 2021 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2021 Bonds. Prospective purchasers of the Series 2021 Bonds should consult their own tax advisors as to the impact of these other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2021 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Series 2021 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (*i.e.*, for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2021 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale, or other disposition of that Discount Bond.

Certain of the Series 2021 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity), or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced, or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2021 Bonds, or adversely affect the market price or marketability of the Series 2021 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2021 Bonds. Prospective purchasers of the Series 2021 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2021 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2021 Bonds from gross income for

federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2021 Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Series 2021 Bonds and proceeds from the sale of Series 2021 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2021 Bonds. This withholding generally applies if the owner of Series 2021 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2021 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State pledges to the holders of any bonds issued thereunder, including the Series 2021 Bonds, that it will not limit or alter the rights of the issuer of such bonds, including the District, to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects, including the Series 2021 Project funded by the Series 2021 Bonds, or to levy and collect taxes, assessments, rentals, rates, fees and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that bonds issued by community development districts are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities that may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2021 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfer in any secondary market for the Series 2021 Bonds. Investment in the Series 2021 Bonds poses certain economic risks. No dealer, broker, salesman or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing.

ENFORCEABILITY OF REMEDIES

The remedies available to the owners of the Series 2021 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2021 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of

the Series 2021 Bonds will be qualified, as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors and enacted before or after such delivery.

FINANCIAL STATEMENTS

This District will covenant in a Continuing Disclosure Agreement, the proposed form of which is set forth in APPENDIX D hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX D, commencing with the audit for the District fiscal year ended September 30, 2021. Attached hereto as APPENDIX F is a copy of the District's audited financial statements for the District's fiscal year ended September 30, 2020, as well as the District's unaudited monthly financial statements for the period ended [_____, 2021]. Such financial statements, including the auditor's report included within the audited financial statements, have been included in this Limited Offering Memorandum as public documents and consent from the auditor was not requested. Further, the auditors have not performed any services related to, and therefore are not associated with, the preparation of this Limited Offering Memorandum. The Series 2021 Bonds are not general obligation bonds of the District and are payable solely from the Series 2021 Pledged Revenues.

Beginning October 1, 2015, or by the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

LITIGATION

The District

There is no litigation of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2021 Bonds, or in any way contesting or affecting (i) the validity of the Series 2021 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2021 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Developer

The Developer has represented in connection with the Series 2021 Bond issuance that there is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of the Developer to complete the development of the District Lands, as described herein, materially and adversely affect the ability of the Developer to pay the Series 2021 Special Assessments imposed against the District Lands or materially and adversely affect the ability of the Developer to perform its various obligations described in this Limited Offering Memorandum.

NO RATING

No application for a rating of the Series 2021 Bonds has been made to any rating agency, nor is there any reason to believe that the District would have been successful in obtaining an investment grade rating for the Series 2021 Bonds had application been made.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District is not and has never been in default on any bonds or other debt obligations since December 31, 1975.

CONTINUING DISCLOSURE

The District and the Developer will enter into the Continuing Disclosure Agreement (the "Disclosure Agreement") in the proposed form of APPENDIX D, for the benefit of the Series 2021 Bondholders (including owners of beneficial interests in such Series 2021 Bonds), to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") with the MSRB through the MSRB's EMMA system. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX D: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Developer to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2021 Bondholders (including owners of beneficial interests in such Series 2021 Bonds) to bring an action for specific performance.

The District has previously entered into a continuing disclosure undertaking pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"), with respect to its Series 2019 Bonds. [A review of filings made pursuant to such prior undertaking indicates that the District has not materially failed to comply with its requirements thereunder within the last five years.] The District will appoint Governmental Management Services – Central Florida, LLC, as the dissemination agent in the Disclosure Agreement and anticipates satisfying all future disclosure obligations required pursuant to its continuing disclosure undertakings and the Rule.

The Developer has previously entered into continuing disclosure undertakings pursuant to the Rule with respect to bonds issued by other community development districts. A review of filings made pursuant to such prior filings indicates that certain filings required to be made by the Developer were not timely filed and that notice of such late filings was not always provided. The Developer fully anticipates satisfying all disclosure obligations required pursuant to the Disclosure Agreement and the Rule.

UNDERWRITING

FMSbonds, Inc. (the "Underwriter"), has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Series 2021 Bonds from the District at a purchase price of \$ _____ (par amount of the Series 2021 Bonds, [plus/less an original issue premium/discount of \$ _____ and] less an Underwriter's discount of \$ _____). The Underwriter's obligations are subject to certain conditions precedent and the Underwriter will be obligated to purchase all of the Series 2021 Bonds if any Series 2021 Bonds are purchased.

The Series 2021 Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices, and such initial offering prices may be changed from time to time by the Underwriter.

Absolute Engineering, Inc., as District Engineer, has prepared the Engineer's Report included herein as APPENDIX A, which report should be read in its entirety. Governmental Management Services – Central Florida, LLC, as the Methodology Consultant, has prepared the Assessment Methodology included herein as APPENDIX E, which report should be read in its entirety. As a condition to closing on the Series 2021 Bonds, both the District Engineer and the Methodology Consultant will consent to the inclusion of their reports in this Limited Offering Memorandum.

Bonds issued pursuant to the terms of the Master Indenture have been validated by a judgment of the Circuit Court of the Thirteenth Judicial Circuit Court of Florida in and for Hillsborough County, Florida, rendered on April 1, 2019, [as amended on August 10, 2021]. The period for appeal of the judgment of such bonds expired with no appeals having being taken.

Certain legal matters related to the authorization, sale and delivery of the Series 2021 Bonds are subject to the approval of Greenberg Traurig, P.A., Miami, Florida, Bond Counsel. Certain legal matters will be passed upon for the Underwriter by its counsel, GrayRobinson, P.A. Tampa, Florida. Certain legal matters will be passed upon for the District by its counsel, KE Law Group, PLLC, Tallahassee, Florida. Certain legal matters will be passed upon for the Developer by its counsel, Johnson Pope Bokor Ruppel & Burns, LLP, Tampa, Florida.

The form of opinion of Bond Counsel attached hereto as APPENDIX C is based on existing law, which is subject to change, and is further based on factual representations made to Bond Counsel as of the date hereof. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result and is not binding on the Internal Revenue Service or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

**AGREEMENT REGARDING THE TRUE-UP OF SERIES 2021 SPECIAL ASSESSMENTS
BY AND BETWEEN CLAYTON PROPERTIES GROUP, INC., AND
RHODINE ROAD NORTH COMMUNITY DEVELOPMENT DISTRICT**

THIS TRUE-UP AGREEMENT (“Agreement”) is made and entered into this 9th day of December 2021, by and between:

RHODINE ROAD NORTH COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being situated in Hillsborough County, Florida, with a mailing address of 219 East Livingston Street, Orlando, Florida 32801 (“District”), and

CLAYTON PROPERTIES GROUP, INC., a Tennessee corporation, as the developer and owner of certain lands within the District, with a mailing address of 3020 S. Florida Avenue, Lakeland, Florida 33803, and its successors and assigns (“Landowner” or “Developer” and, together with the District, the “Parties”).

RECITALS

WHEREAS, the District was established by an ordinance adopted by the Board of County Commissioners in and for Hillsborough County, Florida, pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (“Act”), and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the District, pursuant to the Act, is authorized to levy such taxes, special assessments, fees and other charges as may be necessary in furtherance of the District’s activities and services; and

WHEREAS, Landowner is the owner and developer of certain lands within the District commonly referred to as the Cole Parcel, which lands are more specifically described in **Exhibit A**, attached hereto and incorporated herein by reference (“Series 2021 Assessment Area”); and

WHEREAS, the District has adopted an improvement plan to finance the planning, design, acquisition, construction, and installation of certain infrastructure improvements, facilities, and services as described in the *Rhodine Road North Community Development District Second Amendment to Engineer’s Report dated December 2018*, dated July 2021 (“Engineer’s Report”), which further identifies the estimated costs of that portion of the improvements necessary to support development of the Cole Parcel (“Series 2021 Project”); and

WHEREAS, the District intends to finance a portion of the Series 2021 Project, through the anticipated issuance of its Rhodine Road North Community Development District Special Assessment Bonds, Series 2021, in the principal amount of \$4,700,000 (“Series 2021 Bonds”); and

WHEREAS, pursuant to Resolutions 2019-40, 2019-41, 2019-43, 2019-49, 2019-50, 2020-04, 2021-09, 2021-10, 2021-17, and 2022-02, as amended and supplemented (together the “Assessment Resolutions”), the District imposed special assessments on those lands within the Series 2021 Assessment Area (“Series 2021 Special Assessments”) of the District to secure the repayment of the Series 2021 Bonds, including interest thereon; and

WHEREAS, Landowner agrees that all developable lands within the Series 2021 Assessment Area benefit from the timely design, construction, or acquisition of the Series 2021 Project; and

WHEREAS, Landowner agrees that the Series 2021 Special Assessments which were imposed on the Series 2021 Assessment Area within the District, have been validly imposed and constitute valid, legal and binding liens upon the Series 2021 Assessment Area, which Series 2021 Special Assessments remain unsatisfied; and

WHEREAS, to the extent permitted by law, Landowner waives any defect in notice or publication or in the proceedings to levy, impose and collect the Series 2021 Special Assessments on the Series 2021 Assessment Area within the District; and

WHEREAS, the *Second Amended and Restated Master Assessment Methodology for Rhodine Road North Community Development District*, dated July 28, 2021, as supplemented by the *Supplemental Assessment Methodology for Cole Parcel for Rhodine Road North Community Development District*, dated November 11, 2021, attached hereto as **Composite Exhibit B** and incorporated herein by reference (together, the “Assessment Report”), provides that as the Series 2021 Assessment Area is platted or re-platted, the allocation of the amounts assessed to and constituting a lien upon the Series 2021 Assessment Area within the District would be allocated and calculated based upon certain density assumptions relating to the number of each lot type to be constructed on the Series 2021 Assessment Area within the District, which assumptions were provided by Landowner; and

WHEREAS, Landowner intends that the Series 2021 Assessment Area within the District will be platted, planned and developed based on then-existing market conditions, and the actual densities developed may be at some density less than the densities assumed in the District's Assessment Report; and

WHEREAS, the District's Assessment Report anticipates a mechanism by which Landowner shall, if required, make certain payments to the District in order to satisfy, in whole or in part, the assessments allocated and the liens imposed pursuant to the Assessment Resolutions, the amount of such payments being determined generally by a calculation of the remaining unallocated debt prior to the recording of any plat or site plan for a parcel or tract, as described in the District's Assessment Report (which payments shall collectively be referenced as the “True-Up Payment”);

and

WHEREAS, Landowner and the District desire to enter into an agreement to confirm Landowner's intention and obligation, if required, to make the True-Up Payment related to the Series 2021 Special Assessments, subject to the terms and conditions contained herein.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

SECTION 1. RECITALS. The recitals stated above are true and correct and by this reference are incorporated into and form a material part of this Agreement.

SECTION 2. COVENANTS.

A. The provisions of this Agreement shall constitute a covenant running with the Series 2021 Assessment Area lands, which lands are described herein in **Exhibit A**, and shall remain in full force and effect and be binding upon Landowner, its heirs, legal representatives, estates, successors, grantees, and assigns until released pursuant to the terms herein.

B. Landowner agrees that to the extent Landowner fails to timely pay all Series 2021 Special Assessments collected by mailed notice of the District, said unpaid Series 2021 Special Assessments (including True-Up Payments), may be placed on the tax roll by the District for collection by the Tax Collector pursuant to Section 197.3632, *Florida Statutes*, in any subsequent year.

SECTION 3. SPECIAL ASSESSMENT REALLOCATION.

A. *Assumptions as to the Series 2021 Special Assessments.* As of the date of the execution of this Agreement, Landowner has informed the District that Landowner intends to plat the Series 2021 Assessment Area into a total of 193 single family homes of the specific unit type and number set forth in Table 4 of the *Supplemental Assessment Methodology for Cole Parcel*, or a total of 174 Equivalent Residential Units ("ERUs").

B. *Process for Reallocation of Assessments.* The Series 2021 Special Assessments will be reallocated among the Series 2021 Assessment Area as the Series 2021 Assessment Area is platted or re-platted (hereinafter referred to as "plat" or "platted"). In connection with such platting of the Series 2021 Assessment Area of the District, Series 2021 Special Assessments imposed on the lands being platted will be allocated based upon the precise number and type of lots within the area being platted. It is intended that all Series 2021 Special Assessments will be assigned to the number and type of platted lots platted in the Series 2021 Assessment Area. In furtherance thereof, at such time as any portion of the Series 2021 Assessment Area is to be platted, Landowner covenants that such plat or plats shall be presented to the District. The District shall allocate the Series 2021 Special Assessments to the number and type of lots being platted and the remaining lands in the Series 2021 Assessment Area in accordance with the District's Assessment Report and cause such reallocation to be recorded in the District's Improvement Lien Book.

(i) It is or will be an express condition of the liens established by the Assessment Resolutions that any and all plats containing any portion of the Series 2021 Assessment Area within the District owned by Landowner shall be presented to the District for review and allocation of the Series 2021 Special Assessments to the lots being platted and the remaining property within the Series 2021 Assessment Area in accordance with the Assessment Report (“Reallocation”). Landowner covenants to comply with this requirement for the Reallocation. The District agrees that no further action by the Board of Supervisors shall be required. The District’s review of the plats shall be limited solely to the Reallocation of Series 2021 Special Assessments and enforcement of the District’s assessment liens. Nothing herein shall in any way operate to or be construed as providing any other plat and plan approval or disapproval powers to the District.

(ii) The purpose of the True-Up calculation is to ensure that the bond debt will be able to be assigned to at least the number and type of platted lots within the Series 2021 Assessment Area of the District. Thus, at the time of platting of any portion of the Series 2021 Assessment Area, or any re-platting thereof, there must be at least the number of EAUs platted lots in the Series 2021 Assessment Area to assign the bond debt to. If not, subject to subsection (v) below, the District would require a True-Up Payment from Landowner or the person or entity seeking to file such plat in an amount sufficient to reduce the remaining bond debt to the actual number of lots platted in the Series 2021 Assessment Area in the par amount per platted lot as set forth in the Assessment Report.

(iii) The True-Up calculation shall be performed at the time any portion of the Series 2021 Assessment Area is platted.

(iv) If at the time the True-Up calculation is performed, it is determined that less than the number and type of lots are to be platted within the Series 2021 Assessment Area, a True-Up Payment shall become immediately due and payable. Any such True-Up Payment determined to be due by shall be paid in full prior to approval of the plat. Such True-Up Payment shall be in addition to the regular Series 2021 Assessment Area installment payable for the Series 2021 Assessment Area. The District will take all necessary steps to ensure that True-Up Payments are made in a timely fashion to ensure its debt service obligations are met, and in all cases, Landowner agrees that such payments shall be made in order to ensure the District’s timely payment of the debt service obligations on the Series 2021 Bonds. The District shall record all True-Up Payments in its Improvement Lien book. If such True-Up Payment is made at least 45 days prior to an interest payment date on the Series 2021 Bonds, Landowner shall include accrued interest as part of the True-Up Payment to such interest payment date. If such True-Up Payment becomes due within 45 days of the next interest payment date, accrued interest shall be calculated to the next succeeding interest payment date.

(v) The foregoing is based on the District's understanding with Landowner that at least 174 ERUs will be assigned to the Series 2021 Assessment Area, as identified in the Assessment Report and Engineer’s Report. However, the District agrees that nothing herein prohibits more or less than the anticipated number of ERUs to be assigned to the Series 2021 Assessment Area. In the event Landowner plats less than 174 ERUs within the Series 2021 Assessment Area, the Landowner may either make a True-Up Payment or leave unassigned Series 2021 Special Assessments on un-platted lands within the Series

2021 Assessment Area, provided the maximum debt allocation per developable acre as set forth in the Assessment Resolution is not exceeded. In no event shall the District collect Series 2021 Special Assessments pursuant to the Assessment Resolutions in excess of the total debt service related to the Series 2021 Project, including all costs of financing and interest. The District, however, may collect Series 2021 Special Assessments in excess of the annual debt service related to the Series 2021 Project, including all costs of financing and interest, which shall be applied to prepay the Series 2021 Bonds. If the strict application of the True-Up methodology to any Reallocation for any plat pursuant to this paragraph would result in Series 2021 Special Assessments collected in excess of the District's total debt service obligation for the Series 2021 Project, the District agrees to take appropriate action by resolution to equitably Reallocate the assessments.

SECTION 4. ENFORCEMENT. This Agreement is intended to be an additional method of enforcement of Landowner's obligation to pay the Series 2021 Special Assessments and to abide by the requirements of the Reallocation of Series 2021 Special Assessments, including the making of the True-Up Payment, if any, as set forth in the Assessment Resolutions. A default by any Party under this Agreement shall entitle any other Party to all remedies available at law or in equity, but excluding special, consequential or punitive damages.

SECTION 5. RECOVERY OF COSTS AND FEES. In the event any Party is required to enforce this Agreement by court proceedings or otherwise, then the substantially prevailing party, as determined by the applicable court or other dispute resolution provider, shall be entitled to recover from the other(s) all fees and costs incurred, including reasonable attorneys' fees and costs incurred prior to or during any litigation or other dispute resolution and including all fees and costs incurred in appellate proceedings.

SECTION 6. NOTICE. All notices, requests, consents and other communications hereunder ("Notices") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, by overnight delivery service, or electronic or hand delivered to the Parties, as follows:

Saturdays, Sundays and legal holidays recognized by the United States government shall not be regarded as business days. Counsel for the Parties may deliver Notice on behalf of the Parties. Any Party or other person to whom Notices are to be sent or copied may notify the other parties and addressees of any change in name, address or telecopy number to which Notices shall be sent by providing the same on five (5) days written notice to the parties and addressees set forth herein.

Notwithstanding the foregoing, to the extent Florida law requires notice to enforce the collection of any assessments placed on the Series 2021 Assessment Area by the District, then the provision of such notice shall be in lieu of any additional notice required by this Agreement.

SECTION 7. ASSIGNMENT.

A. Landowner may not assign its duties or obligations under this Agreement except in accordance with the terms of this Section 7(C) below. This Agreement shall constitute a covenant running with title to all or any portion of the Series 2021 Assessment Area, binding upon Landowner and its successors and assigns including, without limitation, any purchaser and its successors and assigns as to the Series 2021 Assessment Area or portions thereof, and any transferee of any portion of the Series 2021 Assessment Area, but shall not be binding upon transferees permitted by Sections 7(B)(i), (ii) or (iii) below.

B. No portion of the Series 2021 Assessment Area may be transferred to any third party without complying with the terms of Section 7(C) below, other than:

- (i) Platted and fully-developed lots to homebuilders restricted from re-platting.
- (ii) Platted and fully-developed lots to end users.
- (iii) Portions of the Series 2021 Assessment Area exempt from debt special assessments or to be dedicated to the County, the District or other governmental agencies.

Any transfer of any portion of the Series 2021 Assessment Area pursuant to subsections (i), (ii) or (iii) of this Section 7(B), shall constitute an automatic release of such portion of the Series 2021 Assessment Area from the scope and effect of this Agreement.

C. Landowner shall not transfer any portion of the Series 2021 Assessment Area to any third party, except as permitted by Sections 7(B)(i), (ii) or (iii) above, without satisfying the following conditions (“Transfer Conditions”):

- (i) delivering a recorded copy of this Agreement to such third party; and
- (ii) satisfying any True-Up Payment that results from a True-Up analysis that will be performed by the District Manager prior and as a condition to such transfer.

Any transfer that is consummated pursuant to this Section 7(C) shall operate as a release of Landowner from its obligations under this Agreement as to such portion of the Series 2021 Assessment Area only arising from and after the date of such transfer and satisfaction of all of the Transfer Conditions including payment of any True-Up Payment due pursuant to subsection 7(C)(ii) above, and the transferee shall be deemed to have assumed Landowner’s obligations in accordance herewith and shall be deemed the “Landowner” from and after such transfer for all purposes as to such portion of the Series 2021 Assessment Area so transferred.

SECTION 8. AMENDMENT. This Agreement shall constitute the entire agreement between the Parties regarding the subject matter discussed herein and may be modified in writing only by the mutual agreement of all Parties. This Agreement may not be amended without the prior written consent of the Trustee on behalf and acting at the direction of the bondholders owning more than 50% of the aggregate principal amount of the applicable Series 2021 Bonds then outstanding with regard to material amendments.

SECTION 9. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and Landowner, both the District and Landowner have complied with all the requirements of law, and both the District and Landowner have full power and authority to comply with the terms and provisions of this Agreement.

SECTION 10. TERMINATION. This Agreement shall continue in effect until it is rescinded in writing by the mutual assent of each Party, provided, however, that this Agreement and the covenants contained herein may not be terminated or released prior to platting and development of all the Series 2021 Assessment Area without the prior written consent of the Trustee on behalf and acting at the direction of bondholders owning more than 50% of the aggregate principal amount of the applicable Series 2021 Bonds then outstanding with regard to amendments having a material effect on the District’s ability to pay debt service on the Series 2021 Bonds.

SECTION 11. NEGOTIATION AT ARM’S LENGTH. This Agreement has been negotiated fully between the Parties as an arm’s length transaction. The Parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, The Parties are deemed to have drafted, chosen and selected the language, and the doubtful language will not be interpreted or construed against either Party.

SECTION 12. THIRD PARTY BENEFICIARIES. This Agreement is solely for the benefit of the District and Landowner and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Except as provided in the immediately succeeding sentence, nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or entity other than the District and Landowner any right, remedy or claim under or by reason of this Agreement or any provisions or conditions of this Agreement; and all of the provisions, representations, covenants and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and Landowner and their respective representatives, successors and assigns. Notwithstanding anything herein to the contrary, the Trustee for the Series 2021 Bonds, on behalf of the owners of the Series 2021 Bonds, shall be a direct third-party beneficiary of the terms and conditions of this Agreement and shall be entitled to enforce Landowner's obligations hereunder. The Trustee shall not be deemed to have assumed any obligations hereunder.

SECTION 13. LIMITATIONS ON GOVERNMENTAL LIABILITY. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other statute, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

SECTION 14. APPLICABLE LAW AND VENUE. This Agreement and the provisions contained herein shall be construed, interpreted, and controlled according to the laws of the State of Florida. Each Party consents that the exclusive venue for any litigation arising out of or related to this Agreement shall be in a court of appropriate jurisdiction, in and for Hillsborough County, Florida.

SECTION 15. PUBLIC RECORDS. Landowner understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and may require treatment as such in accordance with Florida law.

SECTION 16. EXECUTION IN COUNTERPARTS. This instrument may be executed in any number of counterparts, each of which, when executed and delivered, shall constitute an original, and such counterparts together shall constitute one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

SECTION 17. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

SECTION 18. EFFECTIVE DATE. This Agreement shall become effective after execution by the Parties hereto on the date reflected above.

IN WITNESS WHEREOF, Landowner and District have caused this Agreement to be executed and delivered on the day and year first written above.

COLLATERAL ASSIGNMENT AND ASSUMPTION OF DEVELOPMENT RIGHTS RELATING TO THE SERIES 2021 PROJECT

THIS COLLATERAL ASSIGNMENT AND ASSUMPTION OF DEVELOPMENT RIGHTS RELATING TO THE SERIES 2021 PROJECT (“Assignment”) is made this 9th day of December 2021, by and between:

RHODINE ROAD NORTH COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being situated entirely within Hillsborough County, Florida, with a mailing address of 219 East Livingston Street, Orlando Florida 32801 (“District”), and

CLAYTON PROPERTIES GROUP, INC., a Tennessee corporation, as the developer and owner of certain lands within the District, with a mailing address of 3020 S. Florida Avenue, Lakeland, Florida 33803, and its successors and assigns (“Landowner” or “Developer” and, together with the District, the “Parties”).

RECITALS

WHEREAS, Landowner is the owner and the developer of that certain real property within the District as more particularly described in **Exhibit A**, attached hereto and incorporated herein (“Series 2021 Assessment Area”); and

WHEREAS, the District proposes to issue its \$4,700,000 Rhodine Road North Community Development District Special Assessment Bonds, Series 2021 (“Series 2021 Bonds”), to finance certain improvements which will benefit all of the Series 2021 Assessment Area; and

WHEREAS, among the security for the repayment of the Series 2021 Bonds are the debt special assessments levied against the Series 2021 Assessment Area (“Series 2021 Special Assessments”); and

WHEREAS, the Parties intend that the Series 2021 Assessment Area will be platted and fully developed into a total of 193 single family residential units (“Lots”), and the Lots will ultimately be owned by homebuilders or end users, unrelated to the Landowner or its affiliated entities (“Development Completion”), as contemplated by the *Rhodine Road North Community Development District Second Amendment to Engineer’s Report dated December 2018*, dated July 2021 (“Engineer’s Report”), and in the *Second Amended and Restated Master Assessment Methodology for Rhodine Road North Community Development District*, dated July 28, 2021, as supplemented by the *Supplemental Assessment Methodology For Cole Parcel for Rhodine Road*

North Community Development District, dated November 11, 2021 (together, the “Assessment Methodology”), all of such Lots and associated improvements being referred to herein as the “Development”; and

WHEREAS, the Development which is being partially financed with the proceeds of the Series 2021 Bonds is described as the Cole Parcel in the Engineer’s Report (the “Series 2021 Project”); and

WHEREAS, the failure to achieve Development Completion may increase the likelihood that the purchasers of the Series 2021 Bonds will not receive the full benefit of their investment in the Series 2021 Bonds; and

WHEREAS, during the period in which the Development is being developed and the Series 2021 Project has yet to reach Development Completion, there is an increased likelihood that adverse changes to local or national economic conditions may result in a default in the payment of the Series 2021 Special Assessments securing the Series 2021 Bonds; and

WHEREAS, in the event of default in the payment of the Series 2021 Special Assessments securing the Series 2021 Bonds, or in the payment of a True-Up Obligation (as defined in the *Agreement Regarding the True-Up of Series 2021 Special Assessments by and between Clayton Properties Group, Inc., and Rhodine Road North Community Development District*, dated December 9, 2021), or in the event of any other Event of Default (as defined herein), the District requires, in addition to the remedies afforded the District under the *Master Trust Indenture* dated as of June 1, 2019 (the “Master Indenture”), as supplemented by that *First Supplemental Trust Indenture* dated as of [REDACTED] (the “First Supplemental Indenture” and, together with the Master Indenture, the “Indenture”), pursuant to which the Series 2021 Bonds are being issued, and the other Agreements being entered into by Landowner concurrent herewith with respect to the Series 2021 Bonds and the Series 2021 Special Assessments (the Indentures and Agreements being referred to collectively as the “Bond Documents”, and such remedies being referred to collectively as the “Remedial Rights”), certain remedies with respect to the Development Rights (defined below) in order to complete or enable a third party to complete development of the Series 2021 Project.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. RECITALS. The recitals stated above are true and correct and by this reference are incorporated herein and form a material part of this Assignment.

2. COLLATERAL ASSIGNMENT.

(a) Subject to the terms and conditions of this Assignment, Landowner hereby collaterally assigns to the District, to the extent assignable, all of Landowner’s development rights, permits, entitlements and work product relating to development of Series 2021 Project, and the Landowner’s rights as declarant of any property owner or homeowner association with respect to Series 2021 Project (collectively, the “Development Rights”), as security for Landowner’s

payment and performance of all of its obligations arising under the Bond Documents, including, without limitation, payment of the Series 2021 Special Assessments as a result of the Series 2021 Project that is owned by Landowner, its successors and assigns, and any True-Up Obligation. The Development Rights shall include, without limitation, the items listed in subsections (i) through (viii) below as they pertain to development of the Series 2021 Project, but shall specifically exclude any portion of the Development Rights which relate solely to (x) Lots which have been or are conveyed to homebuilders unaffiliated with the Landowner or homebuyers effective as of such conveyance, or (y) any portion of Series 2021 Project which has been transferred, dedicated and/or conveyed, or is in the future conveyed, to Hillsborough County, Florida (“County”), the District, any utility provider, governmental or quasi-governmental entity, any homeowner’s or property owner’s association or other governing entity or association as may be required by applicable permits, approvals, plats or entitlements or regulations affecting the District, if any, in each case effective as of such transfer, conveyance and/or dedication, as applicable:

- (i) Zoning approvals, density approvals and entitlements, concurrency and capacity certificates, and development assignments;
- (ii) Engineering and construction plans and specifications for grading, roadways, site drainage, storm water drainage, signage, water distribution, wastewater collection, recreational facilities and other improvements;
- (iii) Preliminary and final site plans and plats;
- (iv) Architectural plans and specifications for recreational buildings and other improvements to the developable property within the District;
- (v) Permits, approvals, resolutions, variances, licenses, and franchises granted by governmental authorities, or any of their respective agencies, for or affecting the Series 2021 Project or the construction of improvements within the Series 2021 Project, or off-site to the extent such off-site improvements are necessary or required to complete the Series 2021 Project;
- (vi) Contracts with engineers, architects, land planners, landscape architects, consultants, contractors, and suppliers for or relating to the construction of the Series 2021 Project or the construction of improvements within the Series 2021 Project;
- (vii) All prepaid impact fees and impact fee credits; and
- (viii) All future creations, changes, extensions, revisions, modifications, substitutions, and replacements of any of the foregoing.

(b) This Assignment is not intended to and shall not impair or interfere with the development of the Series 2021 Project, including, without limitation, Landowner’s contracts with homebuilders, if any, and end users (collectively, “Sales Contracts”), and shall only be inchoate and shall become an effective and absolute assignment and assumption of the Development Rights, from time to time, only upon the District’s exercise of its rights hereunder upon a failure of Landowner to pay the Series 2021 Special Assessments levied against the Series 2021 Assessment

Area land owned by the Landowner, from time to time, failure of Landowner to satisfy a True-Up Obligation, or any other Event of Default hereunder. The District shall not be deemed to have assumed any obligations associated with the Development Rights unless and until the District exercises its rights under this Assignment, and then only to the extent of such exercise.

(c) If this Assignment has not become absolute, it shall automatically terminate upon the earliest to occur of the following events: (i) payment in full of the principal and interest associated with the Series 2021 Bonds; (ii) Development Completion; (iii) transfer of any Development Rights to the County, the State, the District, any utility provider, any other governmental or quasi-governmental entity, or any homeowners' or property owner's association but only to the extent of such transfer; or (iv) transfer of any portion of the Series 2021 Project to an unaffiliated homebuilder or end user but only as to such portion transferred, from time to time.

3. WARRANTIES BY LANDOWNER. Landowner represents and warrants to the District that:

(a) Landowner is not prohibited under any agreement with any other person or under any judgment or decree from the execution, delivery and performance of this Assignment.

(b) No action has been brought or threatened which would in any way interfere with the right of Landowner to execute this Assignment and perform all of Landowner's obligations herein contained.

(c) Any transfer, conveyance or sale of the Series 2021 Project shall subject any and all affiliates or successors-in-interest of Landowner as to the Series 2021 Project or any portion thereof, to this Assignment to the extent of the portion of the Series 2021 Project so conveyed, except to the extent described in Section 2 above.

4. COVENANTS. Landowner covenants with the District that for so long as this Assignment shall remain in effect pursuant to the terms hereof:

(a) Landowner will use reasonable, good faith efforts to (i) fulfill, perform, and observe each and every material condition and covenant of Landowner relating to the Development Rights, and (ii) give notice to District of any default with respect to any of the Development Rights.

(b) The Development Rights include all of Landowner's rights to modify the Development Rights, to terminate the Development Rights, and to waive or release the performance or observance of any obligation or condition of the Development Rights; provided, however, that this Assignment does not and shall not (i) pertain to lands outside of the District not relating or necessary to development of the Series 2021 Project, or (ii) limit Landowner's right, from time to time, to modify, waive or release the Development Rights, subject to Section 4(c) below and Landowner's obligations under the Bond Documents.

(c) Landowner agrees not to take any action that would decrease the development entitlements to a level below the amount necessary to support the then-outstanding Series 2021 Special Assessments or would materially impair or impede the ability to achieve Development Completion.

5. EVENTS OF DEFAULT. Any breach of Landowner's warranties contained in Section 3 hereof, any breach of covenants contained in Section 4 hereof which is not cured within sixty (60) days after receipt of written notice thereof, or any breach of Landowner under any other Bond Documents, which default is not cured within any applicable cure period, will constitute an "Event of Default" under this Assignment.

6. REMEDIES UPON DEFAULT. Upon an Event of Default, or the transfer of title to any portion of the Series 2021 Project owned by Landowner to the District or its designee pursuant to a judgment of foreclosure entered by a court of competent jurisdiction or a deed in lieu of foreclosure to the District or its designee or the acquisition of title to such property through the sale of tax certificates, the District may, as the District's sole and exclusive remedies under this Assignment, take any or all of the following actions, at the District's option:

(a) Perform or cause to be performed any and all obligations of Landowner relating to the Development Rights and exercise or cause to be exercised any and all rights of Landowner therein as fully as Landowner could;

(b) Initiate, appear in, or defend any action arising out of or affecting the Development Rights; and,

(c) Further assign any and all of the Development Rights to a third party acquiring title to the Series 2021 Project or any portion thereof from the District or at a District foreclosure sale.

7. AUTHORIZATION IN EVENT OF DEFAULT. In the Event of Default, Landowner does hereby authorize and shall direct any party to any agreements relating to the Development Rights to tender performance thereunder to the District upon written notice and request from the District. Any such performance in favor of the District shall constitute a full release and discharge to the extent of such performance as fully as though made directly to Landowner. Notwithstanding the foregoing or anything to the contrary set forth in this Assignment, no exercise by the District or the District's rights under this Assignment shall operate to release Landowner from its obligations under this Assignment.

8. ATTORNEYS' FEES AND COSTS. In the event that any Party is required to enforce this Assignment by court proceedings or otherwise, then the Parties agree that the substantially prevailing party shall be entitled to recover from the other(s) all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

In the case of a dispute concerning the interpretation of any provision of this Assignment, both Parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against either the District or the Landowner.

12. THIRD PARTY BENEFICIARIES. The Parties hereto agree that the trustee under the Indenture ("Trustee"), on behalf of the bondholders, shall be a direct third-party beneficiary of the terms and conditions of this Assignment and entitled to enforce Landowner's obligations hereunder at the direction of the bondholders owning more than 50% of the aggregate principal amount of the applicable Series 2021 Bonds then outstanding. The Trustee shall not be deemed by virtue of this Assignment to have assumed any obligations or duties.

SECTION C

**AGREEMENT REGARDING THE COMPLETION OF CERTAIN IMPROVEMENTS
BY AND BETWEEN CLAYTON PROPERTIES GROUP, INC., AND
RHODINE ROAD NORTH COMMUNITY DEVELOPMENT DISTRICT
[SERIES 2021 BONDS]**

THIS COMPLETION AGREEMENT (“Agreement”) is made and entered into 9th day of December 2021, by and between:

RHODINE ROAD NORTH COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being situated in Hillsborough County, Florida, with a mailing address of 219 East Livingston Street, Orlando Florida 32801 (“District”), and

CLAYTON PROPERTIES GROUP, INC., a Tennessee corporation, as the developer and owner of certain lands within the District, with a mailing address of 3020 S. Florida Avenue, Lakeland, Florida 33803, and its successors and assigns (“Landowner” or “Developer” and, together with the District, the “Parties”).

RECITALS

WHEREAS, the District was established by an ordinance adopted by the Board of County Commission of Hillsborough County, Florida, pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (“Act”), and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the Act authorizes the District to issue bonds for the purpose, among others, of planning, financing, constructing, operating and/or maintaining certain infrastructure, including stormwater management facilities, water and sewer utilities, roadways, irrigation, off-site improvements, landscape and hardscape, street lighting, parks and recreation, and other infrastructure within or without the boundaries of the District, as described in that Engineer’s Report, as defined below (“Improvements”); and

WHEREAS, Landowner is the owner and developer of certain lands within the District commonly referred to as the Cole Parcel, which lands are described in **Exhibit A** attached hereto and incorporated herein by reference (“Series 2021 Assessment Area”), which will be subject to the proposed issuance of the Series 2021 Bonds, defined herein; and

WHEREAS, the District has adopted an improvement plan to finance the planning, design, acquisition, construction, and installation of certain infrastructure improvements, facilities, and services as described in the *Rhodine Road North Community Development District Second Amendment to Engineer’s Report dated December 2018*, dated July 2021, attached as **Exhibit B** and incorporated by reference herein (“Engineer’s Report”), and the estimated costs of the portion of the Improvements necessary to support development of the Cole Parcel are identified therein (“Series 2021 Project”); and

WHEREAS, the District intends to finance all or a portion of the Series 2021 Project through the anticipated issuance of its Rhodine Road North Community Development District Special Assessment Bonds, Series 2021, in the principal amount of \$4,700,000 (“Series 2021 Bonds”); and

WHEREAS, the District has imposed debt special assessments to secure repayment of the Series 2021 Bonds on those lands within the Series 2021 Assessment Area of the District benefitting from the construction of the Series 2021 Project (“Series 2021 Special Assessments”) as set forth in the *Second Amended and Restated Master Assessment Methodology for Rhodine Road North Community Development District*, dated July 28, 2021, as supplemented by the *Supplemental Assessment Methodology for Cole Parcel for Rhodine Road North Community Development District*, dated November 11, 2021 (together, the “Assessment Methodology”);

WHEREAS, Landowner has requested that the District limit the amount of debt special assessments imposed upon those lands within the Series 2021 Assessment Area by allowing the Landowner to directly fund a portion of the Series 2021 Project; and

WHEREAS, Landowner has agreed to complete or cause funds to be provided to the District as required to complete the Series 2021 Project, as set forth in the Engineer’s Report, to the extent such costs are not funded by proceeds of the Series 2021 Bonds; and

WHEREAS, in order to ensure that the Series 2021 Project is completed and funding is available in a timely manner to provide for its completion, Landowner and the District hereby agree that the District will be obligated to issue no more than \$4,700,000 in Series 2021 Bonds to fund the Series 2021 Project, and Landowner will complete or will make provision for additional funds that may be needed in the future for the completion of the Series 2021 Project, over and above the amount of the Series 2021 Bonds including, but not limited to, all administrative, legal, warranty, engineering, permitting or other related soft costs.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated herein and form a material part of this Agreement.

2. COMPLETION OF IMPROVEMENTS. Landowner and the District agree and acknowledge that the District’s proposed Series 2021 Bonds will provide only a portion of the funds necessary to complete the Series 2021 Project. Therefore, Landowner hereby agrees to complete the Series 2021 Project or cause such funds to be provided to the District in an amount sufficient to allow the District to complete those portions of the Series 2021 Project which may remain unfunded including, but not limited to, all administrative, legal, warranty, engineering, permitting or other related soft costs (collectively, the “Remaining Improvements”), whether pursuant to existing contracts, including change orders thereto, or future contracts.

(a) Subject to Existing Contract. When all or any portion of the Remaining Improvements are subject to an existing District contract, the Landowner shall provide funds directly to the District in an amount sufficient to complete the Remaining Improvements pursuant to such contract, including change orders thereto.

(b) Not Subject to Existing Contract. When any portion of the Remaining Improvements is not the subject of an existing District contract, the Landowner may choose to complete, cause to be completed, or provide funds to the District in an amount sufficient to allow the District to complete or cause to be completed, those Remaining Improvements, subject to a formal determination by the District that the option selected by the Landowner will not materially and adversely impact the District.

Nothing herein shall cause or be construed to require the District to issue additional bonds or indebtedness to provide funds for any portion of the Remaining Improvements. The Parties hereby acknowledge and agree that the District's execution of this Agreement constitutes the manner and means by which any and all portions of the Remaining Improvements are to be funded and completed. Notwithstanding the foregoing, in the event the Landowner, either jointly or individually, fails to timely provide funds or to complete the Remaining Improvements, the District may exercise its authority to issue additional bonds, notes or similar obligations, and certify for collection additional special assessments in an amount sufficient to complete the Remaining Improvements.

3. OTHER CONDITIONS AND ACKNOWLEDGMENTS.

(a) The District and Landowner agree and acknowledge that the exact location, size, configuration, and composition of the Series 2021 Project may change from that described in the Engineer's Report depending upon final design of the development, permitting or other regulatory requirements over time, or other factors. Material changes to the Series 2021 Project shall be made by a written amendment to the Engineer's Report, which shall include an estimate of the cost of the changes. Material changes to the Series 2021 Project shall require the prior written consent of the Trustee acting on behalf and at the direction of the bondholders owning more than 50% of an aggregate principal amount of the applicable Series 2021 Bonds then outstanding.

(b) The District and Landowner acknowledge and agree that the provision of funds under this Agreement or the completion of the Remaining Improvements will be considered a contribution in lieu of the imposition of debt special assessments upon the Series 2021 Assessment Area benefitted by the Series 2021 Project.

(c) (i) The Landowner agrees that all developable lands within the Series 2021 Assessment Area, including Landowner's property, benefit from the timely design, construction, or acquisition of the Series 2021 Project.

(ii) Landowner agrees that the Series 2021 Special Assessments which were imposed on the Series 2021 Assessment Area within the District, have been validly imposed and constitute valid, legal, and binding liens upon the Series 2021 Assessment Area, which Series 2021 Special Assessments remain unsatisfied.

(d) Notwithstanding anything to the contrary contained in this Agreement, the payment or performance by Landowner of its obligations hereunder are expressly subject to, dependent and conditioned upon (a) the issuance of \$4,700,000 par amount of Series 2021 Bonds and use of the proceeds thereof to fund a portion of the Series 2021 Project, and (b) the scope, configuration, size and/or composition of the Series 2021 Project not materially changing without the consent of Landowner. Such consent is not necessary, and Landowner must meet the completion obligations, or cause them to be met, when the scope, configuration, size and/or composition of the Series 2021 Project is materially changed in response to a requirement imposed by a regulatory agency.

4. DEFAULT AND PROTECTION AGAINST THIRD PARTY INTERFERENCE. A default by any Party under this Agreement shall entitle the others to all remedies available at law or in equity, which may include, but not be limited to, the right of actual damages and/or specific performance, but excluding special, consequential, or punitive damages. Except as expressly otherwise provided in this Agreement, the District shall be solely responsible for enforcing its rights under this Agreement against any interfering third party. Except as expressly otherwise provided in this Agreement, nothing contained in this Agreement shall limit or impair the District's right to protect its rights under this Agreement from interference by a third party.

5. ENFORCEMENT OF AGREEMENT. If any Party is required to enforce this Agreement by court proceedings or otherwise, then the Parties agree that the substantially prevailing party shall be entitled to recover from the other(s) all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

6. AMENDMENTS. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by all Parties hereto, but only with the written consent of the Trustee acting at the direction of the bondholders owning more than 50% of an aggregate principal amount of the Series 2021 Bonds then outstanding, with respect to material amendments.

7. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and Landowner, both the District and Landowner have complied with all the requirements of law, and both the District and Landowner have full power and authority to comply with the terms and provisions of this Agreement.

Except as otherwise provided in this Section 10 with respect to Trustee, nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or entity other than the Parties hereto any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and Landowner and the respective representatives, successors, and assigns of each. Notwithstanding anything herein to the contrary, the Trustee for the Series 2021 Bonds, shall be a direct third-party beneficiary of the terms and conditions of this Agreement and shall be entitled to enforce the obligations of Landowner hereunder. The Trustee shall not be deemed to have assumed any obligations hereunder.

11. ASSIGNMENT. **AGREEMENT REGARDING THE ACQUISITION OF WORK PRODUCT, IMPROVEMENTS, &
REAL PROPERTY BY AND BETWEEN CLAYTON PROPERTIES GROUP, INC., AND
RHODINE ROAD NORTH COMMUNITY DEVELOPMENT DISTRICT
[SERIES 2021 BONDS]**

THIS ACQUISITION AGREEMENT (“Agreement”) is made and entered into this 9th day of December 2021, by and between:

RHODINE ROAD NORTH COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being situated in Hillsborough County, Florida, with a mailing address of 219 East Livingston Street, Orlando Florida 32801 (“District”), and

CLAYTON PROPERTIES GROUP, INC., a Tennessee corporation, as the developer and owner of certain lands within the District, with a mailing address of 3020 S. Florida Avenue, Lakeland, Florida 33803, and its successors and assigns (“Landowner” or “Developer” and, together with the District, the “Parties”).

RECITALS

WHEREAS, the District was established for the purposes of planning, financing, constructing, acquiring, operating and/or maintaining certain public infrastructure, as authorized by Chapter 190, *Florida Statutes*; and

WHEREAS, the District has adopted an improvement plan to finance the planning, design, acquisition, construction, and installation of certain infrastructure improvements, facilities, and services as described in the *Rhodine Road North Community Development District Second Amendment to Engineer’s Report dated December 2018*, dated July 2021 (“Engineer’s Report”) attached to this Agreement as **Exhibit A**, and the estimated costs of the portion of the Improvements necessary to support development of the Cole Parcel (“Series 2021 Project”), are identified therein; and

WHEREAS, the Landowner is the owner and the developer of certain lands located within the boundaries of the District and referred to as the Cole Parcel in the Engineer’s Report and further described in **Exhibit B** (“the Series 2021 Assessment Area”), within which a portion of the District Improvements will be located; and

WHEREAS, the District intends to finance a portion of the Series 2021 Project, through the anticipated issuance of its Rhodine Road North Community Development District Special Assessment Bonds, Series 2021 in the principal amount of \$4,700,000 (“Series 2021 Bonds”); and

WHEREAS, because the Series 2021 Bonds have not yet been issued, the District has not had sufficient monies on hand to allow the District to fund the cost of preparation of the necessary surveys, reports, drawings, plans, permits, specifications, and related documents which would

allow the timely commencement and completion of construction of the Improvements (“Work Product”); and

WHEREAS, the District acknowledges the Landowner’s need to have the Improvements constructed in an expeditious and timely manner in order to develop the District lands including the lands encompassing the Series 2021 Project; and

WHEREAS, the District agrees that it will not have sufficient monies to proceed with either the preparation of the Work Product or the commencement of construction of the Improvements described in **Exhibit A** until such time as the District has closed on the sale of the Series 2021 Bonds; and

WHEREAS, to avoid a delay in the commencement of the construction of the Improvements, the Landowner has advanced, funded, commenced, and completed and/or will complete certain work to enable the District to expeditiously provide the Improvements; and

WHEREAS, the District desires to commence the acquisition of certain Work Product and the Improvements, and accept assignment of certain agreements regarding the same; and

WHEREAS, in conjunction with the acquisition of the Work Product and/or Improvements, the Landowner desires to convey to the District interests in real property sufficient to allow the District to own, operate, maintain, construct, or install the Improvements, if any such conveyances are appropriate, and such conveyances shall be in fee simple, perpetual easement, or other interest as may be in the best interests of the District (“Real Property”); and

WHEREAS, the Landowner and the District desire to enter into this Agreement to set forth the process by which the District may acquire the Work Product, Improvements, and/or Real Property.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt and sufficiency of which are hereby acknowledged, the District and the Landowner agree as follows:

SECTION 1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated herein and form a material part of this Agreement.

SECTION 2. WORK PRODUCT. The District agrees to pay the lesser of actual cost incurred by the Landowner or fair market value, for preparation of the Work Product in accordance with the provisions of this Agreement. The Landowner shall provide copies of any and all invoices, bills, receipts, or other evidence of costs incurred by the Landowner for the Work Product. The Parties agree to cooperate and use good faith and best efforts to undertake and complete the acquisition process contemplated by this Agreement on such date as the Parties may jointly agree upon (“Acquisition Date”). The Parties agree that separate or multiple Acquisition Dates may be established for any portion of the acquisitions contemplated by this Agreement. The District Engineer shall review all evidence of cost and shall certify to the District’s Board of Supervisors (“Board”) the total actual amount of cost, which, in the District Engineer’s sole

opinion, is reasonable for the Work Product. The District Engineer's opinion as to cost shall be set forth in an Engineer's Certificate which shall accompany the requisition for the funds from the trustee for the Series 2021 Bonds ("Trustee"). In the event that the Landowner disputes the District Engineer's opinion as to cost, the District and the Landowner agree to use good faith efforts to resolve such dispute. If the Parties are unable to resolve any such dispute, the Parties agree to jointly select a third-party engineer whose decision as to any such dispute shall be binding upon the Parties. Such decision by a third-party engineer shall be set forth in an Engineer's Affidavit which shall accompany the requisition for the funds from the Trustee. The Parties acknowledge that the Work Product is being acquired for use by the District in connection with the construction of the Improvements.

A. The Landowner agrees to convey to the District, and solely to the extent permitted by the terms of the Work Product, the Work Product upon payment of the sums determined to be acceptable by the District Engineer and approved by the District's Board pursuant to and as set forth in this Agreement.

B. The Landowner agrees to release to the District all right, title, and interest which the Landowner may have in and to the above described Work Product, as well as all common law, statutory, and other reserved rights, including all copyrights in the Work Product and extensions and renewals thereof under United States law and throughout the world, and all publication rights and all subsidiary rights and other rights in and to the Work Product in all forms, mediums, and media, now known or hereinafter devised; provided, however, that the District agrees and acknowledges that the Landowner shall retain the right, title and interest to use the Work Product, and the District shall grant the Landowner a license to use the Work Product to the extent reasonably required by the Landowner in connection with the ownership, construction, development, and management of the Series 2021 Project or other lands owned by Landowner to which such Work Product pertains. To the extent determined necessary by the District, the Landowner shall use commercially reasonable efforts to obtain all releases from any professional providing services in connection with the Work Product to enable the District to use and rely upon the Work Product. Such releases may include, but are not limited to, any architectural, engineering, or other professional services.

C. Except as otherwise separately agreed by the Parties with respect to any particular acquisition of Work Product, and without intending to modify any of the other terms of this Agreement, any conveyance of Work Product shall be on an "AS-IS" basis, and without any representation or warranty from the Landowner to the District in respect thereto.

D. The Landowner agrees to make reasonable good faith efforts, but without imposing any requirement on Landowner to pay for additional warranty rights on behalf of the District, to provide or cause to be provided to the District, either by assignment or directly from such third parties as may be necessary and desirable to the mutual satisfaction of the Parties hereto, a warranty that the Work Product is fit for the purposes to which it will be put by the District, as contemplated by the Engineer's Report.

E. The District agrees to allow the Landowner access to and use of the Work Product without the payment of any fee by the Landowner. However, to the extent the Landowner's access to and use of the Work Product causes the District to incur any cost or expense, such as copying costs, the Landowner agrees to pay such cost or expense.

SECTION 3. IMPROVEMENTS. The Landowner has expended certain funds on behalf of the District relating to the Improvements. The District agrees to acquire or otherwise reimburse the Landowner for those portions of the Improvements which have been commenced or completed prior to the issuance of the Series 2021 Bonds. When a portion of the Improvements is ready for conveyance by the Landowner to the District, the Landowner shall notify the District in writing, describing the nature of the improvement, its general location, and its estimated cost. Landowner agrees to provide, at or prior to the Acquisition Date, the following: (i) documentation of actual costs paid; (ii) instruments of conveyance such as special warranty bills of sale or such other instruments as may be reasonably requested by the District; and (iii) any other releases, indemnifications, or documentation as may be reasonably requested by the District. Any real property interests necessary for the functioning of the Improvements to be acquired under this Section shall be reviewed and conveyed in accordance with the provisions of Section 5 herein. The District Engineer in consultation with District Counsel shall determine in writing whether the infrastructure to be conveyed is a part of the Improvements contemplated by the Engineer's Report, and if so, shall provide Landowner with a list of items necessary to complete the acquisition. Each such acquisition shall also be subject to the engineering review and certification process described in Section 2 above. The District Manager shall determine, in writing, whether the District has, based on the Landowner's estimate of cost, sufficient unencumbered funds to acquire the improvement.

A. All documentation of any acquisition (e.g., bills of sale, receipts, maintenance bonds, as-builts, evidence of costs, deeds or easements, etc.) shall be to the reasonable satisfaction of the District. If any item acquired is to be conveyed to a third-party governmental entity, then the Landowner agrees to cooperate and provide such certifications, warranties, representations or other items as may be required by that governmental entity, if any.

B. The District Engineer shall certify as to the actual cost of any improvement built or constructed by or at the direction of the Landowner, and the District shall pay no more than the actual cost incurred, or the fair market value of the improvement, whichever is less, as determined by the District Engineer.

C. The Landowner agrees to cooperate in the transfer of any permits to the District or another governmental entity with maintenance obligations for any Improvements conveyed pursuant to this Agreement.

D. Nothing herein shall require the District to accept any Work Product and/or Improvements unless the District Engineer, in his or her professional opinion, is able to certify that, in addition to any other requirements of law: (i) the Work Product and/or Improvements are as set forth in the Engineer's Report; (ii) the price for such Work Product and/or Improvements is equal to or less than each of (a) the cost actually paid to develop

and/or install the Work Product and/or Improvements by the Landowner and (b) the reasonable fair market value of the Work Product and/or Improvements; (iii) as to Work Product, the Work Product is capable of being used for the purposes intended by the District, and, as to any Improvements, the Improvements were installed in accordance with their specifications, and are capable of performing the functions for which they were intended; and (iv) as to any Improvements, all known plans, permits and specifications necessary for the operation and maintenance of the Improvements are complete and on file with the District, and have been transferred, or are capable of being transferred, to the District for operations and maintenance responsibilities.

SECTION 4. ASSIGNMENT OF CONTRACTS. The District may accept the assignment of certain contracts. Such acceptance is predicated upon: (i) each contractor providing a bond in the form and manner required by Section 255.05, *Florida Statutes*, or the Landowner providing adequate alternative security in compliance with Section 255.05, *Florida Statutes*, if required; and (ii) receipt by the District of a release from each general contractor acknowledging each assignment and the validity thereof, acknowledging the furnishing of the bond or other security required by Section 255.05, *Florida Statutes*, if any, and waiving any and all claims against the District arising as a result of or connected with such assignment. Until such time as the Series 2021 Bonds are actually issued, the Landowner agrees to provide such funds as are needed by the District to make all payments for any such assigned contracts when and as needed by the District.

SECTION 5. CONVEYANCE OF REAL PROPERTY.

A. Conveyance. In the event that real property interests are to be conveyed by the Landowner, or any other owner of lands within Assessment Area, and acquired by the District in connection with the acquisition or construction of the Improvements, and as mutually agreed upon by the District and the Landowner, then in such event, the Landowner agrees that it will convey or cause to be conveyed to the District at or prior to the Acquisition Date by a special warranty deed, or non-exclusive easement, as reasonably acceptable to the District together with a metes and bounds or other legal description, the Real Property upon which the Improvements are constructed or which are necessary for the operation and maintenance of, and access to the Improvements. The Parties agree that in no event shall the purchase price for the Real Property exceed the lesser of the actual cost to the Landowner or the value of an appraisal obtained by the District for this purpose. The Parties agree that the purchase price shall not include amounts attributable to the value of improvements on the Real Property and other improvements serving the Real Property that have been, or will be, funded by the District. The District may determine in its reasonable discretion that fee title is not necessary and in such cases shall accept such other interest in the lands upon which the Improvements are constructed as the District deems reasonably acceptable. Such special warranty deed or other instrument shall be subject to a reservation by Landowner of its right and privilege to use the area conveyed to construct any Improvements and any future improvements to such area for any related purposes (including, but not limited to, construction traffic relating to the construction of the development) not inconsistent with the District's use, occupation or enjoyment thereof. The Landowner shall pay the cost for recording fees and documentary stamps required, if any, for the conveyance of the lands upon which the Improvements are constructed. The

Landowner shall be responsible for all taxes and assessments levied on the lands upon which the Improvements are constructed until such time as the Landowner conveys said lands to the District. At the time of conveyance, the District may require, at Landowner's expense, an owner's title insurance policy in a form satisfactory to the District. In the event the title search reveals exceptions to title which render title unmarketable or which, in the District's reasonable discretion, would materially interfere with the District's use of such lands, the District shall not be required to accept such conveyance of Real Property and/or any related Improvements or Work Product.

B. *Boundary or Other Adjustments.* Landowner and the District agree that reasonable future boundary adjustments may be made as deemed necessary and approved by both Parties in order to accurately describe lands conveyed to the District and lands which remain in Landowner's ownership; provided, however, that such future boundary adjustments shall not affect the ability of the Landowner to have the lots developed. The Parties agree that any land transfers made to accommodate such adjustments shall be accomplished by donation. However, the party requesting such adjustment shall pay any transaction costs resulting from the adjustment, including but not limited to taxes, title insurance, recording fees or other costs.

SECTION 6. TAXES, ASSESSMENTS, AND COSTS.

A. *Taxes and Assessments on Property Being Acquired.* The District is an exempt governmental unit acquiring property pursuant to this Agreement for use exclusively for public purposes. Accordingly, in accordance with Florida law, the Landowner agrees to place in escrow with the Hillsborough County Tax Collector an amount equal to the current ad valorem taxes and non-ad valorem assessments prorated to the date of transfer of title, based upon the expected assessment and millage rates giving effect to the greatest discount available for early payment.

1. If and only to the extent the property acquired by the District is subject to ad valorem taxes or non-ad valorem assessments, the Landowner agrees to reimburse the District for payment, or pay on its behalf, any and all ad valorem taxes and non-ad valorem assessments imposed during the calendar year in which each parcel of property is conveyed.

2. Nothing in this Agreement shall prevent the District from asserting any rights to challenge any taxes or assessments imposed, if any, on any property of the District.

B. *Notice.* The Parties agree to provide notice to the other within ten (10) calendar days of receipt of any notice of potential or actual taxes, assessments, or costs, as a result of any transaction pursuant to this Agreement, or notice of any other taxes assessments or costs imposed on the property acquired by the District as described in Subsection A above. The Landowner covenants to make any payments due hereunder in a timely manner in accordance with Florida law. In the event that the Landowner fails to make timely payment of any such taxes or costs, the Landowner acknowledges the

District's right to make such payment. If the District makes such payment, the Landowner agrees to reimburse the District within thirty (30) calendar days of receiving notice of such payment, and to include in such reimbursement any fees, costs, penalties, or other expenses which accrued to the District as a result of making such a payment, including interest at the maximum rate allowed by law from the date of the payment made by the District.

C. *Tax liability not created.* Nothing herein is intended to create or shall create any new or additional tax liability on behalf of the Landowner or the District. Furthermore, the Parties reserve all respective rights to challenge, pay under protest, contest or litigate the imposition of any tax, assessment, or cost in good faith they believe is unlawfully or inequitably imposed and agree to cooperate in good faith in the challenge of any such imposition.

SECTION 7. ACQUISITION IN ADVANCE OF RECEIPT OF PROCEEDS. The District and Landowner hereby agree that an acquisition by the District may be completed prior to the District obtaining proceeds from the Series 2021 Bonds ("Prior Acquisitions"). The District agrees to pursue the issuance of the Series 2021 Bonds in good faith and, within thirty (30) days from the issuance of such Series 2021 Bonds, to make payment for any Prior Acquisitions completed pursuant to the terms of this Agreement; provided, however, that in the event Bond Counsel determines that any such Prior Acquisitions are not properly compensable for any reason, including, but not limited to, federal tax restrictions imposed on tax-exempt financing, the District shall not be obligated to make payment for such Prior Acquisitions. Interest shall not accrue on the amounts owed for any Prior Acquisitions. In the event the District does not or cannot issue the Series 2021 Bonds within five (5) years from the date of this Agreement, and, thus does not make payment to the Landowner for the Prior Acquisitions, the Parties agree that the District shall have no reimbursement obligation whatsoever. The Landowner acknowledges that the District intends to convey some or all of the Improvements to the State of Florida, Hillsborough County and consents to the District's conveyance of such improvements prior to payment for any Prior Acquisitions.

SECTION 8. DEFAULT. A default by either Party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages and/or specific performance, but excluding special, consequential or punitive damages.

SECTION 9. INDEMNIFICATION. For all actions or activities which occur prior to the date of the acquisition of the relevant Real Property, Improvement or Work Product hereunder, the Landowner agrees to indemnify and hold harmless the District and its officers, staff, agents and employees from any and all liability, claims, actions, suits or demands by any person, corporation or other entity for injuries, death, property damage or claims of any nature arising out of, or in connection with, the use by the Landowner, its officers, agents, employees, invitees or affiliates, of the Real Property, Improvement, or Work Product, including litigation or any appellate proceedings with respect thereto, irrespective of the date of the initiation or notice of the claim, suit, etc.; provided, however, that the Landowner shall not indemnify the District for a default by the District under this Agreement or the use of such Real Property, Improvement or Work Product by the District, its engineers, employees, contractors, or such persons' or entities' negligence.

SECTION 10. ENFORCEMENT OF AGREEMENT. In the event that any Party is required to enforce this Agreement by court proceedings or otherwise, then the Parties agree that the substantially prevailing party shall be entitled to recover from the other(s) all fees and costs incurred, including reasonable attorneys' fees, paralegal fees and expert witness fees, and costs for trial, alternative dispute resolution, or appellate proceedings.

SECTION 11. ENTIRE AGREEMENT. This instrument shall constitute the final and complete expression of the agreement between the District and the Landowner relating to the subject matter of this Agreement.

SECTION 12. AMENDMENTS. This Agreement shall constitute the entire agreement between the Parties regarding the subject matter hereof and may be modified in writing only by the mutual agreement of all Parties, and with regards to material amendments, with the prior written consent of the Trustee for the Series 2021 Bonds acting at the direction of the bondholders owning a majority of the aggregate principal amount of the Series 2021 Bonds then outstanding.

SECTION 13. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Landowner. The District and the Landowner have complied with all the requirements of law. The District and the Landowner have full power and authority to comply with the terms and provisions of this Agreement.
